42 USC 14401.

(a) **FINDINGS.**—Congress finds the following:

(1) The Federal Government provides financial support for the provision of and payment for health care services, as well as for advocacy activities to protect the rights of individuals.

(2) Assisted suicide, euthanasia, and mercy killing have been criminal offenses throughout the United States and, under current law, it would be unlawful to provide services in support of such illegal activities.

(3) Because of recent legal developments, it may become lawful in areas of the United States to furnish services in support of such activities.

(4) Congress is not providing Federal financial assistance in support of assisted suicide, euthanasia, and mercy killing and intends that Federal funds not be used to promote such activities.

(b) **PURPOSE.**—It is the principal purpose of this Act to continue current Federal policy by providing explicitly that Federal funds may not be used to pay for items and services (including assistance) the purpose of which is to cause (or assist in causing) the suicide, euthanasia, or mercy killing of any individual.

SEC. 3. RESTRICTION ON USE OF FEDERAL FUNDS UNDER HEALTH CARE PROGRAMS.

(3) abortion; or

(4) the use of an item, good, benefit, or service furnished for the purpose of alleviating pain or discomfort, even if such use may increase the risk of death, so long as such item, good, benefit, or service is not also furnished for the purpose of causing, or the purpose of assisting in causing, death, for any reason.

(c) LIMITATION ON FEDERAL FACILITIES AND EMPLOYEES.—Subject to subsection (b), with respect to health care items and services furnished—

(1) by or in a health care facility owned or operated by the Federal government, or

“(c) FINDINGS.—The Congress finds the following:

“(1) Disability is a natural part of the human experience and in no way diminishes the right of individuals to participate in or contribute to society. Improving educational results for children with disabilities is an essential element of our national policy of ensuring equality of opportunity, full participation, independent living, and economic self-sufficiency for individuals with disabilities.

“(2) Before the date of the enactment of the Education for All Handicapped Children Act of 1975 (Public Law 94–142)—

“(A) the special educational needs of children with disabilities were not being fully met;

“(B) more than one-half of the children with disabilities in the United States did not receive appropriate educational services that would enable such children to have full equality of opportunity;

“(C) 1,000,000 of the children with disabilities in the United States were excluded entirely from the public school system and did not go through the educational process with their peers;

“(D) there were many children with disabilities throughout the United States participating in regular school programs whose disabilities prevented such children from having a successful educational experience because their disabilities were undetected; and

“(E) because of the lack of adequate services within the public school system, families were often forced to find services outside the public school system, often at great distance from their residence and at their own expense.

“(3) Since the enactment and implementation of the Education for All Handicapped Children Act of 1975, this Act has been successful in ensuring children with disabilities and the families of such children access to a free appropriate public education and in improving educational results for children with disabilities.

“(4) However, the implementation of this Act has been impeded by low expectations, and an insufficient focus on applying replicable research on proven methods of teaching and learning for children with disabilities.

“(5) Over 20 years of research and experience has demonstrated that the education of children with disabilities can be made more effective by—

“(A) having high expectations for such children and ensuring their access in the general curriculum to the maximum extent possible;

“(B) strengthening the role of parents and ensuring that families of such children have meaningful opportunities to participate in the education of their children at school and at home;

“(C) coordinating this Act with other local, educational service agency, State, and Federal school improvement efforts in order to ensure that such children benefit from such efforts and that special education can become a service for such children rather than a place where they are sent;

“(D) providing appropriate special education and related services and aids and supports in the regular classroom to such children, whenever appropriate;

“(E) supporting high-quality, intensive professional development for all personnel who work with such children in order to ensure that they have the skills and knowledge necessary to enable them—

“(i) to meet developmental goals and, to the maximum extent possible, those challenging expectations that have been established for all children; and

“(ii) to be prepared to lead productive, independent, adult lives, to the maximum extent possible;

“(F) providing incentives for whole-school approaches and pre-referral intervention to reduce the need to label children as disabled in order to address their learning needs; and

“(G) focusing resources on teaching and learning while reducing paperwork and requirements that do not assist in improving educational results.

“(6) While States, local educational agencies, and educational service agencies are responsible for providing an education for all children with disabilities, it is in the national interest that the Federal Government have a role in assisting State and local efforts to educate children with disabilities in order to improve results for such children and to ensure equal protection of the law.

“(7)(A) The Federal Government must be responsive to the growing needs of an increasingly more diverse society. A more equitable allocation of resources is essential for the Federal Government to meet its responsibility to provide an equal educational opportunity for all individuals.

“(B) America’s racial profile is rapidly changing. Between 1980 and 1990, the rate of increase in the population for white Americans was 6 percent, while the rate of increase for racial and ethnic minorities was much higher: 53 percent for Hispanics, 13.2 percent for African-Americans, and 107.8 percent for Asians.

“(C) By the year 2000, this Nation will have 275,000,000 people, nearly one of every three of whom will be either African-American, Hispanic, Asian-American, or American Indian.

“(D) Taken together as a group, minority children are comprising an ever larger percentage of public school students. Large-city school populations are overwhelmingly minority, for example: for fall 1993, the figure for Miami was 84 percent; Chicago, 89 percent; Philadelphia, 78 percent; Baltimore, 84 percent; Houston, 88 percent; and Los Angeles, 88 percent.

“(E) Recruitment efforts within special education must focus on bringing larger numbers of minorities into the profession in order to provide appropriate practitioner knowledge, role models, and sufficient manpower to address the clearly changing demography of special education.

“(F) The limited English proficient population is the fastest growing in our Nation, and the growth is occurring in many parts of our Nation. In the Nation’s 2 largest school districts, limited English proficient students make up almost half of all students initially entering school at the kindergarten level. Studies have documented apparent discrepancies in the levels of referral and placement of limited English proficient children in special education. The Department of Education has found that services provided to limited English proficient students often do not respond primarily to the pupil’s academic needs. These trends pose special challenges for special education in the referral, assessment, and services for our Nation’s students from non-English language backgrounds.

“(8)(A) Greater efforts are needed to prevent the intensification of problems connected with mislabeling and high dropout rates among minority children with disabilities.

“(B) More minority children continue to be served in special education than would be expected from the percentage of minority students in the general school population.

“(C) Poor African-American children are 2.3 times more likely to be identified by their teacher as having mental retardation than their white counterpart.

“(D) Although African-Americans represent 16 percent of elementary and secondary enrollments, they constitute 21 percent of total enrollments in special education.

“(E) The drop-out rate is 68 percent higher for minorities than for whites.

“(F) More than 50 percent of minority students in large cities drop out of school.

“(9)(A) The opportunity for full participation in awards for grants and contracts; boards of organizations receiving funds under this Act; and peer review panels; and training of professionals in the area of special education by minority individuals, organizations, and historically black colleges and universities is essential if we are to obtain greater success in the education of minority children with disabilities.

“(B) In 1993, of the 915,000 college and university professors, 4.9 percent were African-American and 2.4 percent were Hispanic. Of the 2,940,000 teachers, prekindergarten through high school, 6.8 percent were African-American and 4.1 percent were Hispanic.

“(C) Students from minority groups comprise more than 50 percent of K-12 public school enrollment in seven States yet minority enrollment in teacher training programs is less than 15 percent in all but six States.

“(D) As the number of African-American and Hispanic students in special education increases, the number of minority teachers and related service personnel produced in our colleges and universities continues to decrease.

“(E) Ten years ago, 12 percent of the United States teaching force in public elementary and secondary schools were members of a minority group. Minorities comprised 21 percent of the national population at that time and were clearly underrepresented then among employed teachers. Today, the elementary and secondary teaching force is 13 percent minority, while one-third of the students in public schools are minority children.

“(F) As recently as 1991, historically black colleges and universities enrolled 44 percent of the African-American teacher trainees in the Nation. However, in 1993, historically black colleges and universities received only 4 percent of the discretionary funds for special education and related services personnel training under this Act.

“(G) While African-American students constitute 28 percent of total enrollment in special education, only 11.2 percent of individuals enrolled in preservice training programs for special education are African-American.

“(H) In 1986-87, of the degrees conferred in education at the B.A., M.A., and Ph.D. levels, only 6, 8, and 8 percent, respectively, were awarded to African-American or Hispanic students.

“(10) Minorities and underserved persons are socially disadvantaged because of the lack of opportunities in training and educational programs, undergirded by the practices in the

private sector that impede their full participation in the mainstream of society.

“(d) PURPOSES.—The purposes of this title are—

“(1)(A) to ensure that all children with disabilities have available to them a free appropriate public education that emphasizes special education and related services designed to meet their unique needs and prepare them for employment and independent living;

“(B) to ensure that the rights of children with disabilities and parents of such children are protected; and

“(C) to assist States, localities, educational service agencies, and Federal agencies to provide for the education of all children with disabilities;

“(2) to assist States in the implementation of a statewide, comprehensive, coordinated, multidisciplinary, interagency system of early intervention services for infants and toddlers with disabilities and their families;

“(3) to ensure that educators and parents have the necessary tools to improve educational results for children with disabilities by supporting systemic-change activities; coordinated research and personnel preparation; coordinated technical assistance, dissemination, and support; and technology development and media services; and

“(4) to assess, and ensure the effectiveness of, efforts to educate children with disabilities.

“(3) INCREASE IN FUNDS.—If the amount available for allocations to States under paragraph (1) is equal to or greater than the amount allocated to the States under this paragraph for the preceding fiscal year, those allocations shall be calculated as follows:

“(A)(i) Except as provided in subparagraph (B), the Secretary shall—

“(I) allocate to each State the amount it received for the base year;

“(B) Notwithstanding subparagraph (A), allocations under this paragraph shall be subject to the following:

under subsection (j) exceeds the amount appropriated under this section for the base year;

“(III) the sum of—

“(aa) the amount it received for the preceding fiscal year; and

“(bb) that amount multiplied by 90 percent of the percentage increase in the amount appropriated from the preceding fiscal year.

“(I) the amount it received for the preceding fiscal year; and

“(II) that amount multiplied by the sum of 1.5 percent and the percentage increase in the amount appropriated.

“(C) If the amount available for allocations under this paragraph is insufficient to pay those allocations in full, those allocations shall be ratably reduced, subject to subparagraph (B)(i).

“(4) DECREASE IN FUNDS.—If the amount available for allocations to States under paragraph (1) is less than the amount allocated to the States under this section for the preceding fiscal year, those allocations shall be calculated as follows:

“(i) the amount it received for the base year; and

“(ii) an amount that bears the same relation to any remaining funds as the increase the State received for the preceding fiscal year over the base year bears to the total of all such increases for all States.

“(B)(i) If the amount available for allocations is equal to or less than the amount allocated to the States for the base year, each State shall be allocated the amount it received for the base year.

“(ii) If the amount available is insufficient to make the allocations described in clause (i), those allocations shall be ratably reduced.

“(i) the percentage increase, if any, from the preceding fiscal year in the State’s allocation under this section; or

“(ii) ALLOCATION OF REMAINING FUNDS.—After making allocations under clause (i), the State shall—

“(F) includes an assurance that the Department of the Interior will cooperate with the Department of Education in its exercise of monitoring and oversight of this application, and any agreements entered into between the Secretary of the Interior and other entities under this part, and will fulfill its duties under this part.

Section 616(a) shall apply to the information described in this paragraph.

“(3) PAYMENTS FOR EDUCATION AND SERVICES FOR INDIAN CHILDREN WITH DISABILITIES AGED 3 THROUGH 5.—

“(A) IN GENERAL.—With funds appropriated under subsection (j), the Secretary of Education shall make payments to the Secretary of the Interior to be distributed to tribes or tribal organizations (as defined under section 4 of the Indian Self-Determination and Education Assistance Act) or consortia of the above to provide for the coordination of assistance for special education and related services for children with disabilities aged 3 through 5 on reservations served by elementary and secondary schools for Indian children operated or funded by the Department of the Interior. The amount of such payments under subparagraph (B) for any fiscal year shall be equal to 20 percent of the amount allotted under subsection (c).

“(B) DISTRIBUTION OF FUNDS.—The Secretary of the Interior shall distribute the total amount of the payment under subparagraph (A) by allocating to each tribe or tribal organization an amount based on the number of children with disabilities ages 3 through 5 residing on reservations as reported annually, divided by the total of those children served by all tribes or tribal organizations.

“(C) SUBMISSION OF INFORMATION.—To receive a payment under this paragraph, the tribe or tribal organization shall submit such figures to the Secretary of the Interior as required to determine the amounts to be allocated under subparagraph (B). This information shall be compiled and submitted to the Secretary of Education.

“(D) USE OF FUNDS.—The funds received by a tribe or tribal organization shall be used to assist in child find, screening, and other procedures for the early identification of children aged 3 through 5, parent training, and the provision of direct services. These activities may be carried out directly or through contracts or cooperative agreements

with the BIA, local educational agencies, and other public or private nonprofit organizations. The tribe or tribal organization is encouraged to involve Indian parents in the development and implementation of these activities. The above entities shall, as appropriate, make referrals to local, State, or Federal entities for the provision of services or further diagnosis.

“(E) BIENNIAL REPORT.—To be eligible to receive a grant pursuant to subparagraph (A), the tribe or tribal organization shall provide to the Secretary of the Interior a biennial report of activities undertaken under this paragraph, including the number of contracts and cooperative agreements entered into, the number of children contacted and receiving services for each year, and the estimated number of children needing services during the 2 years following the one in which the report is made. The Secretary of the Interior shall include a summary of this information on a biennial basis in the report to the Secretary of Education required under this subsection. The Secretary of Education may require any additional information from the Secretary of the Interior.

“(F) PROHIBITIONS.—None of the funds allocated under this paragraph may be used by the Secretary of the Interior for administrative purposes, including child count and the provision of technical assistance.

“(4) PLAN FOR COORDINATION OF SERVICES.—The Secretary of the Interior shall develop and implement a plan for the coordination of services for all Indian children with disabilities residing on reservations covered under this Act. Such plan shall provide for the coordination of services benefiting these children from whatever source, including tribes, the Indian Health Service, other BIA divisions, and other Federal agencies. In developing the plan, the Secretary of the Interior shall consult with all interested and involved parties. It shall be based on the needs of the children and the system best suited for meeting those needs, and may involve the establishment of cooperative agreements between the BIA, other Federal agencies, and other entities. The plan shall also be distributed upon request to States, State and local educational agencies, and other agencies providing services to infants, toddlers, and children with disabilities, to tribes, and to other interested parties.

“(5) ESTABLISHMENT OF ADVISORY BOARD.—To meet the requirements of section 612(a)(21), the Secretary of the Interior shall establish, not later than 6 months after the date of the enactment of the Individuals with Disabilities Education Act Amendments of 1997, under the BIA, an advisory board composed of individuals involved in or concerned with the education and provision of services to Indian infants, toddlers, children, and youth with disabilities, including Indians with disabilities, Indian parents or guardians of such children, teachers, service providers, State and local educational officials, representatives of tribes or tribal organizations, representatives from State Interagency Coordinating Councils under section 641 in States having reservations, and other members representing the various divisions and entities of the BIA. The chairperson shall

be selected by the Secretary of the Interior. The advisory board shall—

“(A) assist in the coordination of services within the BIA and with other local, State, and Federal agencies in the provision of education for infants, toddlers, and children with disabilities;

“(B) advise and assist the Secretary of the Interior in the performance of the Secretary’s responsibilities described in this subsection;

“(C) develop and recommend policies concerning effective inter- and intra-agency collaboration, including modifications to regulations, and the elimination of barriers to inter- and intra-agency programs and activities;

“(D) provide assistance and disseminate information on best practices, effective program coordination strategies, and recommendations for improved educational programming for Indian infants, toddlers, and children with disabilities; and

“(E) provide assistance in the preparation of information required under paragraph (2)(D).

“(6) ANNUAL REPORTS.—

“(A) IN GENERAL.—The advisory board established under paragraph (5) shall prepare and submit to the Secretary of the Interior and to the Congress an annual report containing a description of the activities of the advisory board for the preceding year.

“(B) AVAILABILITY.—The Secretary of the Interior shall make available to the Secretary of Education the report described in subparagraph (A).

“(j) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of carrying out this part, other than section 619, there are authorized to be appropriated such sums as may be necessary.

20 USC 1412.

“SEC. 612. STATE ELIGIBILITY.

“(a) IN GENERAL.—A State is eligible for assistance under this part for a fiscal year if the State demonstrates to the satisfaction of the Secretary that the State has in effect policies and procedures to ensure that it meets each of the following conditions:

“(1) FREE APPROPRIATE PUBLIC EDUCATION.—

“(A) IN GENERAL.—A free appropriate public education is available to all children with disabilities residing in the State between the ages of 3 and 21, inclusive, including children with disabilities who have been suspended or expelled from school.

“(B) LIMITATION.—The obligation to make a free appropriate public education available to all children with disabilities does not apply with respect to children:

“(i) aged 3 through 5 and 18 through 21 in a State to the extent that its application to those children would be inconsistent with State law or practice, or the order of any court, respecting the provision of public education to children in those age ranges; and

“(ii) aged 18 through 21 to the extent that State law does not require that special education and related services under this part be provided to children with disabilities who, in the educational placement prior to their incarceration in an adult correctional facility:

“(I) were not actually identified as being a child with a disability under section 602(3) of this Act; or

“(II) did not have an individualized education program under this part.

“(2) FULL EDUCATIONAL OPPORTUNITY GOAL.—The State has established a goal of providing full educational opportunity to all children with disabilities and a detailed timetable for accomplishing that goal.

“(3) CHILD FIND.—

“(A) IN GENERAL.—All children with disabilities residing in the State, including children with disabilities attending private schools, regardless of the severity of their disabilities, and who are in need of special education and related services, are identified, located, and evaluated and a practical method is developed and implemented to determine which children with disabilities are currently receiving needed special education and related services.

“(B) CONSTRUCTION.—Nothing in this Act requires that children be classified by their disability so long as each child who has a disability listed in section 602 and who, by reason of that disability, needs special education and related services is regarded as a child with a disability under this part.

“(4) INDIVIDUALIZED EDUCATION PROGRAM.—An individualized education program, or an individualized family service plan that meets the requirements of section 636(d), is developed, reviewed, and revised for each child with a disability in accordance with section 614(d).

“(5) LEAST RESTRICTIVE ENVIRONMENT.—

“(A) IN GENERAL.—To the maximum extent appropriate, children with disabilities, including children in public or private institutions or other care facilities, are educated with children who are not disabled, and special classes, separate schooling, or other removal of children with disabilities from the regular educational environment occurs only when the nature or severity of the disability of a child is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.

“(B) ADDITIONAL REQUIREMENT.—

“(i) IN GENERAL.—If the State uses a funding mechanism by which the State distributes State funds on the basis of the type of setting in which a child is served, the funding mechanism does not result in placements that violate the requirements of subparagraph (A).

“(ii) ASSURANCE.—If the State does not have policies and procedures to ensure compliance with clause (i), the State shall provide the Secretary an assurance that it will revise the funding mechanism as soon as feasible to ensure that such mechanism does not result in such placements.

“(6) PROCEDURAL SAFEGUARDS.—

“(A) IN GENERAL.—Children with disabilities and their parents are afforded the procedural safeguards required by section 615.

“(B) ADDITIONAL PROCEDURAL SAFEGUARDS.—Procedures to ensure that testing and evaluation materials and procedures utilized for the purposes of evaluation and placement of children with disabilities will be selected and administered so as not to be racially or culturally discriminatory. Such materials or procedures shall be provided and administered in the child’s native language or mode of communication, unless it clearly is not feasible to do so, and no single procedure shall be the sole criterion for determining an appropriate educational program for a child.

“(7) EVALUATION.—Children with disabilities are evaluated in accordance with subsections (a) through (c) of section 614.

“(8) CONFIDENTIALITY.—Agencies in the State comply with section 617(c) (relating to the confidentiality of records and information).

“(9) TRANSITION FROM PART C TO PRESCHOOL PROGRAMS.—Children participating in early-intervention programs assisted under part C, and who will participate in preschool programs assisted under this part, experience a smooth and effective transition to those preschool programs in a manner consistent with section 637(a)(8). By the third birthday of such a child, an individualized education program or, if consistent with sections 614(d)(2)(B) and 636(d), an individualized family service plan, has been developed and is being implemented for the child. The local educational agency will participate in transition planning conferences arranged by the designated lead agency under section 637(a)(8).

“(10) CHILDREN IN PRIVATE SCHOOLS.—

“(A) CHILDREN ENROLLED IN PRIVATE SCHOOLS BY THEIR PARENTS.—

“(i) IN GENERAL.—To the extent consistent with the number and location of children with disabilities in the State who are enrolled by their parents in private elementary and secondary schools, provision is made for the participation of those children in the program assisted or carried out under this part by providing for such children special education and related services in accordance with the following requirements, unless the Secretary has arranged for services to those children under subsection (f):

“(I) Amounts expended for the provision of those services by a local educational agency shall be equal to a proportionate amount of Federal funds made available under this part.

“(II) Such services may be provided to children with disabilities on the premises of private, including parochial, schools, to the extent consistent with law.

“(ii) CHILD-FIND REQUIREMENT.—The requirements of paragraph (3) of this subsection (relating to child find) shall apply with respect to children with disabilities in the State who are enrolled in private, including parochial, elementary and secondary schools.

“(B) CHILDREN PLACED IN, OR REFERRED TO, PRIVATE SCHOOLS BY PUBLIC AGENCIES.—

“(i) IN GENERAL.—Children with disabilities in private schools and facilities are provided special education and related services, in accordance with an individualized education program, at no cost to their parents, if such children are placed in, or referred to, such schools or facilities by the State or appropriate local educational agency as the means of carrying out the requirements of this part or any other applicable law requiring the provision of special education and related services to all children with disabilities within such State.

“(ii) STANDARDS.—In all cases described in clause (i), the State educational agency shall determine whether such schools and facilities meet standards that apply to State and local educational agencies and that children so served have all the rights they would have if served by such agencies.

“(C) PAYMENT FOR EDUCATION OF CHILDREN ENROLLED IN PRIVATE SCHOOLS WITHOUT CONSENT OF OR REFERRAL BY THE PUBLIC AGENCY.—

“(i) IN GENERAL.—Subject to subparagraph (A), this part does not require a local educational agency to pay for the cost of education, including special education and related services, of a child with a disability at a private school or facility if that agency made a free appropriate public education available to the child and the parents elected to place the child in such private school or facility.

“(ii) REIMBURSEMENT FOR PRIVATE SCHOOL PLACEMENT.—If the parents of a child with a disability, who previously received special education and related services under the authority of a public agency, enroll the child in a private elementary or secondary school without the consent of or referral by the public agency, a court or a hearing officer may require the agency to reimburse the parents for the cost of that enrollment if the court or hearing officer finds that the agency had not made a free appropriate public education available to the child in a timely manner prior to that enrollment.

“(iii) LIMITATION ON REIMBURSEMENT.—The cost of reimbursement described in clause (ii) may be reduced or denied—

“(I) if—

“(aa) at the most recent IEP meeting that the parents attended prior to removal of the child from the public school, the parents did not inform the IEP Team that they were rejecting the placement proposed by the public agency to provide a free appropriate public education to their child, including stating their concerns and their intent to enroll their child in a private school at public expense; or

“(bb) 10 business days (including any holidays that occur on a business day) prior to the removal of the child from the public school, the parents did not give written notice to the

public agency of the information described in division (aa);

“(II) if, prior to the parents’ removal of the child from the public school, the public agency informed the parents, through the notice requirements described in section 615(b)(7), of its intent to evaluate the child (including a statement of the purpose of the evaluation that was appropriate and reasonable), but the parents did not make the child available for such evaluation; or

“(III) upon a judicial finding of unreasonableness with respect to actions taken by the parents.

“(iv) EXCEPTION.—Notwithstanding the notice requirement in clause (iii)(I), the cost of reimbursement may not be reduced or denied for failure to provide such notice if—

“(I) the parent is illiterate and cannot write in English;

“(II) compliance with clause (iii)(I) would likely result in physical or serious emotional harm to the child;

“(III) the school prevented the parent from providing such notice; or

“(IV) the parents had not received notice, pursuant to section 615, of the notice requirement in clause (iii)(I).

“(11) STATE EDUCATIONAL AGENCY RESPONSIBLE FOR GENERAL SUPERVISION.—

“(A) IN GENERAL.—The State educational agency is responsible for ensuring that—

“(i) the requirements of this part are met; and

“(ii) all educational programs for children with disabilities in the State, including all such programs administered by any other State or local agency—

“(I) are under the general supervision of individuals in the State who are responsible for educational programs for children with disabilities; and

“(II) meet the educational standards of the State educational agency.

“(B) LIMITATION.—Subparagraph (A) shall not limit the responsibility of agencies in the State other than the State educational agency to provide, or pay for some or all of the costs of, a free appropriate public education for any child with a disability in the State.

“(C) EXCEPTION.—Notwithstanding subparagraphs (A) and (B), the Governor (or another individual pursuant to State law), consistent with State law, may assign to any public agency in the State the responsibility of ensuring that the requirements of this part are met with respect to children with disabilities who are convicted as adults under State law and incarcerated in adult prisons.

“(12) OBLIGATIONS RELATED TO AND METHODS OF ENSURING SERVICES.—

“(A) ESTABLISHING RESPONSIBILITY FOR SERVICES.—The Chief Executive Officer or designee of the officer shall

ensure that an interagency agreement or other mechanism for interagency coordination is in effect between each public agency described in subparagraph (B) and the State educational agency, in order to ensure that all services described in subparagraph (B)(i) that are needed to ensure a free appropriate public education are provided, including the provision of such services during the pendency of any dispute under clause (iii). Such agreement or mechanism shall include the following:

“(i) AGENCY FINANCIAL RESPONSIBILITY.—An identification of, or a method for defining, the financial responsibility of each agency for providing services described in subparagraph (B)(i) to ensure a free appropriate public education to children with disabilities, provided that the financial responsibility of each public agency described in subparagraph (B), including the State Medicaid agency and other public insurers of children with disabilities, shall precede the financial responsibility of the local educational agency (or the State agency responsible for developing the child’s IEP).

“(ii) CONDITIONS AND TERMS OF REIMBURSEMENT.—The conditions, terms, and procedures under which a local educational agency shall be reimbursed by other agencies.

“(iii) INTERAGENCY DISPUTES.—Procedures for resolving interagency disputes (including procedures under which local educational agencies may initiate proceedings) under the agreement or other mechanism to secure reimbursement from other agencies or otherwise implement the provisions of the agreement or mechanism.

“(iv) COORDINATION OF SERVICES PROCEDURES.—Policies and procedures for agencies to determine and identify the interagency coordination responsibilities of each agency to promote the coordination and timely and appropriate delivery of services described in subparagraph (B)(i).

“(B) OBLIGATION OF PUBLIC AGENCY.—

“(i) IN GENERAL.—If any public agency other than an educational agency is otherwise obligated under Federal or State law, or assigned responsibility under State policy or pursuant to subparagraph (A), to provide or pay for any services that are also considered special education or related services (such as, but not limited to, services described in sections 602(1) relating to assistive technology devices, 602(2) relating to assistive technology services, 602(22) relating to related services, 602(29) relating to supplementary aids and services, and 602(30) relating to transition services) that are necessary for ensuring a free appropriate public education to children with disabilities within the State, such public agency shall fulfill that obligation or responsibility, either directly or through contract or other arrangement.

“(ii) REIMBURSEMENT FOR SERVICES BY PUBLIC AGENCY.—If a public agency other than an educational

agency fails to provide or pay for the special education and related services described in clause (i), the local educational agency (or State agency responsible for developing the child's IEP) shall provide or pay for such services to the child. Such local educational agency or State agency may then claim reimbursement for the services from the public agency that failed to provide or pay for such services and such public agency shall reimburse the local educational agency or State agency pursuant to the terms of the inter-agency agreement or other mechanism described in subparagraph (A)(i) according to the procedures established in such agreement pursuant to subparagraph (A)(ii).

“(C) SPECIAL RULE.—The requirements of subparagraph (A) may be met through—

“(i) state statute or regulation;

“(ii) signed agreements between respective agency officials that clearly identify the responsibilities of each agency relating to the provision of services; or

“(iii) other appropriate written methods as determined by the Chief Executive Officer of the State or designee of the officer.

“(13) PROCEDURAL REQUIREMENTS RELATING TO LOCAL EDUCATIONAL AGENCY ELIGIBILITY.—The State educational agency will not make a final determination that a local educational agency is not eligible for assistance under this part without first affording that agency reasonable notice and an opportunity for a hearing.

“(14) COMPREHENSIVE SYSTEM OF PERSONNEL DEVELOPMENT.—The State has in effect, consistent with the purposes of this Act and with section 635(a)(8), a comprehensive system of personnel development that is designed to ensure an adequate supply of qualified special education, regular education, and related services personnel that meets the requirements for a State improvement plan relating to personnel development in subsections (b)(2)(B) and (c)(3)(D) of section 653.

“(15) PERSONNEL STANDARDS.—

“(A) IN GENERAL.—The State educational agency has established and maintains standards to ensure that personnel necessary to carry out this part are appropriately and adequately prepared and trained.

“(B) STANDARDS DESCRIBED.—Such standards shall—

“(i) be consistent with any State-approved or State-recognized certification, licensing, registration, or other comparable requirements that apply to the professional discipline in which those personnel are providing special education or related services;

“(ii) to the extent the standards described in subparagraph (A) are not based on the highest requirements in the State applicable to a specific profession or discipline, the State is taking steps to require retraining or hiring of personnel that meet appropriate professional requirements in the State; and

“(iii) allow paraprofessionals and assistants who are appropriately trained and supervised, in accordance with State law, regulations, or written policy,

in meeting the requirements of this part to be used to assist in the provision of special education and related services to children with disabilities under this part.

“(C) POLICY.—In implementing this paragraph, a State may adopt a policy that includes a requirement that local educational agencies in the State make an ongoing good-faith effort to recruit and hire appropriately and adequately trained personnel to provide special education and related services to children with disabilities, including, in a geographic area of the State where there is a shortage of such personnel, the most qualified individuals available who are making satisfactory progress toward completing applicable course work necessary to meet the standards described in subparagraph (B)(i), consistent with State law, and the steps described in subparagraph (B)(ii) within three years.

“(16) PERFORMANCE GOALS AND INDICATORS.—The State—
“(A) has established goals for the performance of children with disabilities in the State that—

“(i) will promote the purposes of this Act, as stated in section 601(d); and

“(ii) are consistent, to the maximum extent appropriate, with other goals and standards for children established by the State;

“(B) has established performance indicators the State will use to assess progress toward achieving those goals that, at a minimum, address the performance of children with disabilities on assessments, drop-out rates, and graduation rates;

“(C) will, every two years, report to the Secretary and the public on the progress of the State, and of children with disabilities in the State, toward meeting the goals established under subparagraph (A); and

“(D) based on its assessment of that progress, will revise its State improvement plan under subpart 1 of part D as may be needed to improve its performance, if the State receives assistance under that subpart.

Reports.

“(17) PARTICIPATION IN ASSESSMENTS.—

“(A) IN GENERAL.—Children with disabilities are included in general State and district-wide assessment programs, with appropriate accommodations, where necessary. As appropriate, the State or local educational agency—

“(i) develops guidelines for the participation of children with disabilities in alternate assessments for those children who cannot participate in State and district-wide assessment programs; and

“(ii) develops and, beginning not later than July 1, 2000, conducts those alternate assessments.

“(B) REPORTS.—The State educational agency makes available to the public, and reports to the public with the same frequency and in the same detail as it reports on the assessment of nondisabled children, the following:

“(i) The number of children with disabilities participating in regular assessments.

“(ii) The number of those children participating in alternate assessments.

“(iii)(I) The performance of those children on regular assessments (beginning not later than July 1, 1998) and on alternate assessments (not later than July 1, 2000), if doing so would be statistically sound and would not result in the disclosure of performance results identifiable to individual children.

“(II) Data relating to the performance of children described under subclause (I) shall be disaggregated—

“(aa) for assessments conducted after July 1, 1998; and

“(bb) for assessments conducted before July 1, 1998, if the State is required to disaggregate such data prior to July 1, 1998.

“(18) SUPPLEMENTATION OF STATE, LOCAL, AND OTHER FEDERAL FUNDS.—

“(A) EXPENDITURES.—Funds paid to a State under this part will be expended in accordance with all the provisions of this part.

“(B) PROHIBITION AGAINST COMMINGLING.—Funds paid to a State under this part will not be commingled with State funds.

“(C) PROHIBITION AGAINST SUPPLANTATION AND CONDITIONS FOR WAIVER BY SECRETARY.—Except as provided in section 613, funds paid to a State under this part will be used to supplement the level of Federal, State, and local funds (including funds that are not under the direct control of State or local educational agencies) expended for special education and related services provided to children with disabilities under this part and in no case to supplant such Federal, State, and local funds, except that, where the State provides clear and convincing evidence that all children with disabilities have available to them a free appropriate public education, the Secretary may waive, in whole or in part, the requirements of this subparagraph if the Secretary concurs with the evidence provided by the State.

“(19) MAINTENANCE OF STATE FINANCIAL SUPPORT.—

“(A) IN GENERAL.—The State does not reduce the amount of State financial support for special education and related services for children with disabilities, or otherwise made available because of the excess costs of educating those children, below the amount of that support for the preceding fiscal year.

“(B) REDUCTION OF FUNDS FOR FAILURE TO MAINTAIN SUPPORT.—The Secretary shall reduce the allocation of funds under section 611 for any fiscal year following the fiscal year in which the State fails to comply with the requirement of subparagraph (A) by the same amount by which the State fails to meet the requirement.

“(C) WAIVERS FOR EXCEPTIONAL OR UNCONTROLLABLE CIRCUMSTANCES.—The Secretary may waive the requirement of subparagraph (A) for a State, for one fiscal year at a time, if the Secretary determines that—

“(i) granting a waiver would be equitable due to exceptional or uncontrollable circumstances such as a natural disaster or a precipitous and unforeseen decline in the financial resources of the State; or

“(ii) the State meets the standard in paragraph (18)(C) of this section for a waiver of the requirement to supplement, and not to supplant, funds received under this part.

“(D) SUBSEQUENT YEARS.—If, for any year, a State fails to meet the requirement of subparagraph (A), including any year for which the State is granted a waiver under subparagraph (C), the financial support required of the State in future years under subparagraph (A) shall be the amount that would have been required in the absence of that failure and not the reduced level of the State’s support.

“(E) REGULATIONS.—

“(i) The Secretary shall, by regulation, establish procedures (including objective criteria and consideration of the results of compliance reviews of the State conducted by the Secretary) for determining whether to grant a waiver under subparagraph (C)(ii).

“(ii) The Secretary shall publish proposed regulations under clause (i) not later than 6 months after the date of the enactment of the Individuals with Disabilities Education Act Amendments of 1997, and shall issue final regulations under clause (i) not later than 1 year after such date of enactment.

“(20) PUBLIC PARTICIPATION.—Prior to the adoption of any policies and procedures needed to comply with this section (including any amendments to such policies and procedures), the State ensures that there are public hearings, adequate notice of the hearings, and an opportunity for comment available to the general public, including individuals with disabilities and parents of children with disabilities.

“(21) STATE ADVISORY PANEL.—

“(A) IN GENERAL.—The State has established and maintains an advisory panel for the purpose of providing policy guidance with respect to special education and related services for children with disabilities in the State.

“(B) MEMBERSHIP.—Such advisory panel shall consist of members appointed by the Governor, or any other official authorized under State law to make such appointments, that is representative of the State population and that is composed of individuals involved in, or concerned with, the education of children with disabilities, including—

“(i) parents of children with disabilities;

“(ii) individuals with disabilities;

“(iii) teachers;

“(iv) representatives of institutions of higher education that prepare special education and related services personnel;

“(v) State and local education officials;

“(vi) administrators of programs for children with disabilities;

“(vii) representatives of other State agencies involved in the financing or delivery of related services to children with disabilities;

“(viii) representatives of private schools and public charter schools;

“(ix) at least one representative of a vocational, community, or business organization concerned with the provision of transition services to children with disabilities; and

“(x) representatives from the State juvenile and adult corrections agencies.

“(C) SPECIAL RULE.—A majority of the members of the panel shall be individuals with disabilities or parents of children with disabilities.

“(D) DUTIES.—The advisory panel shall—

“(i) advise the State educational agency of unmet needs within the State in the education of children with disabilities;

“(ii) comment publicly on any rules or regulations proposed by the State regarding the education of children with disabilities;

“(iii) advise the State educational agency in developing evaluations and reporting on data to the Secretary under section 618;

“(iv) advise the State educational agency in developing corrective action plans to address findings identified in Federal monitoring reports under this part; and

“(v) advise the State educational agency in developing and implementing policies relating to the coordination of services for children with disabilities.

“(22) SUSPENSION AND EXPULSION RATES.—

“(A) IN GENERAL.—The State educational agency examines data to determine if significant discrepancies are occurring in the rate of long-term suspensions and expulsions of children with disabilities—

“(i) among local educational agencies in the State; or

“(ii) compared to such rates for nondisabled children within such agencies.

“(B) REVIEW AND REVISION OF POLICIES.—If such discrepancies are occurring, the State educational agency reviews and, if appropriate, revises (or requires the affected State or local educational agency to revise) its policies, procedures, and practices relating to the development and implementation of IEPs, the use of behavioral interventions, and procedural safeguards, to ensure that such policies, procedures, and practices comply with this Act.

“(b) STATE EDUCATIONAL AGENCY AS PROVIDER OF FREE APPROPRIATE PUBLIC EDUCATION OR DIRECT SERVICES.—If the State educational agency provides free appropriate public education to children with disabilities, or provides direct services to such children, such agency—

“(1) shall comply with any additional requirements of section 613(a), as if such agency were a local educational agency; and

“(2) may use amounts that are otherwise available to such agency under this part to serve those children without regard to section 613(a)(2)(A)(i) (relating to excess costs).

“(c) EXCEPTION FOR PRIOR STATE PLANS.—

“(1) IN GENERAL.—If a State has on file with the Secretary policies and procedures that demonstrate that such State meets

any requirement of subsection (a), including any policies and procedures filed under this part as in effect before the effective date of the Individuals with Disabilities Education Act Amendments of 1997, the Secretary shall consider such State to have met such requirement for purposes of receiving a grant under this part.

“(2) MODIFICATIONS MADE BY STATE.—Subject to paragraph (3), an application submitted by a State in accordance with this section shall remain in effect until the State submits to the Secretary such modifications as the State deems necessary. This section shall apply to a modification to an application to the same extent and in the same manner as this section applies to the original plan.

Applicability.

“(3) MODIFICATIONS REQUIRED BY THE SECRETARY.—If, after the effective date of the Individuals with Disabilities Education Act Amendments of 1997, the provisions of this Act are amended (or the regulations developed to carry out this Act are amended), or there is a new interpretation of this Act by a Federal court or a State’s highest court, or there is an official finding of noncompliance with Federal law or regulations, the Secretary may require a State to modify its application only to the extent necessary to ensure the State’s compliance with this part.

“(d) APPROVAL BY THE SECRETARY.—

“(1) IN GENERAL.—If the Secretary determines that a State is eligible to receive a grant under this part, the Secretary shall notify the State of that determination.

“(2) NOTICE AND HEARING.—The Secretary shall not make a final determination that a State is not eligible to receive a grant under this part until after providing the State—

“(A) with reasonable notice; and

“(B) with an opportunity for a hearing.

“(e) ASSISTANCE UNDER OTHER FEDERAL PROGRAMS.—Nothing in this title permits a State to reduce medical and other assistance available, or to alter eligibility, under titles V and XIX of the Social Security Act with respect to the provision of a free appropriate public education for children with disabilities in the State.

“(f) BY-PASS FOR CHILDREN IN PRIVATE SCHOOLS.—

“(1) IN GENERAL.—If, on the date of enactment of the Education of the Handicapped Act Amendments of 1983, a State educational agency is prohibited by law from providing for the participation in special programs of children with disabilities enrolled in private elementary and secondary schools as required by subsection (a)(10)(A), the Secretary shall, notwithstanding such provision of law, arrange for the provision of services to such children through arrangements which shall be subject to the requirements of such subsection.

“(2) PAYMENTS.—

“(A) DETERMINATION OF AMOUNTS.—If the Secretary arranges for services pursuant to this subsection, the Secretary, after consultation with the appropriate public and private school officials, shall pay to the provider of such services for a fiscal year an amount per child that does not exceed the amount determined by dividing—

“(i) the total amount received by the State under this part for such fiscal year; by

“(ii) the number of children with disabilities served in the prior year, as reported to the Secretary by the State under section 618.

“(B) WITHHOLDING OF CERTAIN AMOUNTS.—Pending final resolution of any investigation or complaint that could result in a determination under this subsection, the Secretary may withhold from the allocation of the affected State educational agency the amount the Secretary estimates would be necessary to pay the cost of services described in subparagraph (A).

“(C) PERIOD OF PAYMENTS.—The period under which payments are made under subparagraph (A) shall continue until the Secretary determines that there will no longer be any failure or inability on the part of the State educational agency to meet the requirements of subsection (a)(10)(A).

“(3) NOTICE AND HEARING.—

“(A) IN GENERAL.—The Secretary shall not take any final action under this subsection until the State educational agency affected by such action has had an opportunity, for at least 45 days after receiving written notice thereof, to submit written objections and to appear before the Secretary or the Secretary’s designee to show cause why such action should not be taken.

“(B) REVIEW OF ACTION.—If a State educational agency is dissatisfied with the Secretary’s final action after a proceeding under subparagraph (A), such agency may, not later than 60 days after notice of such action, file with the United States court of appeals for the circuit in which such State is located a petition for review of that action. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Secretary. “SEC. 613. LOCAL EDUCATIONAL AGENCY ELIGIBILITY.

20 USC 1413.

“(a) IN GENERAL.—A local educational agency is eligible for assistance under this part for a fiscal year if such agency demonstrates to the satisfaction of the State educational agency that it meets each of the following conditions:

“(1) CONSISTENCY WITH STATE POLICIES.—The local educational agency, in providing for the education of children with disabilities within its jurisdiction, has in effect policies, procedures, and programs that are consistent with the State policies and procedures established under section 612.

“(2) USE OF AMOUNTS.—

“(A) IN GENERAL.—Amounts provided to the local educational agency under this part shall be expended in accordance with the applicable provisions of this part and—

“(i) shall be used only to pay the excess costs of providing special education and related services to children with disabilities;

“(ii) shall be used to supplement State, local, and other Federal funds and not to supplant such funds; and

“(iii) shall not be used, except as provided in subparagraphs (B) and (C), to reduce the level of expenditures for the education of children with disabilities made by the local educational agency from local funds below the level of those expenditures for the preceding fiscal year.

“(B) EXCEPTION.—Notwithstanding the restriction in subparagraph (A)(iii), a local educational agency may reduce the level of expenditures where such reduction is attributable to—

“(i) the voluntary departure, by retirement or otherwise, or departure for just cause, of special education personnel;

“(ii) a decrease in the enrollment of children with disabilities;

“(iii) the termination of the obligation of the agency, consistent with this part, to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the State educational agency, because the child—

“(I) has left the jurisdiction of the agency;

“(II) has reached the age at which the obligation of the agency to provide a free appropriate public education to the child has terminated; or

“(III) no longer needs such program of special education; or

“(iv) the termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.

“(C) TREATMENT OF FEDERAL FUNDS IN CERTAIN FISCAL YEARS.—

“(i) Notwithstanding clauses (ii) and (iii) of subparagraph (A), for any fiscal year for which amounts appropriated to carry out section 611 exceeds \$4,100,000,000, a local educational agency may treat as local funds, for the purpose of such clauses, up

to 20 percent of the amount of funds it receives under this part that exceeds the amount it received under this part for the previous fiscal year.

“(ii) Notwithstanding clause (i), if a State educational agency determines that a local educational agency is not meeting the requirements of this part, the State educational agency may prohibit the local educational agency from treating funds received under this part as local funds under clause (i) for any fiscal year, only if it is authorized to do so by the State constitution or a State statute.

“(D) SCHOOLWIDE PROGRAMS UNDER TITLE I OF THE ESEA.—Notwithstanding subparagraph (A) or any other provision of this part, a local educational agency may use funds received under this part for any fiscal year to carry out a schoolwide program under section 1114 of the Elementary and Secondary Education Act of 1965, except that the amount so used in any such program shall not exceed—

“(i) the number of children with disabilities participating in the schoolwide program; multiplied by

“(ii)(I) the amount received by the local educational agency under this part for that fiscal year; divided by

“(II) the number of children with disabilities in the jurisdiction of that agency.

“(3) PERSONNEL DEVELOPMENT.—The local educational agency—

“(A) shall ensure that all personnel necessary to carry out this part are appropriately and adequately prepared, consistent with the requirements of section 653(c)(3)(D); and

“(B) to the extent such agency determines appropriate, shall contribute to and use the comprehensive system of personnel development of the State established under section 612(a)(14).

“(4) PERMISSIVE USE OF FUNDS.—Notwithstanding paragraph (2)(A) or section 612(a)(18)(B) (relating to commingled funds), funds provided to the local educational agency under this part may be used for the following activities:

“(A) SERVICES AND AIDS THAT ALSO BENEFIT NON-DISABLED CHILDREN.—For the costs of special education and related services and supplementary aids and services provided in a regular class or other education-related setting to a child with a disability in accordance with the individualized education program of the child, even if one or more nondisabled children benefit from such services.

“(B) INTEGRATED AND COORDINATED SERVICES SYSTEM.—To develop and implement a fully integrated and coordinated services system in accordance with subsection (f).

“(5) TREATMENT OF CHARTER SCHOOLS AND THEIR STUDENTS.—In carrying out this part with respect to charter schools that are public schools of the local educational agency, the local educational agency—

“(A) serves children with disabilities attending those schools in the same manner as it serves children with disabilities in its other schools; and

“(B) provides funds under this part to those schools in the same manner as it provides those funds to its other schools.

“(6) INFORMATION FOR STATE EDUCATIONAL AGENCY.—The local educational agency shall provide the State educational agency with information necessary to enable the State educational agency to carry out its duties under this part, including, with respect to paragraphs (16) and (17) of section 612(a), information relating to the performance of children with disabilities participating in programs carried out under this part.

“(7) PUBLIC INFORMATION.—The local educational agency shall make available to parents of children with disabilities and to the general public all documents relating to the eligibility of such agency under this part.

“(b) EXCEPTION FOR PRIOR LOCAL PLANS.—

“(1) IN GENERAL.—If a local educational agency or State agency has on file with the State educational agency policies and procedures that demonstrate that such local educational agency, or such State agency, as the case may be, meets any requirement of subsection (a), including any policies and procedures filed under this part as in effect before the effective date of the Individuals with Disabilities Education Act Amendments of 1997, the State educational agency shall consider such local educational agency or State agency, as the case may be, to have met such requirement for purposes of receiving assistance under this part.

“(2) MODIFICATION MADE BY LOCAL EDUCATIONAL AGENCY.—Subject to paragraph (3), an application submitted by a local educational agency in accordance with this section shall remain in effect until it submits to the State educational agency such modifications as the local educational agency deems necessary.

“(3) MODIFICATIONS REQUIRED BY STATE EDUCATIONAL AGENCY.—If, after the effective date of the Individuals with Disabilities Education Act Amendments of 1997, the provisions of this Act are amended (or the regulations developed to carry out this Act are amended), or there is a new interpretation of this Act by Federal or State courts, or there is an official finding of noncompliance with Federal or State law or regulations, the State educational agency may require a local educational agency to modify its application only to the extent necessary to ensure the local educational agency’s compliance with this part or State law.

“(c) NOTIFICATION OF LOCAL EDUCATIONAL AGENCY OR STATE AGENCY IN CASE OF INELIGIBILITY.—If the State educational agency determines that a local educational agency or State agency is not eligible under this section, the State educational agency shall notify the local educational agency or State agency, as the case may be, of that determination and shall provide such local educational agency or State agency with reasonable notice and an opportunity for a hearing.

“(d) LOCAL EDUCATIONAL AGENCY COMPLIANCE.—

“(1) IN GENERAL.—If the State educational agency, after reasonable notice and an opportunity for a hearing, finds that

a local educational agency or State agency that has been determined to be eligible under this section is failing to comply with any requirement described in subsection (a), the State educational agency shall reduce or shall not provide any further payments to the local educational agency or State agency until the State educational agency is satisfied that the local educational agency or State agency, as the case may be, is complying with that requirement.

“(2) ADDITIONAL REQUIREMENT.—Any State agency or local educational agency in receipt of a notice described in paragraph (1) shall, by means of public notice, take such measures as may be necessary to bring the pendency of an action pursuant to this subsection to the attention of the public within the jurisdiction of such agency.

“(3) CONSIDERATION.—In carrying out its responsibilities under paragraph (1), the State educational agency shall consider any decision made in a hearing held under section 615 that is adverse to the local educational agency or State agency involved in that decision.

“(e) JOINT ESTABLISHMENT OF ELIGIBILITY.—

“(1) JOINT ESTABLISHMENT.—

“(A) IN GENERAL.—A State educational agency may require a local educational agency to establish its eligibility jointly with another local educational agency if the State educational agency determines that the local educational agency would be ineligible under this section because the local educational agency would not be able to establish and maintain programs of sufficient size and scope to effectively meet the needs of children with disabilities.

“(B) CHARTER SCHOOL EXCEPTION.—A State educational agency may not require a charter school that is a local educational agency to jointly establish its eligibility under subparagraph (A) unless it is explicitly permitted to do so under the State’s charter school statute.

“(2) AMOUNT OF PAYMENTS.—If a State educational agency requires the joint establishment of eligibility under paragraph (1), the total amount of funds made available to the affected local educational agencies shall be equal to the sum of the payments that each such local educational agency would have received under section 611(g) if such agencies were eligible for such payments.

“(A) adopt policies and procedures that are consistent with the State’s policies and procedures under section 612(a); and

“(B) be jointly responsible for implementing programs that receive assistance under this part.

“(4) REQUIREMENTS FOR EDUCATIONAL SERVICE AGENCIES.—

“(A) IN GENERAL.—If an educational service agency is required by State law to carry out programs under this part, the joint responsibilities given to local educational agencies under this subsection shall—

“(i) not apply to the administration and disbursement of any payments received by that educational service agency; and

“(ii) be carried out only by that educational service agency.

“(B) ADDITIONAL REQUIREMENT.—Notwithstanding any other provision of this subsection, an educational service agency shall provide for the education of children with disabilities in the least restrictive environment, as required by section 612(a)(5).

“(f) COORDINATED SERVICES SYSTEM.—

“(1) IN GENERAL.—A local educational agency may not use more than 5 percent of the amount such agency receives under this part for any fiscal year, in combination with other amounts (which shall include amounts other than education funds), to develop and implement a coordinated services system designed to improve results for children and families, including children with disabilities and their families.

“(2) ACTIVITIES.—In implementing a coordinated services system under this subsection, a local educational agency may carry out activities that include—

“(A) improving the effectiveness and efficiency of service delivery, including developing strategies that promote accountability for results;

“(B) service coordination and case management that facilitates the linkage of individualized education programs under this part and individualized family service plans under part C with individualized service plans under multiple Federal and State programs, such as title I of the Rehabilitation Act of 1973 (vocational rehabilitation), title XIX of the Social Security Act (Medicaid), and title XVI of the Social Security Act (supplemental security income);

“(B) RESPONSIBILITY OF LOCAL EDUCATIONAL AGENCY.—If a State educational agency grants the authority described in subparagraph (A), a local educational agency that is granted such authority shall have the sole responsibility of oversight of all activities relating to the design, implementation, and evaluation of any school-based improvement plan that a public school is permitted to design under this subsection.

“(3) PLAN REQUIREMENTS.—A school-based improvement plan described in paragraph (1) shall—

“(A) be designed to be consistent with the purposes described in section 651(b) and to improve educational and transitional results for all children with disabilities and, as appropriate, for other children consistent with subparagraphs (A) and (B) of subsection (a)(4), who attend the school for which the plan is designed and implemented;

“(ii) a majority of parents of children who are members of the school-based standing panel, and a majority of other members of the school-based standing panel, that designed such plan agree in writing to such plan.

“(7) EXTENSION OF PLAN.—If a public school within the jurisdiction of a local educational agency meets the applicable requirements and criteria described in paragraphs (3) and (4) at the expiration of the 3-year approval period described in

paragraph (6)(B), such agency may approve a school-based improvement plan of such school for an additional 3-year period.

“(h) DIRECT SERVICES BY THE STATE EDUCATIONAL AGENCY.—

“(1) IN GENERAL.—A State educational agency shall use the payments that would otherwise have been available to a local educational agency or to a State agency to provide special education and related services directly to children with disabilities residing in the area served by that local agency, or for whom that State agency is responsible, if the State educational agency determines that the local education agency or State agency, as the case may be—

“(A) has not provided the information needed to establish the eligibility of such agency under this section;

“(B) is unable to establish and maintain programs of free appropriate public education that meet the requirements of subsection (a);

“(C) is unable or unwilling to be consolidated with one or more local educational agencies in order to establish and maintain such programs; or

“(j) DISCIPLINARY INFORMATION.—The State may require that a local educational agency include in the records of a child with a disability a statement of any current or previous disciplinary action that has been taken against the child and transmit such statement to the same extent that such disciplinary information is included in, and transmitted with, the student records of non-disabled children. The statement may include a description of any behavior engaged in by the child that required disciplinary action, a description of the disciplinary action taken, and any other information that is relevant to the safety of the child and other individuals involved with the child. If the State adopts such a policy, and the child transfers from one school to another, the transmission of any of the child's records must include both the child's current individualized education program and any such statement of current or previous disciplinary action that has been taken against the child.

“SEC. 614. EVALUATIONS, ELIGIBILITY DETERMINATIONS, INDIVIDUALIZED EDUCATION PROGRAMS, AND EDUCATIONAL PLACEMENTS. 20 USC 1414.

Parental consent for evaluation shall not be construed as consent for placement for receipt of special education and related services.

“(ii) REFUSAL.—If the parents of such child refuse consent for the evaluation, the agency may continue to pursue an evaluation by utilizing the mediation and due process procedures under section 615, except to the extent inconsistent with State law relating to parental consent.

“(2) REEVALUATIONS.—A local educational agency shall ensure that a reevaluation of each child with a disability is conducted—

“(A) if conditions warrant a reevaluation or if the child’s parent or teacher requests a reevaluation, but at least once every 3 years; and

“(b) EVALUATION PROCEDURES.—

“(2) CONDUCT OF EVALUATION.—In conducting the evaluation, the local educational agency shall—

“(A) use a variety of assessment tools and strategies to gather relevant functional and developmental information, including information provided by the parent, that may assist in determining whether the child is a child with a disability and the content of the child’s individualized education program, including information related to enabling the child to be involved in and progress in the general curriculum or, for preschool children, to participate in appropriate activities;

“(B) not use any single procedure as the sole criterion for determining whether a child is a child with a disability or determining an appropriate educational program for the child; and

“(C) use technically sound instruments that may assess the relative contribution of cognitive and behavioral factors, in addition to physical or developmental factors.

“(3) ADDITIONAL REQUIREMENTS.—Each local educational agency shall ensure that—

“(A) tests and other evaluation materials used to assess a child under this section—

“(D) assessment tools and strategies that provide relevant information that directly assists persons in determining the educational needs of the child are provided.

“(4) DETERMINATION OF ELIGIBILITY.—Upon completion of administration of tests and other evaluation materials—

“(A) the determination of whether the child is a child with a disability as defined in section 602(3) shall be made by a team of qualified professionals and the parent of the child in accordance with paragraph (5); and

“(B) a copy of the evaluation report and the documentation of determination of eligibility will be given to the parent.

“(5) SPECIAL RULE FOR ELIGIBILITY DETERMINATION.—In making a determination of eligibility under paragraph (4)(A), a child shall not be determined to be a child with a disability if the determinant factor for such determination is lack of instruction in reading or math or limited English proficiency.

“(c) ADDITIONAL REQUIREMENTS FOR EVALUATION AND REEVALUATIONS.—

“(1) REVIEW OF EXISTING EVALUATION DATA.—As part of an initial evaluation (if appropriate) and as part of any reevaluation under this section, the IEP Team described in subsection (d)(1)(B) and other qualified professionals, as appropriate, shall—

“(A) review existing evaluation data on the child, including evaluations and information provided by the parents of the child, current classroom-based assessments and observations, and teacher and related services providers observation; and

“(B) on the basis of that review, and input from the child’s parents, identify what additional data, if any, are needed to determine—

“(i) whether the child has a particular category of disability, as described in section 602(3), or, in case of a reevaluation of a child, whether the child continues to have such a disability;

“(ii) the present levels of performance and educational needs of the child;

“(iii) whether the child needs special education and related services, or in the case of a reevaluation of a child, whether the child continues to need special education and related services; and

“(iv) whether any additions or modifications to the special education and related services are needed to enable the child to meet the measurable annual goals set out in the individualized education program of the child and to participate, as appropriate, in the general curriculum.

“(2) SOURCE OF DATA.—The local educational agency shall administer such tests and other evaluation materials as may be needed to produce the data identified by the IEP Team under paragraph (1)(B).

“(3) PARENTAL CONSENT.—Each local educational agency shall obtain informed parental consent, in accordance with subsection (a)(1)(C), prior to conducting any reevaluation of a child with a disability, except that such informed parent consent need not be obtained if the local educational agency can demonstrate that it had taken reasonable measures to obtain such consent and the child’s parent has failed to respond.

“(4) REQUIREMENTS IF ADDITIONAL DATA ARE NOT NEEDED.—If the IEP Team and other qualified professionals, as appropriate, determine that no additional data are needed to determine whether the child continues to be a child with a disability, the local educational agency—

“(A) shall notify the child’s parents of—

“(i) that determination and the reasons for it; and

“(ii) the right of such parents to request an assessment to determine whether the child continues to be a child with a disability; and

“(B) shall not be required to conduct such an assessment unless requested to by the child’s parents.

“(A) IN GENERAL.—If a disciplinary action is contemplated as described in paragraph (1) or paragraph (2) for a behavior of a child with a disability described in either of those paragraphs, or if a disciplinary action involving a change of placement for more than 10 days is contemplated for a child with a disability who has engaged in other behavior that violated any rule or code of conduct of the local educational agency that applies to all children—

“(i) not later than the date on which the decision to take that action is made, the parents shall be notified of that decision and of all procedural safeguards accorded under this section; and

“(B) CURRENT PLACEMENT.—If a child is placed in an interim alternative educational setting pursuant to paragraph (1)(A)(ii) or paragraph (2) and school personnel propose to change the child’s placement after expiration of the interim alternative placement, during the pendency of any proceeding to challenge the proposed change in placement, the child shall remain in the current placement (the child’s placement prior to the interim alternative educational setting), except as provided in subparagraph (C).

“(C) EXPEDITED HEARING.—

“(i) If school personnel maintain that it is dangerous for the child to be in the current placement (placement prior to removal to the interim alternative education setting) during the pendency of the due process proceedings, the local educational agency may request an expedited hearing.

“(ii) In determining whether the child may be placed in the alternative educational setting or in

another appropriate placement ordered by the hearing officer, the hearing officer shall apply the standards set out in paragraph (2).

“(ii) LIMITATIONS.—If a request is made for an evaluation of a child during the time period in which the child is subjected to disciplinary measures under paragraph (1) or (2), the evaluation shall be conducted in an expedited manner. If the child is determined to be a child with a disability, taking into consideration information from the evaluation conducted by the agency and information provided by the parents, the agency shall provide special education and related services in accordance with the provisions of this part, except that, pending the results of the evaluation, the child shall remain in the educational placement determined by school authorities.

“(9) REFERRAL TO AND ACTION BY LAW ENFORCEMENT AND JUDICIAL AUTHORITIES.—

“(1) States are responding with some success to multiple pressures to improve educational and transitional services and results for children with disabilities in response to growing demands imposed by ever-changing factors, such as demographics, social policies, and labor and economic markets.

“(2) In order for States to address such demands and to facilitate lasting systemic change that is of benefit to all students, including children with disabilities, States must involve local educational agencies, parents, individuals with disabilities and their families, teachers and other service providers, and other interested individuals and organizations in carrying out comprehensive strategies to improve educational results for children with disabilities.

“(3) Targeted Federal financial resources are needed to assist States, working in partnership with others, to identify and make needed changes to address the needs of children with disabilities into the next century.

“(4) State educational agencies, in partnership with local educational agencies and other individuals and organizations, are in the best position to identify and design ways to meet emerging and expanding demands to improve education for children with disabilities and to address their special needs.

“(5) Research, demonstration, and practice over the past 20 years in special education and related disciplines have built a foundation of knowledge on which State and local systemic-change activities can now be based.

“(6) Such research, demonstration, and practice in special education and related disciplines have demonstrated that an effective educational system now and in the future must—

“(E) ensure that children with disabilities are provided assistance and support in making transitions as described in section 674(b)(3)(C);

“(F) promote comprehensive programs of professional development to ensure that the persons responsible for the education or a transition of children with disabilities possess the skills and knowledge necessary to address the educational and related needs of those children;

“(G) disseminate to teachers and other personnel serving children with disabilities research-based knowledge about successful teaching practices and models and provide technical assistance to local educational agencies and schools on how to improve results for children with disabilities;

“(H) create school-based disciplinary strategies that will be used to reduce or eliminate the need to use suspension and expulsion as disciplinary options for children with disabilities;

“(I) establish placement-neutral funding formulas and cost-effective strategies for meeting the needs of children with disabilities; and

“(J) involve individuals with disabilities and parents of children with disabilities in planning, implementing, and evaluating systemic-change activities and educational reforms.

“(b) PURPOSE.—The purpose of this subpart is to assist State educational agencies, and their partners referred to in section 652(b), in reforming and improving their systems for providing educational, early intervention, and transitional services, including their systems for professional development, technical assistance, and dissemination of knowledge about best practices, to improve results for children with disabilities.

“Chapter 1—Improving Early Intervention, Educational, and Transitional Services and Results for Children with Disabilities through Coordinated Research and Personnel Preparation

“SEC. 671. FINDINGS AND PURPOSE.

20 USC 1471.

“(a) FINDINGS.—The Congress finds the following:

“(1) The Federal Government has an ongoing obligation to support programs, projects, and activities that contribute to positive results for children with disabilities, enabling them—

“(A) to meet their early intervention, educational, and transitional goals and, to the maximum extent possible, educational standards that have been established for all children; and

“(B) to acquire the skills that will empower them to lead productive and independent adult lives.

“(2)(A) As a result of more than 20 years of Federal support for research, demonstration projects, and personnel preparation, there is an important knowledge base for improving results for children with disabilities.

“(B) Such knowledge should be used by States and local educational agencies to design and implement state-of-the-art educational systems that consider the needs of, and include, children with disabilities, especially in environments in which they can learn along with their peers and achieve results measured by the same standards as the results of their peers.

“(3)(A) Continued Federal support is essential for the development and maintenance of a coordinated and high-quality program of research, demonstration projects, dissemination of information, and personnel preparation.

“(B) Such support—

“(i) enables State educational agencies and local educational agencies to improve their educational systems and results for children with disabilities;

“(ii) enables State and local agencies to improve early intervention services and results for infants and toddlers with disabilities and their families; and

“(iii) enhances the opportunities for general and special education personnel, related services personnel, parents, and paraprofessionals to participate in pre-service and in-service training, to collaborate, and to improve results for children with disabilities and their families.

“(4) The Federal Government plays a critical role in facilitating the availability of an adequate number of qualified personnel—

“(A) to serve effectively the over 5,000,000 children with disabilities;

“(B) to assume leadership positions in administrative and direct-service capacities related to teacher training and research concerning the provision of early intervention services, special education, and related services; and

“(C) to work with children with low-incidence disabilities and their families.

“(5) The Federal Government performs the role described in paragraph (4)—

“(A) by supporting models of personnel development that reflect successful practice, including strategies for recruiting, preparing, and retaining personnel;

“(B) by promoting the coordination and integration of—

“(i) personnel-development activities for teachers of children with disabilities; and

“(ii) other personnel-development activities supported under Federal law, including this chapter;

“(C) by supporting the development and dissemination of information about teaching standards; and

“(D) by promoting the coordination and integration of personnel-development activities through linkage with systemic-change activities within States and nationally.

“(b) PURPOSE.—The purpose of this chapter is to provide Federal funding for coordinated research, demonstration projects, outreach, and personnel-preparation activities that—

“(1) are described in sections 672 through 674;

“(2) are linked with, and promote, systemic change; and

“(3) improve early intervention, educational, and transitional results for children with disabilities.

During the interim period, Phelps Dodge shall provide power to the United States for operation of the pump station and related facilities without charge, and Phelps Dodge shall pay a monthly right-of-way fee to the Tribe of \$5,000 per month, with an annual CPI adjustment from July 23, 1997.

“(E) Any questions regarding the water claims associated with Phelps Dodge’s use of the Upper Eagle Creek Wellfield, its diversions of surface water from Eagle Creek, the San Francisco River, Chase Creek, and/or its use of other water supplies are not addressed in this title. No provision in this subsection shall affect or be construed to affect any claims by the Tribe, the United States, or Phelps Dodge to groundwater or surface water.

“(3) FINAL ARRANGEMENTS AND TERMS.—The interim period described in paragraph (2) shall extend until all conditions set forth in paragraph (3)(B) have been satisfied. At such time, the following final arrangements shall apply, based on the terms set forth below. Such terms shall bind the Tribe, the United States, and Phelps Dodge, and shall be enforceable pursuant to subsection (d)(1) of this Act.

“(A) The United States shall hold the Black River facilities in trust for the Tribe, without cost to the Tribe or the United States.

“(B) Responsibility for operation of the Black River facilities shall be transferred from the United States to the Tribe. The United States shall train Tribal members during the interim period, and the responsibility to operate the Black River facilities shall be transferred upon satisfaction of 2 conditions—

“(i) a finding by the United States that the Tribe has completed necessary training and is qualified to operate the Black River facilities; and

“(ii) execution of the contract described in paragraph (3)(E), which contract shall be executed on or before December 31, 1998. In the event that the contract is not executed by December 31, 1998, the transfer described in this subsection shall occur on December 31, 1998 (so long as condition (i) of this subparagraph has been satisfied), based on application of the contract terms described in paragraph (3)(E), which terms shall be enforceable under this Act. Upon the

approval of the Secretary, the Tribe may contract with third parties to operate the Black River facilities.

“(C) Power lines currently operated by Phelps Dodge on the Tribe’s Reservation, and the right-of-way associated with such power lines, shall be surrendered by Phelps Dodge to the Tribe, without cost to the Tribe. Prior to the surrender of the power lines, the Bureau of Reclamation shall arrange for an inspection of the power lines and associated facilities by a qualified third party and shall obtain a certification that such power lines and facilities are of sound design and are in good working order. Phelps Dodge shall pay for the cost of such inspection and certification. Concurrently with the surrender of the power lines and the right-of-way, Phelps Dodge shall construct a switch station at the boundary of the Reservation at which the Tribe may switch power on or off and shall deliver ownership and control of such switch station to the Tribe. Subsequent to the transfer of the power lines and the right-of-way and the delivery of ownership and control of the switch station to the Tribe, Phelps Dodge shall have no further obligation or liability of any nature with respect to the ownership, operation, or maintenance of the power lines, the right-of-way, or the switch station.

“(D) The Tribe and the United States will enter into an exchange agreement with the Salt River Project which will deliver CAP water controlled by the Tribe to the Salt River Project in return for the diversion of water from the Black River into the Black River facilities. The exchange agreement shall be subject to review and approval by Phelps Dodge, which approval shall not be unreasonably withheld. Notwithstanding any other provision of law, the contract referred to in this subparagraph is ratified and confirmed.

“(E) The Tribe, the United States, and Phelps Dodge will execute a contract covering the lease and delivery of CAP water from the Tribe to Phelps Dodge on the following terms:

“(i) The Tribe will lease to Phelps Dodge 14,000 acre feet of CAP water per year as of the date on which the interim period referred to in paragraph (2) expires. The lease shall be subject to the terms and conditions identified in the Tribal CAP Delivery Contract referenced in section 3706(b). The leased CAP water shall be delivered to Phelps Dodge from the Black River pursuant to the exchange referred to in subparagraph (D) above, based on diversions from the Black River that shall not exceed an annual average of 40 acre feet per day and shall not cause the flow of Black River to fall below 20 cubic feet per second. Such CAP water shall be delivered to Phelps Dodge at that location where the channel of Eagle Creek last exits the Reservation, to be utilized in the Morenci mine complex and the towns of Clifton and Morenci, and at no other location.

“(ii) The leased CAP water shall be junior to the diversion and use of up to 7,300 acre feet per year

from the Black and Salt Rivers by the San Carlos Apache Tribe.

“(iii) The lease will be for a term of 50 years or, if earlier, the date upon which mining activities at the Morenci mine complex cease, with a right to renew for an additional 50 years upon a finding by the Secretary that the water is needed for continued mining activities at the Morenci mine complex. The lease shall have the following financial terms:

“(I) The Tribe will lease CAP water at a cost of \$1,200 per acre foot. Phelps Dodge shall pay to the United States, on behalf of the Tribe, the sum of \$5,000,000 upon the earlier of the execution of the agreement, or upon the expiration of the interim period referred to in paragraph (2) hereof, which amount shall be a prepayment for and applicable to the first 4,166 acre feet of CAP water to be delivered in each year during the term of the lease.

“(II) Phelps Dodge shall pay the United States, on behalf of the Tribe, the sum of \$65 per acre foot per year, with an annual CPI adjustment for the remaining 9,834 acre feet of water to be delivered pursuant to the lease each year. Such payments shall be made in advance on January 1 of each year, with a reconciliation made at year-end, if necessary, in the event that less than 14,000 acre feet of CAP water is diverted from the Black River due to shortages in the CAP system or on the Black River.

“(III) Phelps Dodge shall pay in advance each month the Tribe’s reasonable costs associated with the Tribe’s operation, maintenance, and replacement of the Black River facilities for purposes of delivering water to Phelps Dodge pursuant to the lease, which costs shall be based upon the experience of the Bureau of Reclamation in operating the Black River facilities during the interim period referred to in paragraph (2), subject to an annual CPI adjustment, and providing for a credit for power provided by Phelps Dodge to the Tribe. In addition, Phelps Dodge shall pay a monthly fee of \$30,000 to the United States, on behalf of the Tribe, to account for the use of the Tribe’s distribution system.

“(IV) Phelps Dodge shall pay the United States operation, maintenance, and replacement charges associated with the leased CAP water and such reasonable interconnection charges as may be imposed by Salt River Project in connection with the exchange referred to in subparagraph (D) above.

“(iv) Notwithstanding the provisions of section 3707(b), any moneys, except Black River facilities OM&R, CAP OM&R and any charges associated with an exchange agreement with Salt River Project, paid to the United States on behalf of the Tribe from the

lease referred to under paragraph (3)(D)(iii) shall be held in trust by the United States for the benefit of the Tribe. There is hereby established in the Treasury of the United States a fund to be known as the 'San Carlos Apache Tribe Lease Fund' for such purpose. Interest accruing to the Fund may be used by the Tribe for economic and community development purposes upon presentation to the Secretary of a certified copy of a duly enacted resolution of the Tribal Council requesting distribution and a written budget approved by the Tribal Council. Such income may thereafter be expended only in accordance with such budget. Income not distributed shall be added to principal. The United States shall not be liable for any claim or causes of action arising from the Tribe's use or expenditure of moneys distributed from the Fund.

"(v) The lease is not assignable to any third party, except with the consent of the Tribe and Phelps Dodge, and with the approval of the Secretary.

"(vi) Notwithstanding subsection (b) hereof, section 3706 shall be fully effective immediately with respect to the CAP water lease provided for in this subparagraph and the Secretary shall take all actions authorized by section 3706 necessary for purposes of implementing this subparagraph. Notwithstanding any other provision of law, the contract referred to in this subparagraph is ratified and confirmed and shall be enforceable in United States district court. In the event that no lease authorized by this subparagraph is executed, this subparagraph, notwithstanding any other provision of law, shall be enforceable as a lease among the Tribe, the United States, and Phelps Dodge in the United States district court, and the Secretary shall take all action authorized by section 3706 for purposes of implementing this subparagraph in such an event.

"(F) Any questions regarding the water claims associated with Phelps Dodge's use of the Eagle Creek Wellfield, its diversions of surface water from lower Eagle Creek, the San Francisco River, Chase Creek, and/or its use of other water supplies are not addressed by this title. No provision in this subsection shall affect or be construed to affect any claims by the Tribe, the United States, or Phelps Dodge to groundwater or surface water.

"(4) EAGLE CREEK.—From the effective date of this subsection, and during the Interim Period, the Tribe shall not, in any way, impede, restrict, or sue the United States regarding the passage of water from the Black River facilities into those portions of the channels of Willow Creek and Eagle Creek which flow through the Reservation. Phelps Dodge agrees to limit pumping from the Upper Eagle Creek Wellfield so that the combination of water from the Black River facilities and water pumped from the Upper Eagle Creek Wellfield does not exceed 22,000 acre feet per year of delivered water at the Phelps Dodge Lower Eagle Creek Pump Station below the Reservation. In calculating the pumping rates allowed under this subparagraph, transmission losses from Black River

and the Upper Eagle Creek Wellfield shall be estimated, but in no event shall such transmission losses be more than 10 percent of the Black River or Upper Eagle Creek Wellfield water. Based on this agreement, the Tribe shall not, in any way, impede, restrict, or sue Phelps Dodge regarding the passage of water from the Phelps Dodge Upper Eagle Creek Wellfield, except that—

“(A) Phelps Dodge shall pay to the United States, on behalf of the Tribe, \$5,000 per month, with an annual CPI adjustment from July 23, 1997, to account for the passage of such flows; and

“(B) the Tribe and the United States reserve the right to challenge Phelps Dodge’s claims regarding the pumping of groundwater from the Upper Eagle Creek Wellfield, in accordance with paragraphs (2)(E) and (3)(F) above. In the event that a court determines that Phelps Dodge does not have the right to pump the Upper Eagle Creek Wellfield, the Tribe will no longer be subject to the restriction set forth in this subparagraph regarding the passage of water from the Wellfield through the Reservation. Nothing in this subsection shall affect the rights, if any, that Phelps Dodge might claim regarding the flow of water in the channel of Eagle Creek in the absence of this subsection.

“(5) PAST CLAIMS.—The Act does not address claims relating to Phelps Dodge’s prior occupancy and operation of the Black River facilities. The Tribe agrees not to bring any such claims against the United States. The Tribe also agrees that within 30 days after Phelps Dodge has vacated the Reservation, it shall dismiss with prejudice the suit that it has filed in Tribal Court against Phelps Dodge (*The San Carlos Apache Tribe v. Phelps Dodge, et al.*, Case No. C-97-118), which such dismissal shall not be considered a decision on the merits, and any claims that it might assert against Phelps Dodge in connection with Phelps Dodge’s prior occupancy and operation of the Black River facilities shall be brought exclusively in the United States district court.

“(6) RELATIONSHIP TO SETTLEMENT.—

“(A) The term ‘Agreement’, as defined by section 3703(2), shall not include Phelps Dodge.

“(B) Section 3706(j) and section 3705(f) shall be repealed and shall have no effect.

106 Stat. 4745,
4744.

“(7) RATIFICATION OF SETTLEMENT.—The agreement between the San Carlos Apache Tribe, the Phelps Dodge Corporation, and the Secretary of the Interior, as set forth in this subsection, is hereby ratified and approved.”.

The Secretary shall issue such permits without regard to the provisions of subparagraphs (A) and (C)(ii) of this paragraph, subsection (d)(3) of this section, and sections 101 and 102. Public Law 105–19
105th Congress

An Act

June 18, 1997
[S. 543]

To provide certain protections to volunteers, nonprofit organizations, and governmental entities in lawsuits based on the activities of volunteers.

Volunteer
Protection Act of
1997.
42 USC 14501
note.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Volunteer Protection Act of 1997”.

42 USC 14501.

SEC. 2. FINDINGS AND PURPOSE.

(a) FINDINGS.—The Congress finds and declares that—

(1) the willingness of volunteers to offer their services is deterred by the potential for liability actions against them;

(2) as a result, many nonprofit public and private organizations and governmental entities, including voluntary associations, social service agencies, educational institutions, and other civic programs, have been adversely affected by the withdrawal of volunteers from boards of directors and service in other capacities;

(3) the contribution of these programs to their communities is thereby diminished, resulting in fewer and higher cost programs than would be obtainable if volunteers were participating;

(4) because Federal funds are expended on useful and cost-effective social service programs, many of which are national in scope, depend heavily on volunteer participation, and represent some of the most successful public-private partnerships, protection of volunteerism through clarification and limitation of the personal liability risks assumed by the volunteer in connection with such participation is an appropriate subject for Federal legislation;

(5) services and goods provided by volunteers and nonprofit organizations would often otherwise be provided by private entities that operate in interstate commerce;

(6) due to high liability costs and unwarranted litigation costs, volunteers and nonprofit organizations face higher costs in purchasing insurance, through interstate insurance markets, to cover their activities; and

(7) clarifying and limiting the liability risk assumed by volunteers is an appropriate subject for Federal legislation because—

(A) of the national scope of the problems created by the legitimate fears of volunteers about frivolous, arbitrary, or capricious lawsuits;

(B) the citizens of the United States depend on, and the Federal Government expends funds on, and provides tax exemptions and other consideration to, numerous social programs that depend on the services of volunteers;

(C) it is in the interest of the Federal Government to encourage the continued operation of volunteer service organizations and contributions of volunteers because the Federal Government lacks the capacity to carry out all of the services provided by such organizations and volunteers; and

(D)(i) liability reform for volunteers, will promote the free flow of goods and services, lessen burdens on interstate commerce and uphold constitutionally protected due process rights; and

(ii) therefore, liability reform is an appropriate use of the powers contained in article 1, section 8, clause 3 of the United States Constitution, and the fourteenth amendment to the United States Constitution.

(b) **PURPOSE.**—The purpose of this Act is to promote the interests of social service program beneficiaries and taxpayers and to sustain the availability of programs, nonprofit organizations, and governmental entities that depend on volunteer contributions by reforming the laws to provide certain protections from liability abuses related to volunteers serving nonprofit organizations and governmental entities.

SEC. 3. PREEMPTION AND ELECTION OF STATE NONAPPLICABILITY. 42 USC 14502.

(a) **PREEMPTION.**—This Act preempts the laws of any State to the extent that such laws are inconsistent with this Act, except that this Act shall not preempt any State law that provides additional protection from liability relating to volunteers or to any category of volunteers in the performance of services for a nonprofit organization or governmental entity.

(b) **ELECTION OF STATE REGARDING NONAPPLICABILITY.**—This Act shall not apply to any civil action in a State court against a volunteer in which all parties are citizens of the State if such State enacts a statute in accordance with State requirements for enacting legislation—

(1) citing the authority of this subsection;

(2) declaring the election of such State that this Act shall not apply, as of a date certain, to such civil action in the State; and

(3) containing no other provisions.

SEC. 4. LIMITATION ON LIABILITY FOR VOLUNTEERS. 42 USC 14503.

(a) **LIABILITY PROTECTION FOR VOLUNTEERS.**—Except as provided in subsections (b) and (d), no volunteer of a nonprofit organization or governmental entity shall be liable for harm caused by an act or omission of the volunteer on behalf of the organization or entity if—

(1) the volunteer was acting within the scope of the volunteer's responsibilities in the nonprofit organization or governmental entity at the time of the act or omission;

(2) if appropriate or required, the volunteer was properly licensed, certified, or authorized by the appropriate authorities for the activities or practice in the State in which the harm occurred, where the activities were or practice was undertaken

within the scope of the volunteer's responsibilities in the nonprofit organization or governmental entity;

(3) the harm was not caused by willful or criminal misconduct, gross negligence, reckless misconduct, or a conscious, flagrant indifference to the rights or safety of the individual harmed by the volunteer; and

(4) the harm was not caused by the volunteer operating a motor vehicle, vessel, aircraft, or other vehicle for which the State requires the operator or the owner of the vehicle, craft, or vessel to—

(A) possess an operator's license; or

(B) maintain insurance.

(b) CONCERNING RESPONSIBILITY OF VOLUNTEERS TO ORGANIZATIONS AND ENTITIES.—Nothing in this section shall be construed to affect any civil action brought by any nonprofit organization or any governmental entity against any volunteer of such organization or entity.

(c) NO EFFECT ON LIABILITY OF ORGANIZATION OR ENTITY.—Nothing in this section shall be construed to affect the liability of any nonprofit organization or governmental entity with respect to harm caused to any person.

(d) EXCEPTIONS TO VOLUNTEER LIABILITY PROTECTION.—If the laws of a State limit volunteer liability subject to one or more of the following conditions, such conditions shall not be construed as inconsistent with this section:

(1) A State law that requires a nonprofit organization or governmental entity to adhere to risk management procedures, including mandatory training of volunteers.

(2) A State law that makes the organization or entity liable for the acts or omissions of its volunteers to the same extent as an employer is liable for the acts or omissions of its employees.

(3) A State law that makes a limitation of liability inapplicable if the civil action was brought by an officer of a State or local government pursuant to State or local law.

(4) A State law that makes a limitation of liability applicable only if the nonprofit organization or governmental entity provides a financially secure source of recovery for individuals who suffer harm as a result of actions taken by a volunteer on behalf of the organization or entity. A financially secure source of recovery may be an insurance policy within specified limits, comparable coverage from a risk pooling mechanism, equivalent assets, or alternative arrangements that satisfy the State that the organization or entity will be able to pay for losses up to a specified amount. Separate standards for different types of liability exposure may be specified.

(e) LIMITATION ON PUNITIVE DAMAGES BASED ON THE ACTIONS OF VOLUNTEERS.—

(1) GENERAL RULE.—Punitive damages may not be awarded against a volunteer in an action brought for harm based on the action of a volunteer acting within the scope of the volunteer's responsibilities to a nonprofit organization or governmental entity unless the claimant establishes by clear and convincing evidence that the harm was proximately caused by an action of such volunteer which constitutes willful or criminal misconduct, or a conscious, flagrant indifference to the rights or safety of the individual harmed.

(2) CONSTRUCTION.—Paragraph (1) does not create a cause of action for punitive damages and does not preempt or supersede any Federal or State law to the extent that such law would further limit the award of punitive damages.

(f) EXCEPTIONS TO LIMITATIONS ON LIABILITY.—

(1) IN GENERAL.—The limitations on the liability of a volunteer under this Act shall not apply to any misconduct that—

(A) constitutes a crime of violence (as that term is defined in section 16 of title 18, United States Code) or act of international terrorism (as that term is defined in section 2331 of title 18) for which the defendant has been convicted in any court;

(B) constitutes a hate crime (as that term is used in the Hate Crime Statistics Act (28 U.S.C. 534 note));

(C) involves a sexual offense, as defined by applicable State law, for which the defendant has been convicted in any court;

(D) involves misconduct for which the defendant has been found to have violated a Federal or State civil rights law; or

(E) where the defendant was under the influence (as determined pursuant to applicable State law) of intoxicating alcohol or any drug at the time of the misconduct.

(2) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed to effect subsection (a)(3) or (e).

SEC. 5. LIABILITY FOR NONECONOMIC LOSS.

42 USC 14504.

(a) GENERAL RULE.—In any civil action against a volunteer, based on an action of a volunteer acting within the scope of the volunteer's responsibilities to a nonprofit organization or governmental entity, the liability of the volunteer for noneconomic loss shall be determined in accordance with subsection (b).

(b) AMOUNT OF LIABILITY.—

(1) IN GENERAL.—Each defendant who is a volunteer, shall be liable only for the amount of noneconomic loss allocated to that defendant in direct proportion to the percentage of responsibility of that defendant (determined in accordance with paragraph (2)) for the harm to the claimant with respect to which that defendant is liable. An Act

[H.R. 956]

Drug-Free
Communities Act
of 1997.
21 USC 1501
note.

To amend the National Narcotics Leadership Act of 1988 to establish a program to support and encourage local communities that first demonstrate a comprehensive, long-term commitment to reduce substance abuse among youth, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Drug-Free Communities Act of 1997”.

SEC. 2. NATIONAL DRUG CONTROL PROGRAM.

(a) IN GENERAL.—The National Narcotics Leadership Act of 1988 (21 U.S.C. 1501 et seq.) is amended—

(1) by inserting between sections 1001 and 1002 the following:

“CHAPTER 1—OFFICE OF NATIONAL DRUG CONTROL POLICY”;

and

(2) by adding at the end the following:

“CHAPTER 2—DRUG-FREE COMMUNITIES

21 USC 1521.

“SEC. 1021. FINDINGS.

“Congress finds the following:

“(1) Substance abuse among youth has more than doubled in the 5-year period preceding 1996, with substantial increases in the use of marijuana, inhalants, cocaine, methamphetamine, LSD, and heroin.

“(2) The most dramatic increases in substance abuse has occurred among 13- and 14-year-olds.

“(3) Casual or periodic substance abuse by youth today will contribute to hard core or chronic substance abuse by the next generation of adults.

“(4) Substance abuse is at the core of other problems, such as rising violent teenage and violent gang crime, increasing health care costs, HIV infections, teenage pregnancy, high school dropouts, and lower economic productivity.

“(5) Increases in substance abuse among youth are due in large part to an erosion of understanding by youth of the high risks associated with substance abuse, and to the softening of peer norms against use.

“(6)(A) Substance abuse is a preventable behavior and a treatable disease; and

“(B)(i) during the 13-year period beginning with 1979, monthly use of illegal drugs among youth 12 to 17 years of age declined by over 70 percent; and

“(ii) data suggests that if parents would simply talk to their children regularly about the dangers of substance abuse, use among youth could be expected to decline by as much as 30 percent.

“(7) Community anti-drug coalitions throughout the United States are successfully developing and implementing comprehensive, long-term strategies to reduce substance abuse among youth on a sustained basis.

“(8) Intergovernmental cooperation and coordination through national, State, and local or tribal leadership and partnerships are critical to facilitate the reduction of substance abuse among youth in communities throughout the United States.

“SEC. 1022. PURPOSES.

21 USC 1522.

“The purposes of this chapter are—

“(1) to reduce substance abuse among youth in communities throughout the United States, and over time, to reduce substance abuse among adults;

“(2) to strengthen collaboration among communities, the Federal Government, and State, local, and tribal governments;

“(3) to enhance intergovernmental cooperation and coordination on the issue of substance abuse among youth;

“(4) to serve as a catalyst for increased citizen participation and greater collaboration among all sectors and organizations of a community that first demonstrates a long-term commitment to reducing substance abuse among youth;

“(5) to rechannel resources from the fiscal year 1998 Federal drug control budget to provide technical assistance, guidance, and financial support to communities that demonstrate a long-term commitment in reducing substance abuse among youth;

“(6) to disseminate to communities timely information regarding the state-of-the-art practices and initiatives that have proven to be effective in reducing substance abuse among youth;

“(7) to enhance, not supplant, local community initiatives for reducing substance abuse among youth; and

“(8) to encourage the creation of and support for community anti-drug coalitions throughout the United States.

(c) COMMISSION OBLIGATION TO MAKE ADDITIONAL SPECTRUM AVAILABLE BY AUCTION.— 47 USC 925 note.

(1) IN GENERAL.—The Commission shall complete all actions necessary to permit the assignment by September 30, 2002, by competitive bidding pursuant to section 309(j) of the Communications Act of 1934 (47 U.S.C. 309(j)), of licenses for the use of bands of frequencies that—

(A) in the aggregate span not less than 55 megahertz;

(B) are located below 3 gigahertz;

(C) have not, as of the date of enactment of this Act—

(i) been designated by Commission regulation for assignment pursuant to such section;

(ii) been identified by the Secretary of Commerce pursuant to section 113 of the National Telecommunications and Information Administration Organization Act (47 U.S.C. 923);

(iii) been allocated for Federal Government use pursuant to section 305 of the Communications Act of 1934 (47 U.S.C. 305);

(iv) been designated for reallocation under section 337 of the Communications Act of 1934 (as added by this Act); or

(v) been allocated or authorized for unlicensed use pursuant to part 15 of the Commission's regulations (47 C.F.R. Part 15), if the operation of services licensed pursuant to competitive bidding would interfere with operation of end-user products permitted under such regulations;

(D) include frequencies at 2,110–2,150 megahertz; and

(E) include 15 megahertz from within the bands of frequencies at 1,990–2,110 megahertz.

(2) CRITERIA FOR REASSIGNMENT.—In making available bands of frequencies for competitive bidding pursuant to paragraph (1), the Commission shall—

(A) seek to promote the most efficient use of the electromagnetic spectrum;

(B) consider the cost of relocating existing uses to other bands of frequencies or other means of communication;

(C) consider the needs of existing public safety radio services (as such services are described in section 309(j)(2)(A) of the Communications Act of 1934, as amended by this Act);

(D) comply with the requirements of international agreements concerning spectrum allocations; and

(E) coordinate with the Secretary of Commerce when there is any impact on Federal Government spectrum use.

(3) USE OF BANDS AT 2,110-2,150 MEGAHERTZ.—The Commission shall reallocate spectrum located at 2,110-2,150 megahertz for assignment by competitive bidding unless the Commission determines that auction of other spectrum (A) better serves the public interest, convenience, and necessity, and (B) can reasonably be expected to produce greater receipts. If the Commission makes such a determination, then the Commission shall, within 2 years after the date of enactment of this Act,

identify an alternative 40 megahertz, and report to the Congress an identification of such alternative 40 megahertz for assignment by competitive bidding.

(4) USE OF 15 MEGAHERTZ FROM BANDS AT 1,990-2,110 MEGAHERTZ.—The Commission shall reallocate 15 megahertz from spectrum located at 1,990-2,110 megahertz for assignment by competitive bidding unless the President determines such spectrum cannot be reallocated due to the need to protect incumbent Federal systems from interference, and that allocation of other spectrum (A) better serves the public interest, convenience, and necessity, and (B) can reasonably be expected to produce comparable receipts. If the President makes such a determination, then the President shall, within 2 years after the date of enactment of this Act, identify alternative bands of frequencies totalling 15 megahertz, and report to the Congress an identification of such alternative bands for assignment by competitive bidding.

(5) NOTIFICATION TO THE SECRETARY OF COMMERCE.—The Commission shall attempt to accommodate incumbent licensees displaced under this section by relocating them to other frequencies available for allocation by the Commission. The Commission shall notify the Secretary of Commerce whenever the Commission is not able to provide for the effective relocation of an incumbent licensee to a band of frequencies available to the Commission for assignment. The notification shall include—

- (A) specific information on the incumbent licensee;
- (B) the bands the Commission considered for relocation of the licensee;
- (C) the reasons the licensee cannot be accommodated in such bands; and
- (D) the bands of frequencies identified by the Commission that are—
 - (i) suitable for the relocation of such licensee; and
 - (ii) allocated for Federal Government use, but that could be reallocated pursuant to part B of the National Telecommunications and Information Administration Organization Act (as amended by this Act).

(d) IDENTIFICATION AND REALLOCATION OF FREQUENCIES.—

(1) IN GENERAL.—Section 113 of the National Telecommunications and Information Administration Organization Act (47 U.S.C. 923) is amended by adding at the end thereof the following:

The Commission shall, not later than one year after receipt of such report, prepare, submit to the President and the Congress, and implement, a plan for the immediate allocation and assignment of such frequencies under the 1934 Act to incumbent licensees described in the Commission’s notice.

“(g) RELOCATION OF FEDERAL GOVERNMENT STATIONS.—

“(1) IN GENERAL.—In order to expedite the commercial use of the electromagnetic spectrum and notwithstanding section 3302(b) of title 31, United States Code, any Federal entity which operates a Federal Government station may accept from any person payment of the expenses of relocating the Federal entity’s operations from one or more frequencies to another frequency or frequencies, including the costs of any modification, replacement, or reissuance of equipment, facilities, operating manuals, or regulations incurred by that entity. Such payments may be in advance of relocation and may be in cash or in kind. Any such payment in cash shall be deposited in the account of such Federal entity in the Treasury of the United States or in a separate account authorized by law. Funds deposited according to this paragraph shall be available, without appropriation or fiscal year limitation, only for such expenses of the Federal entity for which such funds were deposited under this paragraph.

“(2) PROCESS FOR RELOCATION.—Any person seeking to relocate a Federal Government station that has been assigned a frequency within a band that has been allocated for mixed Federal and non-Federal use, or that has been scheduled for reallocation to non-Federal use, may submit a petition for such relocation to NTIA. The NTIA shall limit or terminate the Federal Government station’s operating license within 6 months after receiving the petition if the following requirements are met:

“(A) the person seeking relocation of the Federal Government station has guaranteed to pay all relocation costs incurred by the Federal entity, including all engineering, equipment, site acquisition and construction, and regulatory fee costs;

“(B) all activities necessary for implementing the relocation have been completed, including construction of replacement facilities (if necessary and appropriate) and identifying and obtaining new frequencies for use by the relocated Federal Government station (where such station is not relocating to spectrum reserved exclusively for Federal use);

“(C) any necessary replacement facilities, equipment modifications, or other changes have been implemented and tested to ensure that the Federal Government station is able to successfully accomplish its purposes; and

“(D) NTIA has determined that the proposed use of the spectrum frequency band to which the Federal entity will relocate its operations is—

“(i) consistent with obligations undertaken by the United States in international agreements and with United States national security and public safety interests; and

“(ii) suitable for the technical characteristics of the band and consistent with other uses of the band. In exercising its authority under clause (i) of this subparagraph, NTIA shall consult with the Secretary of Defense, the Secretary of State, or other appropriate officers of the Federal Government.

“(3) RIGHT TO RECLAIM.—If within one year after the relocation the Federal entity demonstrates to the Commission that

the new facilities or spectrum are not comparable to the facilities or spectrum from which the Federal Government station was relocated, the person who filed the petition under paragraph (2) for such relocation shall take reasonable steps to remedy any defects or pay the Federal entity for the expenses incurred in returning the Federal Government station to the spectrum from which such station was relocated.

“(h) FEDERAL ACTION TO EXPEDITE SPECTRUM TRANSFER.—Any Federal Government station which operates on electromagnetic spectrum that has been identified in any reallocation report under this section shall, to the maximum extent practicable through the use of the authority granted under subsection (g) and any other applicable provision of law, take action to relocate its spectrum use to other frequencies that are reserved for Federal use or to consolidate its spectrum use with other Federal Government stations in a manner that maximizes the spectrum available for non-Federal use.

“(i) DEFINITION.—For purposes of this section, the term ‘Federal entity’ means any department, agency, or other instrumentality of the Federal Government that utilizes a Government station license obtained under section 305 of the 1934 Act (47 U.S.C. 305).”.

An application shall be granted under this subsection if the Commission finds that—

“(B) the requested use is technically feasible without causing harmful interference to other spectrum users entitled to protection from such interference under the Commission’s regulations;

“(C) the use of the unassigned frequency for the provision of public safety services is consistent with other allocations for the provision of such services in the geographic area for which the application is made;

“(D) the unassigned frequency was allocated for its present use not less than 2 years prior to the date on which the application is granted; and

“(E) granting such application is consistent with the public interest.

digital television service during a transition to digital television service;

“(3) may permit public safety services licensees and commercial licensees—

“(A) to aggregate multiple licenses to create larger spectrum blocks and service areas; and

“(B) to disaggregate or partition licenses to create smaller spectrum blocks or service areas; and

“(4) shall establish rules insuring that public safety services licensees using spectrum reallocated pursuant to subsection (a)(1) shall not be subject to harmful interference from television broadcast licensees.

“(e) REMOVAL AND RELOCATION OF INCUMBENT BROADCAST LICENSEES.—

“(1) CHANNELS 60 TO 69.—Any person who holds a television broadcast license to operate between 746 and 806 megahertz may not operate at that frequency after the date on which the digital television service transition period terminates, as determined by the Commission.

“(2) INCUMBENT QUALIFYING LOW-POWER STATIONS.—After making any allocation or assignment under this section, the Commission shall seek to assure, consistent with the Commission’s plan for allotments for digital television service, that each qualifying low-power television station is assigned a frequency below 746 megahertz to permit the continued operation of such station.

“(f) DEFINITIONS.—For purposes of this section:

“(1) PUBLIC SAFETY SERVICES.—The term ‘public safety services’ means services—

“(A) the sole or principal purpose of which is to protect the safety of life, health, or property;

“(B) ANNUAL, COORDINATED ELECTION PERIOD.—For purposes of this section, the term ‘annual, coordinated election period’ means, with respect to a calendar year (beginning with 2000), the month of November before such year.

“(C) MEDICARE+CHOICE HEALTH INFORMATION FAIRS.—In the month of November of each year (beginning with 1999), in conjunction with the annual coordinated election period defined in subparagraph (B), the Secretary shall provide for a nationally coordinated educational and publicity campaign to inform Medicare+Choice eligible individuals about Medicare+Choice plans and the election process provided under this section.

“(4) SPECIAL ELECTION PERIODS.—Effective as of January 1, 2002, an individual may discontinue an election of a Medicare+Choice plan offered by a Medicare+Choice organization other than during an annual, coordinated election period and make a new election under this section if—

“(A) the organization’s or plan’s certification under this part has been terminated or the organization has terminated or otherwise discontinued providing the plan in the area in which the individual resides;

“(B) the individual is no longer eligible to elect the plan because of a change in the individual’s place of residence or other change in circumstances (specified by the Secretary, but not including termination of the individual’s enrollment on the basis described in clause (i) or (ii) of subsection (g)(3)(B));

“(C) the individual demonstrates (in accordance with guidelines established by the Secretary) that—

“(i) the organization offering the plan substantially violated a material provision of the organization’s contract under this part in relation to the individual (including the failure to provide an enrollee on a timely basis medically necessary care for which benefits are available under the plan or the failure to provide such covered care in accordance with applicable quality standards); or

“(ii) the organization (or an agent or other entity acting on the organization’s behalf) materially misrepresented the plan’s provisions in marketing the plan to the individual; or

“(D) the individual meets such other exceptional conditions as the Secretary may provide.

Effective as of January 1, 2002, an individual who, upon first becoming eligible for benefits under part A at age 65, enrolls in a Medicare+Choice plan under this part, the individual may discontinue the election of such plan, and elect coverage under the original fee-for-service plan, at any time during the 12-month period beginning on the effective date of such enrollment.

“(A) may elect an MSA plan only during—

“(i) an initial open enrollment period described in paragraph (1),

“(ii) an annual, coordinated election period described in paragraph (3)(B), or

“(iii) the month of November 1998;

“(B) subject to subparagraph (C), may not discontinue an election of an MSA plan except during the periods described in clause (ii) or (iii) of subparagraph (A) and under the first sentence of paragraph (4); and

“(C) who elects an MSA plan during an annual, coordinated election period, and who never previously had elected such a plan, may revoke such election, in a manner determined by the Secretary, by not later than December 15 following the date of the election.

“(6) OPEN ENROLLMENT PERIODS.—Subject to paragraph (5), a Medicare+Choice organization—

“(A) shall accept elections or changes to elections during the initial enrollment periods described in paragraph (1), during the month of November 1998 and each subsequent year (as provided in paragraph (3)), and during special election periods described in the first sentence of paragraph (4); and

“(B) may accept other changes to elections at such other times as the organization provides.

“(f) EFFECTIVENESS OF ELECTIONS AND CHANGES OF ELECTIONS.—

“(1) DURING INITIAL COVERAGE ELECTION PERIOD.—An election of coverage made during the initial coverage election period under subsection (e)(1)(A) shall take effect upon the date the individual becomes entitled to benefits under part A and enrolled under part B, except as the Secretary may provide (consistent with section 1838) in order to prevent retroactive coverage.

“(2) DURING CONTINUOUS OPEN ENROLLMENT PERIODS.—An election or change of coverage made under subsection (e)(2) shall take effect with the first day of the first calendar month following the date on which the election is made.

“(3) ANNUAL, COORDINATED ELECTION PERIOD.—An election or change of coverage made during an annual, coordinated election period (as defined in subsection (e)(3)(B)) in a year shall take effect as of the first day of the following year.

“(4) OTHER PERIODS.—An election or change of coverage made during any other period under subsection (e)(4) shall take effect in such manner as the Secretary provides in a manner consistent (to the extent practicable) with protecting continuity of health benefit coverage.

“(g) GUARANTEED ISSUE AND RENEWAL.—

“(1) IN GENERAL.—Except as provided in this subsection, a Medicare+Choice organization shall provide that at any time during which elections are accepted under this section with respect to a Medicare+Choice plan offered by the organization, the organization will accept without restrictions individuals who are eligible to make such election.

“(2) PRIORITY.—If the Secretary determines that a Medicare+Choice organization, in relation to a Medicare+Choice plan it offers, has a capacity limit and the number of Medicare+Choice eligible individuals who elect the plan under this section exceeds the capacity limit, the organization may limit the election of individuals of the plan under this section but only if priority in election is provided—

“(A) first to such individuals as have elected the plan at the time of the determination, and

“(B) then to other such individuals in such a manner that does not discriminate, on a basis described in section 1852(b), among the individuals (who seek to elect the plan). The preceding sentence shall not apply if it would result in the enrollment of enrollees substantially nonrepresentative, as determined in accordance with regulations of the Secretary, of the medicare population in the service area of the plan.

“(3) LIMITATION ON TERMINATION OF ELECTION.—

“(A) IN GENERAL.—Subject to subparagraph (B), a Medicare+Choice organization may not for any reason terminate the election of any individual under this section for a Medicare+Choice plan it offers.

“(B) BASIS FOR TERMINATION OF ELECTION.—A Medicare+Choice organization may terminate an individual's election under this section with respect to a Medicare+Choice plan it offers if—

“(i) any Medicare+Choice monthly basic and supplemental beneficiary premiums required with respect to such plan are not paid on a timely basis (consistent with standards under section 1856 that provide for a grace period for late payment of such premiums),

“(ii) the individual has engaged in disruptive behavior (as specified in such standards), or

“(iii) the plan is terminated with respect to all individuals under this part in the area in which the individual resides.

“(C) CONSEQUENCE OF TERMINATION.—

“(i) TERMINATIONS FOR CAUSE.—Any individual whose election is terminated under clause (i) or (ii) of subparagraph (B) is deemed to have elected the original medicare fee-for-service program option described in subsection (a)(1)(A).

“(ii) TERMINATION BASED ON PLAN TERMINATION OR SERVICE AREA REDUCTION.—Any individual whose election is terminated under subparagraph (B)(iii) shall have a special election period under subsection (e)(4)(A) in which to change coverage to coverage under another Medicare+Choice plan. Such an individual who fails to make an election during such period is deemed to have chosen to change coverage to the original medicare fee-for-service program option described in subsection (a)(1)(A).

“(D) ORGANIZATION OBLIGATION WITH RESPECT TO ELECTION FORMS.—Pursuant to a contract under section 1857, each Medicare+Choice organization receiving an election form under subsection (c)(2) shall transmit to the Secretary (at such time and in such manner as the Secretary may specify) a copy of such form or such other information respecting the election as the Secretary may specify.

“(h) APPROVAL OF MARKETING MATERIAL AND APPLICATION FORMS.—

“(1) SUBMISSION.—No marketing material or application form may be distributed by a Medicare+Choice organization to (or for the use of) Medicare+Choice eligible individuals unless—

“(A) at least 45 days before the date of distribution the organization has submitted the material or form to the Secretary for review, and

“(B) the Secretary has not disapproved the distribution of such material or form.

“(2) REVIEW.—The standards established under section 1856 shall include guidelines for the review of any material or form submitted and under such guidelines the Secretary shall disapprove (or later require the correction of) such material or form if the material or form is materially inaccurate or misleading or otherwise makes a material misrepresentation.

“(3) DEEMED APPROVAL (1-STOP SHOPPING).—In the case of material or form that is submitted under paragraph (1)(A) to the Secretary or a regional office of the Department of Health and Human Services and the Secretary or the office has not disapproved the distribution of marketing material or form under paragraph (1)(B) with respect to a Medicare+Choice plan in an area, the Secretary is deemed not to have disapproved such distribution in all other areas covered by the plan and organization except with regard to that portion of such material or form that is specific only to an area involved.

“(4) PROHIBITION OF CERTAIN MARKETING PRACTICES.—Each Medicare+Choice organization shall conform to fair marketing standards, in relation to Medicare+Choice plans offered under this part, included in the standards established under section 1856. Such standards—

“(A) shall not permit a Medicare+Choice organization to provide for cash or other monetary rebates as an inducement for enrollment or otherwise, and

“(B) may include a prohibition against a Medicare+Choice organization (or agent of such an organization) completing any portion of any election form used to carry out elections under this section on behalf of any individual.

“(i) EFFECT OF ELECTION OF MEDICARE+CHOICE PLAN OPTION.—

“(1) PAYMENTS TO ORGANIZATIONS.—Subject to sections 1852(a)(5), 1853(g), 1853(h), 1886(d)(11), and 1886(h)(3)(D), payments under a contract with a Medicare+Choice organization under section 1853(a) with respect to an individual electing a Medicare+Choice plan offered by the organization shall be instead of the amounts which (in the absence of the contract) would otherwise be payable under parts A and B for items and services furnished to the individual.

“(2) ONLY ORGANIZATION ENTITLED TO PAYMENT.—Subject to sections 1853(e), 1853(g), 1853(h), 1857(f)(2), and 1886(d)(11), and 1886(h)(3)(D), only the Medicare+Choice organization shall be entitled to receive payments from the Secretary under this title for services furnished to the individual.

“BENEFITS AND BENEFICIARY PROTECTIONS

“SEC. 1852. (a) BASIC BENEFITS.—

“(1) IN GENERAL.—Except as provided in section 1859(b)(3) for MSA plans, each Medicare+Choice plan shall provide to members enrolled under this part, through providers and other persons that meet the applicable requirements of this title and part A of title XI—

“(A) those items and services (other than hospice care) for which benefits are available under parts A and B to individuals residing in the area served by the plan, and

“(B) additional benefits required under section 1854(f)(1)(A).

“(2) SATISFACTION OF REQUIREMENT.—

“(A) IN GENERAL.—A Medicare+Choice plan (other than an MSA plan) offered by a Medicare+Choice organization satisfies paragraph (1)(A), with respect to benefits for items and services furnished other than through a provider or other person that has a contract with the organization offering the plan, if the plan provides payment in an amount so that—

“(i) the sum of such payment amount and any cost sharing provided for under the plan, is equal to at least

“(ii) the total dollar amount of payment for such items and services as would otherwise be authorized under parts A and B (including any balance billing permitted under such parts).

“(B) REFERENCE TO RELATED PROVISIONS.—For provision relating to—

“(i) limitations on balance billing against Medicare+Choice organizations for non-contract providers, see sections 1852(k) and 1866(a)(1)(O), and

“(ii) limiting actuarial value of enrollee liability for covered benefits, see section 1854(e).

“(3) SUPPLEMENTAL BENEFITS.—

“(A) BENEFITS INCLUDED SUBJECT TO SECRETARY’S APPROVAL.—Each Medicare+Choice organization may provide to individuals enrolled under this part, other than under an MSA plan, (without affording those individuals an option to decline the coverage) supplemental health care benefits that the Secretary may approve. The Secretary shall approve any such supplemental benefits unless the Secretary determines that including such supplemental benefits would substantially discourage enrollment by Medicare+Choice eligible individuals with the organization.

“(B) AT ENROLLEES’ OPTION.—

“(i) IN GENERAL.—Subject to clause (ii), a Medicare+Choice organization may provide to individuals enrolled under this part supplemental health care benefits that the individuals may elect, at their option, to have covered.

“(ii) SPECIAL RULE FOR MSA PLANS.—A Medicare+Choice organization may not provide, under an MSA plan, supplemental health care benefits that cover the deductible described in section 1859(b)(2)(B). In applying the previous sentence, health benefits described in section 1882(u)(2)(B) shall not be treated as covering such deductible.

“(C) APPLICATION TO MEDICARE+CHOICE PRIVATE FEE-FOR-SERVICE PLANS.—Nothing in this paragraph shall be construed as preventing a Medicare+Choice private fee-for-service plan from offering supplemental benefits that include payment for some or all of the balance billing amounts permitted consistent with section 1852(k) and coverage of additional services that the plan finds to be medically necessary.

“(4) ORGANIZATION AS SECONDARY PAYER.—Notwithstanding any other provision of law, a Medicare+Choice organization may (in the case of the provision of items and services to an individual under a Medicare+Choice plan under circumstances in which payment under this title is made secondary pursuant to section 1862(b)(2)) charge or authorize the provider of such services to charge, in accordance with the charges allowed under a law, plan, or policy described in such section—

“(A) the insurance carrier, employer, or other entity which under such law, plan, or policy is to pay for the provision of such services, or

“(B) such individual to the extent that the individual has been paid under such law, plan, or policy for such services.

“(5) NATIONAL COVERAGE DETERMINATIONS.—If there is a national coverage determination made in the period beginning on the date of an announcement under section 1853(b) and ending on the date of the next announcement under such section and the Secretary projects that the determination will result in a significant change in the costs to a Medicare+Choice organization of providing the benefits that are the subject of such national coverage determination and that such change in costs was not incorporated in the determination of the annual Medicare+Choice capitation rate under section 1853 included

in the announcement made at the beginning of such period, then, unless otherwise required by law—

“(A) such determination shall not apply to contracts under this part until the first contract year that begins after the end of such period, and

“(B) if such coverage determination provides for coverage of additional benefits or coverage under additional circumstances, section 1851(i)(1) shall not apply to payment for such additional benefits or benefits provided under such additional circumstances until the first contract year that begins after the end of such period.

“(b) ANTIDISCRIMINATION.—

“(1) BENEFICIARIES.—

“(A) IN GENERAL.—A Medicare+Choice organization may not deny, limit, or condition the coverage or provision of benefits under this part, for individuals permitted to be enrolled with the organization under this part, based on any health status-related factor described in section 2702(a)(1) of the Public Health Service Act.

“(B) CONSTRUCTION.—Subparagraph (A) shall not be construed as requiring a Medicare+Choice organization to enroll individuals who are determined to have end-stage renal disease, except as provided under section 1851(a)(3)(B).

“(2) PROVIDERS.—A Medicare+Choice organization shall not discriminate with respect to participation, reimbursement, or indemnification as to any provider who is acting within the scope of the provider’s license or certification under applicable State law, solely on the basis of such license or certification. This paragraph shall not be construed to prohibit a plan from including providers only to the extent necessary to meet the needs of the plan’s enrollees or from establishing any measure designed to maintain quality and control costs consistent with the responsibilities of the plan.

“(c) DISCLOSURE REQUIREMENTS.—

“(1) DETAILED DESCRIPTION OF PLAN PROVISIONS.—A Medicare+Choice organization shall disclose, in clear, accurate, and standardized form to each enrollee with a Medicare+Choice plan offered by the organization under this part at the time of enrollment and at least annually thereafter, the following information regarding such plan:

“(A) SERVICE AREA.—The plan’s service area.

“(E) EMERGENCY COVERAGE.—Coverage of emergency services, including—

“(iii) the locations of (I) emergency departments, and (II) other settings, in which plan physicians and hospitals provide emergency services and post-stabilization care.

“(F) SUPPLEMENTAL BENEFITS.—Supplemental benefits available from the organization offering the plan, including—

“(i) whether the supplemental benefits are optional,

“(ii) the supplemental benefits covered, and

“(iii) the Medicare+Choice monthly supplemental beneficiary premium for the supplemental benefits.

“(G) PRIOR AUTHORIZATION RULES.—Rules regarding prior authorization or other review requirements that could result in nonpayment.

“(H) PLAN GRIEVANCE AND APPEALS PROCEDURES.—All plan appeal or grievance rights and procedures.

“(I) QUALITY ASSURANCE PROGRAM.—A description of the organization’s quality assurance program under subsection (e).

“(2) DISCLOSURE UPON REQUEST.—Upon request of a Medicare+Choice eligible individual, a Medicare+Choice organization must provide the following information to such individual:

“(A) The general coverage information and general comparative plan information made available under clauses (i) and (ii) of section 1851(d)(2)(A).

“(B) Information on procedures used by the organization to control utilization of services and expenditures.

“(C) Information on the number of grievances, redeterminations, and appeals and on the disposition in the aggregate of such matters.

“(D) An overall summary description as to the method of compensation of participating physicians.

“(d) ACCESS TO SERVICES.—

“(1) IN GENERAL.—A Medicare+Choice organization offering a Medicare+Choice plan may select the providers from whom the benefits under the plan are provided so long as—

“(A) the organization makes such benefits available and accessible to each individual electing the plan within the plan service area with reasonable promptness and in a manner which assures continuity in the provision of benefits;

“(B) when medically necessary the organization makes such benefits available and accessible 24 hours a day and 7 days a week;

“(C) the plan provides for reimbursement with respect to services which are covered under subparagraphs (A) and (B) and which are provided to such an individual other than through the organization, if—

“(i) the services were not emergency services (as defined in paragraph (3)), but (I) the services were medically necessary and immediately required because

of an unforeseen illness, injury, or condition, and (II) it was not reasonable given the circumstances to obtain the services through the organization,

“(ii) the services were renal dialysis services and were provided other than through the organization because the individual was temporarily out of the plan’s service area, or

“(iii) the services are maintenance care or post-stabilization care covered under the guidelines established under paragraph (2);

“(D) the organization provides access to appropriate providers, including credentialed specialists, for medically necessary treatment and services; and

“(E) coverage is provided for emergency services (as defined in paragraph (3)) without regard to prior authorization or the emergency care provider’s contractual relationship with the organization.

“(2) GUIDELINES RESPECTING COORDINATION OF POST-STABILIZATION CARE.—A Medicare+Choice plan shall comply with such guidelines as the Secretary may prescribe relating to promoting efficient and timely coordination of appropriate maintenance and post-stabilization care of an enrollee after the enrollee has been determined to be stable under section 1867.

“(3) DEFINITION OF EMERGENCY SERVICES.—In this subsection—

“(A) IN GENERAL.—The term ‘emergency services’ means, with respect to an individual enrolled with an organization, covered inpatient and outpatient services that—

“(i) are furnished by a provider that is qualified to furnish such services under this title, and

“(ii) are needed to evaluate or stabilize an emergency medical condition (as defined in subparagraph (B)).

“(B) EMERGENCY MEDICAL CONDITION BASED ON PRUDENT LAYPERSON.—The term ‘emergency medical condition’ means a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in—

“(i) placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy,

“(ii) serious impairment to bodily functions, or

“(iii) serious dysfunction of any bodily organ or part.

“(4) ASSURING ACCESS TO SERVICES IN MEDICARE+CHOICE PRIVATE FEE-FOR-SERVICE PLANS.—In addition to any other requirements under this part, in the case of a Medicare+Choice private fee-for-service plan, the organization offering the plan must demonstrate to the Secretary that the organization has sufficient number and range of health care professionals and providers willing

to provide services under the terms of the plan. The Secretary shall find that an organization has met such requirement with respect to any category of health care professional or provider if, with respect to that category of provider—

“(A) the plan has established payment rates for covered services furnished by that category of provider that are not less than the payment rates provided for under part A, part B, or both, for such services, or

“(B) the plan has contracts or agreements with a sufficient number and range of providers within such category to provide covered services under the terms of the plan,

or a combination of both. The previous sentence shall not be construed as restricting the persons from whom enrollees under such a plan may obtain covered benefits.

“(e) QUALITY ASSURANCE PROGRAM.—

“(1) IN GENERAL.—Each Medicare+Choice organization must have arrangements, consistent with any regulation, for an ongoing quality assurance program for health care services it provides to individuals enrolled with Medicare+Choice plans of the organization.

“(2) ELEMENTS OF PROGRAM.—

“(A) IN GENERAL.—The quality assurance program of an organization with respect to a Medicare+Choice plan (other than a Medicare+Choice private fee-for-service plan or a non-network MSA plan) it offers shall—

“(i) stress health outcomes and provide for the collection, analysis, and reporting of data (in accordance with a quality measurement system that the Secretary recognizes) that will permit measurement of outcomes and other indices of the quality of Medicare+Choice plans and organizations;

“(ii) monitor and evaluate high volume and high risk services and the care of acute and chronic conditions;

“(iii) evaluate the continuity and coordination of care that enrollees receive;

“(iv) be evaluated on an ongoing basis as to its effectiveness;

“(v) include measures of consumer satisfaction;

“(vi) provide the Secretary with such access to information collected as may be appropriate to monitor and ensure the quality of care provided under this part;

“(vii) provide review by physicians and other health care professionals of the process followed in the provision of such health care services;

“(viii) provide for the establishment of written protocols for utilization review, based on current standards of medical practice;

“(ix) have mechanisms to detect both underutilization and overutilization of services;

“(x) after identifying areas for improvement, establish or alter practice parameters;

“(xi) take action to improve quality and assesses the effectiveness of such action through systematic followup; and

“(xii) make available information on quality and outcomes measures to facilitate beneficiary comparison and choice of health coverage options (in such form and on such quality and outcomes measures as the Secretary determines to be appropriate).

“(B) ELEMENTS OF PROGRAM FOR ORGANIZATIONS OFFERING MEDICARE+CHOICE PRIVATE FEE-FOR-SERVICE PLANS AND NON-NETWORK MSA PLANS.—The quality assurance program of an organization with respect to a Medicare+Choice private fee-for-service plan or a non-network MSA plan it offers shall—

“(i) meet the requirements of clauses (i) through (vi) of subparagraph (A);

“(ii) insofar as it provides for the establishment of written protocols for utilization review, base such protocols on current standards of medical practice; and

“(iii) have mechanisms to evaluate utilization of services and inform providers and enrollees of the results of such evaluation.

“(C) DEFINITION OF NON-NETWORK MSA PLAN.—In this subsection, the term ‘non-network MSA plan’ means an MSA plan offered by a Medicare+Choice organization that does not provide benefits required to be provided by this part, in whole or in part, through a defined set of providers under contract, or under another arrangement, with the organization.

“(3) EXTERNAL REVIEW.—

“(A) IN GENERAL.—Each Medicare+Choice organization shall, for each Medicare+Choice plan it operates, have an agreement with an independent quality review and improvement organization approved by the Secretary to perform functions of the type described in sections 1154(a)(4)(B) and 1154(a)(14) with respect to services furnished by Medicare+Choice plans for which payment is made under this title. The previous sentence shall not apply to a Medicare+Choice private fee-for-service plan or a non-network MSA plan that does not employ utilization review.

“(B) NONDUPLICATION OF ACCREDITATION.—Except in the case of the review of quality complaints, and consistent with subparagraph (C), the Secretary shall ensure that the external review activities conducted under subparagraph (A) are not duplicative of review activities conducted as part of the accreditation process.

“(C) WAIVER AUTHORITY.—The Secretary may waive the requirement described in subparagraph (A) in the case of an organization if the Secretary determines that the organization has consistently maintained an excellent record of quality assurance and compliance with other requirements under this part.

“(4) TREATMENT OF ACCREDITATION.—The Secretary shall provide that a Medicare+Choice organization is deemed to meet requirements of paragraphs (1) and (2) of this subsection and subsection (h) (relating to confidentiality and accuracy of

enrollee records) if the organization is accredited (and periodically reaccredited) by a private organization under a process that the Secretary has determined assures that the organization, as a condition of accreditation, applies and enforces standards with respect to the requirements involved that are no less stringent than the standards established under section 1856 to carry out the respective requirements.

“(f) GRIEVANCE MECHANISM.—Each Medicare+Choice organization must provide meaningful procedures for hearing and resolving grievances between the organization (including any entity or individual through which the organization provides health care services) and enrollees with Medicare+Choice plans of the organization under this part.

“(g) COVERAGE DETERMINATIONS, RECONSIDERATIONS, AND APPEALS.—

“(1) DETERMINATIONS BY ORGANIZATION.—

“(A) IN GENERAL.—A Medicare+Choice organization shall have a procedure for making determinations regarding whether an individual enrolled with the plan of the organization under this part is entitled to receive a health service under this section and the amount (if any) that the individual is required to pay with respect to such service. Subject to paragraph (3), such procedures shall provide for such determination to be made on a timely basis.

“(B) EXPLANATION OF DETERMINATION.—Such a determination that denies coverage, in whole in part, shall be in writing and shall include a statement in understandable language of the reasons for the denial and a description of the reconsideration and appeals processes.

“(2) RECONSIDERATIONS.—

“(A) IN GENERAL.—The organization shall provide for reconsideration of a determination described in paragraph (1)(B) upon request by the enrollee involved. The reconsideration shall be within a time period specified by the Secretary, but shall be made, subject to paragraph (3), not later than 60 days after the date of the receipt of the request for reconsideration.

“(B) PHYSICIAN DECISION ON CERTAIN RECONSIDERATIONS.—A reconsideration relating to a determination to deny coverage based on a lack of medical necessity shall be made only by a physician with appropriate expertise in the field of medicine which necessitates treatment who is other than a physician involved in the initial determination.

“(3) EXPEDITED DETERMINATIONS AND RECONSIDERATIONS.—

“(A) RECEIPT OF REQUESTS.—

“(i) ENROLLEE REQUESTS.—An enrollee in a Medicare+Choice plan may request, either in writing or orally, an expedited determination under paragraph (1) or an expedited reconsideration under paragraph (2) by the Medicare+Choice organization.

“(ii) PHYSICIAN REQUESTS.—A physician, regardless whether the physician is affiliated with the organization or not, may request, either in writing or orally, such an expedited determination or reconsideration.

“(B) ORGANIZATION PROCEDURES.—

“(i) IN GENERAL.—The Medicare+Choice organization shall maintain procedures for expediting organization determinations and reconsiderations when, upon request of an enrollee, the organization determines that the application of the normal time frame for making a determination (or a reconsideration involving a determination) could seriously jeopardize the life or health of the enrollee or the enrollee’s ability to regain maximum function.

“(ii) EXPEDITION REQUIRED FOR PHYSICIAN REQUESTS.—In the case of a request for an expedited determination or reconsideration made under subparagraph (A)(ii), the organization shall expedite the determination or reconsideration if the request indicates that the application of the normal time frame for making a determination (or a reconsideration involving a determination) could seriously jeopardize the life or health of the enrollee or the enrollee’s ability to regain maximum function.

“(iii) TIMELY RESPONSE.—In cases described in clauses (i) and (ii), the organization shall notify the enrollee (and the physician involved, as appropriate) of the determination or reconsideration under time limitations established by the Secretary, but not later than 72 hours of the time of receipt of the request for the determination or reconsideration (or receipt of the information necessary to make the determination or reconsideration), or such longer period as the Secretary may permit in specified cases.

Contracts.

“(4) INDEPENDENT REVIEW OF CERTAIN COVERAGE DENIALS.—The Secretary shall contract with an independent, outside entity to review and resolve in a timely manner reconsiderations that affirm denial of coverage, in whole or in part.

“(5) APPEALS.—An enrollee with a Medicare+Choice plan of a Medicare+Choice organization under this part who is dissatisfied by reason of the enrollee’s failure to receive any health service to which the enrollee believes the enrollee is entitled and at no greater charge than the enrollee believes the enrollee is required to pay is entitled, if the amount in controversy is \$100 or more, to a hearing before the Secretary to the same extent as is provided in section 205(b), and in any such hearing the Secretary shall make the organization a party. If the amount in controversy is \$1,000 or more, the individual or organization shall, upon notifying the other party, be entitled to judicial review of the Secretary’s final decision as provided in section 205(g), and both the individual and the organization shall be entitled to be parties to that judicial review. In applying subsections (b) and (g) of section 205 as provided in this paragraph, and in applying section 205(l) thereto, any reference therein to the Commissioner of Social Security or the Social Security Administration shall be considered a reference to the Secretary or the Department of Health and Human Services, respectively.

“(h) CONFIDENTIALITY AND ACCURACY OF ENROLLEE RECORDS.—Insofar as a Medicare+Choice organization maintains medical

records or other health information regarding enrollees under this part, the Medicare+Choice organization shall establish procedures—

“(1) to safeguard the privacy of any individually identifiable enrollee information;

“(2) to maintain such records and information in a manner that is accurate and timely, and

“(3) to assure timely access of enrollees to such records and information.

“(i) INFORMATION ON ADVANCE DIRECTIVES.—Each Medicare+Choice organization shall meet the requirement of section 1866(f) (relating to maintaining written policies and procedures respecting advance directives).

“(j) RULES REGARDING PROVIDER PARTICIPATION.—

“(1) PROCEDURES.—Insofar as a Medicare+Choice organization offers benefits under a Medicare+Choice plan through agreements with physicians, the organization shall establish reasonable procedures relating to the participation (under an agreement between a physician and the organization) of physicians under such a plan. Such procedures shall include—

“(A) providing notice of the rules regarding participation,

“(B) providing written notice of participation decisions that are adverse to physicians, and

“(C) providing a process within the organization for appealing such adverse decisions, including the presentation of information and views of the physician regarding such decision.

“(2) CONSULTATION IN MEDICAL POLICIES.—A Medicare+Choice organization shall consult with physicians who have entered into participation agreements with the organization regarding the organization’s medical policy, quality, and medical management procedures.

“(3) PROHIBITING INTERFERENCE WITH PROVIDER ADVICE TO ENROLLEES.—

“(A) IN GENERAL.—Subject to subparagraphs (B) and (C), a Medicare+Choice organization (in relation to an individual enrolled under a Medicare+Choice plan offered by the organization under this part) shall not prohibit or otherwise restrict a covered health care professional (as defined in subparagraph (D)) from advising such an individual who is a patient of the professional about the health status of the individual or medical care or treatment for the individual’s condition or disease, regardless of whether benefits for such care or treatment are provided under the plan, if the professional is acting within the lawful scope of practice.

“(B) CONSCIENCE PROTECTION.—Subparagraph (A) shall not be construed as requiring a Medicare+Choice plan to provide, reimburse for, or provide coverage of a counseling or referral service if the Medicare+Choice organization offering the plan—

“(i) objects to the provision of such service on moral or religious grounds; and

“(ii) in the manner and through the written instrumentalities such Medicare+Choice organization deems appropriate, makes available information on its policies regarding such service to prospective enrollees

before or during enrollment and to enrollees within 90 days after the date that the organization or plan adopts a change in policy regarding such a counseling or referral service.

“(C) CONSTRUCTION.—Nothing in subparagraph (B) shall be construed to affect disclosure requirements under State law or under the Employee Retirement Income Security Act of 1974.

“(D) HEALTH CARE PROFESSIONAL DEFINED.—For purposes of this paragraph, the term ‘health care professional’ means a physician (as defined in section 1861(r)) or other health care professional if coverage for the professional’s services is provided under the Medicare+Choice plan for the services of the professional. Such term includes a podiatrist, optometrist, chiropractor, psychologist, dentist, physician assistant, physical or occupational therapist and therapy assistant, speech-language pathologist, audiologist, registered or licensed practical nurse (including nurse practitioner, clinical nurse specialist, certified registered nurse anesthetist, and certified nurse-midwife), licensed certified social worker, registered respiratory therapist, and certified respiratory therapy technician.

“(4) LIMITATIONS ON PHYSICIAN INCENTIVE PLANS.—

“(A) IN GENERAL.—No Medicare+Choice organization may operate any physician incentive plan (as defined in subparagraph (B)) unless the following requirements are met:

“(i) No specific payment is made directly or indirectly under the plan to a physician or physician group as an inducement to reduce or limit medically necessary services provided with respect to a specific individual enrolled with the organization.

“(ii) If the plan places a physician or physician group at substantial financial risk (as determined by the Secretary) for services not provided by the physician or physician group, the organization—

“(I) provides stop-loss protection for the physician or group that is adequate and appropriate, based on standards developed by the Secretary that take into account the number of physicians placed at such substantial financial risk in the group or under the plan and the number of individuals enrolled with the organization who receive services from the physician or group, and

“(II) conducts periodic surveys of both individuals enrolled and individuals previously enrolled with the organization to determine the degree of access of such individuals to services provided by the organization and satisfaction with the quality of such services.

“(iii) The organization provides the Secretary with descriptive information regarding the plan, sufficient to permit the Secretary to determine whether the plan is in compliance with the requirements of this subparagraph.

“(B) PHYSICIAN INCENTIVE PLAN DEFINED.—In this paragraph, the term ‘physician incentive plan’ means any

compensation arrangement between a Medicare+Choice organization and a physician or physician group that may directly or indirectly have the effect of reducing or limiting services provided with respect to individuals enrolled with the organization under this part.

“(5) LIMITATION ON PROVIDER INDEMNIFICATION.—A Medicare+Choice organization may not provide (directly or indirectly) for a health care professional, provider of services, or other entity providing health care services (or group of such professionals, providers, or entities) to indemnify the organization against any liability resulting from a civil action brought for any damage caused to an enrollee with a Medicare+Choice plan of the organization under this part by the organization’s denial of medically necessary care.

“(6) SPECIAL RULES FOR MEDICARE+CHOICE PRIVATE FEE-FOR-SERVICE PLANS.—For purposes of applying this part (including subsection (k)(1)) and section 1866(a)(1)(O), a hospital (or other provider of services), a physician or other health care professional, or other entity furnishing health care services is treated as having an agreement or contract in effect with a Medicare+Choice organization (with respect to an individual enrolled in a Medicare+Choice private fee-for-service plan it offers), if—

“(A) the provider, professional, or other entity furnishes services that are covered under the plan to such an enrollee; and

“(B) before providing such services, the provider, professional, or other entity —

“(i) has been informed of the individual’s enrollment under the plan, and

“(ii) either—

“(I) has been informed of the terms and conditions of payment for such services under the plan, or

“(II) is given a reasonable opportunity to obtain information concerning such terms and conditions,

in a manner reasonably designed to effect informed agreement by a provider.

The previous sentence shall only apply in the absence of an explicit agreement between such a provider, professional, or other entity and the Medicare+Choice organization.

“(k) TREATMENT OF SERVICES FURNISHED BY CERTAIN PROVIDERS.—

“(1) IN GENERAL.—Except as provided in paragraph (2), a physician or other entity (other than a provider of services) that does not have a contract establishing payment amounts for services furnished to an individual enrolled under this part with a Medicare+Choice organization described in section 1851(a)(2)(A) shall accept as payment in full for covered services under this title that are furnished to such an individual the amounts that the physician or other entity could collect if the individual were not so enrolled. Any penalty or other provision of law that applies to such a payment with respect to an individual entitled to benefits under this title (but not enrolled with a Medicare+Choice organization under this part) also applies with respect to an individual so enrolled.

“(2) APPLICATION TO MEDICARE+CHOICE PRIVATE FEE-FOR-SERVICE PLANS.—

“(A) BALANCE BILLING LIMITS UNDER MEDICARE+CHOICE PRIVATE FEE-FOR-SERVICE PLANS IN CASE OF CONTRACT PROVIDERS.—

“(i) IN GENERAL.—In the case of an individual enrolled in a Medicare+Choice private fee-for-service plan under this part, a physician, provider of services, or other entity that has a contract (including through the operation of subsection (j)(6)) establishing a payment rate for services furnished to the enrollee shall accept as payment in full for covered services under this title that are furnished to such an individual an amount not to exceed (including any deductibles, coinsurance, copayments, or balance billing otherwise permitted under the plan) an amount equal to 115 percent of such payment rate.

“(ii) PROCEDURES TO ENFORCE LIMITS.—The Medicare+Choice organization that offers such a plan shall establish procedures, similar to the procedures described in section 1848(g)(1)(A), in order to carry out the previous sentence.

“(iii) ASSURING ENFORCEMENT.—If the Medicare+Choice organization fails to establish and enforce procedures required under clause (ii), the organization is subject to intermediate sanctions under section 1857(g).

“(B) ENROLLEE LIABILITY FOR NONCONTRACT PROVIDERS.—For provision—

“(i) establishing minimum payment rate in the case of noncontract providers under a Medicare+Choice private fee-for-service plan, see section 1852(a)(2); or

“(ii) limiting enrollee liability in the case of covered services furnished by such providers, see paragraph (1) and section 1866(a)(1)(O).

“(C) INFORMATION ON BENEFICIARY LIABILITY.—

“(i) IN GENERAL.—Each Medicare+Choice organization that offers a Medicare+Choice private fee-for-service plan shall provide that enrollees under the plan who are furnished services for which payment is sought under the plan are provided an appropriate explanation of benefits (consistent with that provided under parts A and B and, if applicable, under medicare supplemental policies) that includes a clear statement of the amount of the enrollee’s liability (including any liability for balance billing consistent with this subsection) with respect to payments for such services.

“(ii) ADVANCE NOTICE BEFORE RECEIPT OF INPATIENT HOSPITAL SERVICES AND CERTAIN OTHER SERVICES.—In addition, such organization shall, in its terms and conditions of payments to hospitals for inpatient hospital services and for other services identified by the Secretary for which the amount of the balancing billing under subparagraph (A) could be substantial, require the hospital to provide to the enrollee, before furnishing such services and if the

hospital imposes balance billing under subparagraph (A)—

“(I) notice of the fact that balance billing is permitted under such subparagraph for such services, and

“(II) a good faith estimate of the likely amount of such balance billing (if any), with respect to such services, based upon the presenting condition of the enrollee.

“PAYMENTS TO MEDICARE+CHOICE ORGANIZATIONS

“SEC. 1853. (a) PAYMENTS TO ORGANIZATIONS.—

42 USC
1395w-23.

“(1) MONTHLY PAYMENTS.—

“(A) IN GENERAL.—Under a contract under section 1857 and subject to subsections (e) and (f) and section 1859(e)(4), the Secretary shall make monthly payments under this section in advance to each Medicare+Choice organization, with respect to coverage of an individual under this part in a Medicare+Choice payment area for a month, in an amount equal to $\frac{1}{12}$ of the annual Medicare+Choice capitation rate (as calculated under subsection (c)) with respect to that individual for that area, adjusted for such risk factors as age, disability status, gender, institutional status, and such other factors as the Secretary determines to be appropriate, so as to ensure actuarial equivalence. The Secretary may add to, modify, or substitute for such factors, if such changes will improve the determination of actuarial equivalence.

“(B) SPECIAL RULE FOR END-STAGE RENAL DISEASE.—The Secretary shall establish separate rates of payment to a Medicare+Choice organization with respect to classes of individuals determined to have end-stage renal disease and enrolled in a Medicare+Choice plan of the organization. Such rates of payment shall be actuarially equivalent to rates paid to other enrollees in the Medicare+Choice payment area (or such other area as specified by the Secretary). In accordance with regulations, the Secretary shall provide for the application of the seventh sentence of section 1881(b)(7) to payments under this section covering the provision of renal dialysis treatment in the same manner as such sentence applies to composite rate payments described in such sentence.

“(2) ADJUSTMENT TO REFLECT NUMBER OF ENROLLEES.—

“(A) IN GENERAL.—The amount of payment under this subsection may be retroactively adjusted to take into account any difference between the actual number of individuals enrolled with an organization under this part and the number of such individuals estimated to be so enrolled in determining the amount of the advance payment.

“(B) SPECIAL RULE FOR CERTAIN ENROLLEES.—

“(i) IN GENERAL.—Subject to clause (ii), the Secretary may make retroactive adjustments under subparagraph (A) to take into account individuals enrolled during the period beginning on the date on which the individual enrolls with a Medicare+Choice organization under a plan operated, sponsored, or

contributed to by the individual's employer or former employer (or the employer or former employer of the individual's spouse) and ending on the date on which the individual is enrolled in the organization under this part, except that for purposes of making such retroactive adjustments under this subparagraph, such period may not exceed 90 days.

“(ii) EXCEPTION.—No adjustment may be made under clause (i) with respect to any individual who does not certify that the organization provided the individual with the disclosure statement described in section 1852(c) at the time the individual enrolled with the organization.

“(3) ESTABLISHMENT OF RISK ADJUSTMENT FACTORS.—

“(A) REPORT.—The Secretary shall develop, and submit to Congress by not later than March 1, 1999, a report on the method of risk adjustment of payment rates under this section, to be implemented under subparagraph (C), that accounts for variations in per capita costs based on health status. Such report shall include an evaluation of such method by an outside, independent actuary of the actuarial soundness of the proposal.

“(B) DATA COLLECTION.—In order to carry out this paragraph, the Secretary shall require Medicare+Choice organizations (and eligible organizations with risk-sharing contracts under section 1876) to submit data regarding inpatient hospital services for periods beginning on or after July 1, 1997, and data regarding other services and other information as the Secretary deems necessary for periods beginning on or after July 1, 1998. The Secretary may not require an organization to submit such data before January 1, 1998.

“(C) INITIAL IMPLEMENTATION.—The Secretary shall first provide for implementation of a risk adjustment methodology that accounts for variations in per capita costs based on health status and other demographic factors for payments by no later than January 1, 2000.

“(D) UNIFORM APPLICATION TO ALL TYPES OF PLANS.—Subject to section 1859(e)(4), the methodology shall be applied uniformly without regard to the type of plan.

“(b) ANNUAL ANNOUNCEMENT OF PAYMENT RATES.—

“(1) ANNUAL ANNOUNCEMENT.—The Secretary shall annually determine, and shall announce (in a manner intended to provide notice to interested parties) not later than March 1 before the calendar year concerned—

“(A) the annual Medicare+Choice capitation rate for each Medicare+Choice payment area for the year, and

“(B) the risk and other factors to be used in adjusting such rates under subsection (a)(1)(A) for payments for months in that year.

“(2) ADVANCE NOTICE OF METHODOLOGICAL CHANGES.—At least 45 days before making the announcement under paragraph (1) for a year, the Secretary shall provide for notice to Medicare+Choice organizations of proposed changes to be made in the methodology from the methodology and assumptions used in the previous announcement and shall provide

such organizations an opportunity to comment on such proposed changes.

“(3) EXPLANATION OF ASSUMPTIONS.—In each announcement made under paragraph (1), the Secretary shall include an explanation of the assumptions and changes in methodology used in the announcement in sufficient detail so that Medicare+Choice organizations can compute monthly adjusted Medicare+Choice capitation rates for individuals in each Medicare+Choice payment area which is in whole or in part within the service area of such an organization.

“(c) CALCULATION OF ANNUAL MEDICARE+CHOICE CAPITATION RATES.—

“(1) IN GENERAL.—For purposes of this part, subject to paragraphs (6)(C) and (7), each annual Medicare+Choice capitation rate, for a Medicare+Choice payment area for a contract year consisting of a calendar year, is equal to the largest of the amounts specified in the following subparagraph (A), (B), or (C):

“(A) BLENDED CAPITATION RATE.—The sum of—

“(i) the area-specific percentage (as specified under paragraph (2) for the year) of the annual area-specific Medicare+Choice capitation rate for the Medicare+Choice payment area, as determined under paragraph (3) for the year, and

“(ii) the national percentage (as specified under paragraph (2) for the year) of the input-price-adjusted annual national Medicare+Choice capitation rate, as determined under paragraph (4) for the year,

multiplied by the budget neutrality adjustment factor determined under paragraph (5).

“(B) MINIMUM AMOUNT.—12 multiplied by the following amount:

“(i) For 1998, \$367 (but not to exceed, in the case of an area outside the 50 States and the District of Columbia, 150 percent of the annual per capita rate of payment for 1997 determined under section 1876(a)(1)(C) for the area).

“(ii) For a succeeding year, the minimum amount specified in this clause (or clause (i)) for the preceding year increased by the national per capita Medicare+Choice growth percentage, described in paragraph (6)(A) for that succeeding year.

“(C) MINIMUM PERCENTAGE INCREASE.—

“(i) For 1998, 102 percent of the annual per capita rate of payment for 1997 determined under section 1876(a)(1)(C) for the Medicare+Choice payment area.

“(ii) For a subsequent year, 102 percent of the annual Medicare+Choice capitation rate under this paragraph for the area for the previous year.

“(2) AREA-SPECIFIC AND NATIONAL PERCENTAGES.—For purposes of paragraph (1)(A)—

“(A) for 1998, the ‘area-specific percentage’ is 90 percent and the ‘national percentage’ is 10 percent,

“(B) for 1999, the ‘area-specific percentage’ is 82 percent and the ‘national percentage’ is 18 percent,

“(C) for 2000, the ‘area-specific percentage’ is 74 percent and the ‘national percentage’ is 26 percent,

“(D) for 2001, the ‘area-specific percentage’ is 66 percent and the ‘national percentage’ is 34 percent,

“(E) for 2002, the ‘area-specific percentage’ is 58 percent and the ‘national percentage’ is 42 percent, and

“(F) for a year after 2002, the ‘area-specific percentage’ is 50 percent and the ‘national percentage’ is 50 percent.

“(3) ANNUAL AREA-SPECIFIC MEDICARE+CHOICE CAPITATION RATE.—

“(A) IN GENERAL.—For purposes of paragraph (1)(A), subject to subparagraph (B), the annual area-specific Medicare+Choice capitation rate for a Medicare+Choice payment area—

“(i) for 1998 is, subject to subparagraph (D), the annual per capita rate of payment for 1997 determined under section 1876(a)(1)(C) for the area, increased by the national per capita Medicare+Choice growth percentage for 1998 (described in paragraph (6)(A)); or

“(ii) for a subsequent year is the annual area-specific Medicare+Choice capitation rate for the previous year determined under this paragraph for the area, increased by the national per capita Medicare+Choice growth percentage for such subsequent year.

“(B) REMOVAL OF MEDICAL EDUCATION FROM CALCULATION OF ADJUSTED AVERAGE PER CAPITA COST.—

“(i) IN GENERAL.—In determining the area-specific Medicare+Choice capitation rate under subparagraph (A) for a year (beginning with 1998), the annual per capita rate of payment for 1997 determined under section 1876(a)(1)(C) shall be adjusted to exclude from the rate the applicable percent (specified in clause (ii)) of the payment adjustments described in subparagraph (C).

“(ii) APPLICABLE PERCENT.—For purposes of clause (i), the applicable percent for—

“(I) 1998 is 20 percent,

“(II) 1999 is 40 percent,

“(III) 2000 is 60 percent,

“(IV) 2001 is 80 percent, and

“(V) a succeeding year is 100 percent.

“(C) PAYMENT ADJUSTMENT.—

“(i) IN GENERAL.—Subject to clause (ii), the payment adjustments described in this subparagraph are payment adjustments which the Secretary estimates were payable during 1997—

“(I) for the indirect costs of medical education under section 1886(d)(5)(B), and

“(II) for direct graduate medical education costs under section 1886(h).

“(ii) TREATMENT OF PAYMENTS COVERED UNDER STATE HOSPITAL REIMBURSEMENT SYSTEM.—To the extent that the Secretary estimates that an annual per capita rate of payment for 1997 described in clause (i) reflects payments to hospitals reimbursed under section 1814(b)(3), the Secretary shall estimate a payment adjustment that is comparable to the payment

adjustment that would have been made under clause (i) if the hospitals had not been reimbursed under such section.

“(D) TREATMENT OF AREAS WITH HIGHLY VARIABLE PAYMENT RATES.—In the case of a Medicare+Choice payment area for which the annual per capita rate of payment determined under section 1876(a)(1)(C) for 1997 varies by more than 20 percent from such rate for 1996, for purposes of this subsection the Secretary may substitute for such rate for 1997 a rate that is more representative of the costs of the enrollees in the area.

“(4) INPUT-PRICE-ADJUSTED ANNUAL NATIONAL MEDICARE+CHOICE CAPITATION RATE.—

“(A) IN GENERAL.—For purposes of paragraph (1)(A), the input-price-adjusted annual national Medicare+Choice capitation rate for a Medicare+Choice payment area for a year is equal to the sum, for all the types of medicare services (as classified by the Secretary), of the product (for each such type of service) of—

“(i) the national standardized annual Medicare+Choice capitation rate (determined under subparagraph (B)) for the year,

“(ii) the proportion of such rate for the year which is attributable to such type of services, and

“(iii) an index that reflects (for that year and that type of services) the relative input price of such services in the area compared to the national average input price of such services.

In applying clause (iii), the Secretary may, subject to subparagraph (C), apply those indices under this title that are used in applying (or updating) national payment rates for specific areas and localities.

“(B) NATIONAL STANDARDIZED ANNUAL MEDICARE+CHOICE CAPITATION RATE.—In subparagraph (A)(i), the ‘national standardized annual Medicare+Choice capitation rate’ for a year is equal to—

“(i) the sum (for all Medicare+Choice payment areas) of the product of—

“(I) the annual area-specific Medicare+Choice capitation rate for that year for the area under paragraph (3), and

“(II) the average number of medicare beneficiaries residing in that area in the year, multiplied by the average of the risk factor weights used to adjust payments under subsection (a)(1)(A) for such beneficiaries in such area; divided by

“(ii) the sum of the products described in clause (i)(II) for all areas for that year.

“(C) SPECIAL RULES FOR 1998.—In applying this paragraph for 1998—

“(i) medicare services shall be divided into 2 types of services: part A services and part B services;

“(ii) the proportions described in subparagraph (A)(ii)—

“(I) for part A services shall be the ratio (expressed as a percentage) of the national average annual per capita rate of payment for part A for

1997 to the total national average annual per capita rate of payment for parts A and B for 1997, and

“(II) for part B services shall be 100 percent minus the ratio described in subclause (I);

“(iii) for part A services, 70 percent of payments attributable to such services shall be adjusted by the index used under section 1886(d)(3)(E) to adjust payment rates for relative hospital wage levels for hospitals located in the payment area involved;

“(iv) for part B services—

“(I) 66 percent of payments attributable to such services shall be adjusted by the index of the geographic area factors under section 1848(e) used to adjust payment rates for physicians’ services furnished in the payment area, and

“(II) of the remaining 34 percent of the amount of such payments, 40 percent shall be adjusted by the index described in clause (iii); and

“(v) the index values shall be computed based only on the beneficiary population who are 65 years of age or older and who are not determined to have end stage renal disease.

The Secretary may continue to apply the rules described in this subparagraph (or similar rules) for 1999.

“(5) PAYMENT ADJUSTMENT BUDGET NEUTRALITY FACTOR.—

For purposes of paragraph (1)(A), for each year, the Secretary shall determine a budget neutrality adjustment factor so that the aggregate of the payments under this part shall equal the aggregate payments that would have been made under this part if payment were based entirely on area-specific capitation rates.

“(6) NATIONAL PER CAPITA MEDICARE+CHOICE GROWTH PERCENTAGE DEFINED.—

“(A) IN GENERAL.—In this part, the ‘national per capita Medicare+Choice growth percentage’ for a year is the percentage determined by the Secretary, by March 1st before the beginning of the year involved, to reflect the Secretary’s estimate of the projected per capita rate of growth in expenditures under this title for an individual entitled to benefits under part A and enrolled under part B, reduced by the number of percentage points specified in subparagraph (B) for the year. Separate determinations may be made for aged enrollees, disabled enrollees, and enrollees with end-stage renal disease.

“(B) ADJUSTMENT.—The number of percentage points specified in this subparagraph is—

“(i) for 1998, 0.8 percentage points,

“(ii) for 1999, 0.5 percentage points,

“(iii) for 2000, 0.5 percentage points,

“(iv) for 2001, 0.5 percentage points,

“(v) for 2002, 0.5 percentage points, and

“(vi) for a year after 2002, 0 percentage points.

“(C) ADJUSTMENT FOR OVER OR UNDER PROJECTION OF NATIONAL PER CAPITA MEDICARE+CHOICE GROWTH PERCENTAGE.—Beginning with rates calculated for 1999, before computing rates for a year as described in paragraph (1),

the Secretary shall adjust all area-specific and national Medicare+Choice capitation rates (and beginning in 2000, the minimum amount) for the previous year for the differences between the projections of the national per capita Medicare+Choice growth percentage for that year and previous years and the current estimate of such percentage for such years.

“(7) ADJUSTMENT FOR NATIONAL COVERAGE DETERMINATIONS.—If the Secretary makes a determination with respect to coverage under this title that the Secretary projects will result in a significant increase in the costs to Medicare+Choice of providing benefits under contracts under this part (for periods after any period described in section 1852(a)(5)), the Secretary shall adjust appropriately the payments to such organizations under this part.

“(d) MEDICARE+CHOICE PAYMENT AREA DEFINED.—

“(1) IN GENERAL.—In this part, except as provided in paragraph (3), the term ‘Medicare+Choice payment area’ means a county, or equivalent area specified by the Secretary.

“(2) RULE FOR ESRD BENEFICIARIES.—In the case of individuals who are determined to have end stage renal disease, the Medicare+Choice payment area shall be a State or such other payment area as the Secretary specifies.

“(3) GEOGRAPHIC ADJUSTMENT.—

“(A) IN GENERAL.—Upon written request of the chief executive officer of a State for a contract year (beginning after 1998) made by not later than February 1 of the previous year, the Secretary shall make a geographic adjustment to a Medicare+Choice payment area in the State otherwise determined under paragraph (1)—

“(i) to a single statewide Medicare+Choice payment area,

“(ii) to the metropolitan based system described in subparagraph (C), or

“(iii) to consolidating into a single Medicare+Choice payment area noncontiguous counties (or equivalent areas described in paragraph (1)) within a State.

Such adjustment shall be effective for payments for months beginning with January of the year following the year in which the request is received.

“(B) BUDGET NEUTRALITY ADJUSTMENT.—In the case of a State requesting an adjustment under this paragraph, the Secretary shall initially (and annually thereafter) adjust the payment rates otherwise established under this section for Medicare+Choice payment areas in the State in a manner so that the aggregate of the payments under this section in the State shall not exceed the aggregate payments that would have been made under this section for Medicare+Choice payment areas in the State in the absence of the adjustment under this paragraph.

“(C) METROPOLITAN BASED SYSTEM.—The metropolitan based system described in this subparagraph is one in which—

“(i) all the portions of each metropolitan statistical area in the State or in the case of a consolidated metropolitan statistical area, all of the portions of each primary metropolitan statistical area within the

consolidated area within the State, are treated as a single Medicare+Choice payment area, and

“(ii) all areas in the State that do not fall within a metropolitan statistical area are treated as a single Medicare+Choice payment area.

“(D) AREAS.—In subparagraph (C), the terms ‘metropolitan statistical area’, ‘consolidated metropolitan statistical area’, and ‘primary metropolitan statistical area’ mean any area designated as such by the Secretary of Commerce.

“(e) SPECIAL RULES FOR INDIVIDUALS ELECTING MSA PLANS.—

“(1) IN GENERAL.—If the amount of the Medicare+Choice monthly MSA premium (as defined in section 1854(b)(2)(C)) for an MSA plan for a year is less than $\frac{1}{12}$ of the annual Medicare+Choice capitation rate applied under this section for the area and year involved, the Secretary shall deposit an amount equal to 100 percent of such difference in a Medicare+Choice MSA established (and, if applicable, designated) by the individual under paragraph (2).

“(2) ESTABLISHMENT AND DESIGNATION OF MEDICARE+CHOICE MEDICAL SAVINGS ACCOUNT AS REQUIREMENT FOR PAYMENT OF CONTRIBUTION.—In the case of an individual who has elected coverage under an MSA plan, no payment shall be made under paragraph (1) on behalf of an individual for a month unless the individual—

“(A) has established before the beginning of the month (or by such other deadline as the Secretary may specify) a Medicare+Choice MSA (as defined in section 138(b)(2) of the Internal Revenue Code of 1986), and

“(B) if the individual has established more than one such Medicare+Choice MSA, has designated one of such accounts as the individual’s Medicare+Choice MSA for purposes of this part.

Under rules under this section, such an individual may change the designation of such account under subparagraph (B) for purposes of this part.

“(3) LUMP-SUM DEPOSIT OF MEDICAL SAVINGS ACCOUNT CONTRIBUTION.—In the case of an individual electing an MSA plan effective beginning with a month in a year, the amount of the contribution to the Medicare+Choice MSA on behalf of the individual for that month and all successive months in the year shall be deposited during that first month. In the case of a termination of such an election as of a month before the end of a year, the Secretary shall provide for a procedure for the recovery of deposits attributable to the remaining months in the year.

“(f) PAYMENTS FROM TRUST FUND.—The payment to a Medicare+Choice organization under this section for individuals enrolled under this part with the organization and payments to a Medicare+Choice MSA under subsection (e)(1) shall be made from the Federal Hospital Insurance Trust Fund and the Federal Supplementary Medical Insurance Trust Fund in such proportion as the Secretary determines reflects the relative weight that benefits under part A and under part B represents of the actuarial value of the total benefits under this title. Monthly payments otherwise payable under this section for October 2000 shall be paid on the first business day of such month. Monthly payments otherwise payable under this section for October 2001 shall be paid on the

last business day of September 2001. Monthly payments otherwise payable under this section for October 2006 shall be paid on the first business day of October 2006.

“(g) SPECIAL RULE FOR CERTAIN INPATIENT HOSPITAL STAYS.—

In the case of an individual who is receiving inpatient hospital services from a subsection (d) hospital (as defined in section 1886(d)(1)(B)) as of the effective date of the individual’s—

“(1) election under this part of a Medicare+Choice plan offered by a Medicare+Choice organization—

“(A) payment for such services until the date of the individual’s discharge shall be made under this title through the Medicare+Choice plan or the original medicare fee-for-service program option described in section 1851(a)(1)(A) (as the case may be) elected before the election with such organization,

“(B) the elected organization shall not be financially responsible for payment for such services until the date after the date of the individual’s discharge, and

“(C) the organization shall nonetheless be paid the full amount otherwise payable to the organization under this part; or

“(2) termination of election with respect to a Medicare+Choice organization under this part—

“(A) the organization shall be financially responsible for payment for such services after such date and until the date of the individual’s discharge,

“(B) payment for such services during the stay shall not be made under section 1886(d) or by any succeeding Medicare+Choice organization, and

“(C) the terminated organization shall not receive any payment with respect to the individual under this part during the period the individual is not enrolled.

“(h) SPECIAL RULE FOR HOSPICE CARE.—

“(1) INFORMATION.—A contract under this part shall require the Medicare+Choice organization to inform each individual enrolled under this part with a Medicare+Choice plan offered by the organization about the availability of hospice care if—

“(A) a hospice program participating under this title is located within the organization’s service area; or

“(B) it is common practice to refer patients to hospice programs outside such service area.

“(2) PAYMENT.—If an individual who is enrolled with a Medicare+Choice organization under this part makes an election under section 1812(d)(1) to receive hospice care from a particular hospice program—

“(A) payment for the hospice care furnished to the individual shall be made to the hospice program elected by the individual by the Secretary;

“(B) payment for other services for which the individual is eligible notwithstanding the individual’s election of hospice care under section 1812(d)(1), including services not related to the individual’s terminal illness, shall be made by the Secretary to the Medicare+Choice organization or the provider or supplier of the service instead of payments calculated under subsection (a); and

“(C) the Secretary shall continue to make monthly payments to the Medicare+Choice organization in an

amount equal to the value of the additional benefits required under section 1854(f)(1)(A).

“(B) EXCEPTION.—The Secretary shall not review, approve, or disapprove the amounts submitted under paragraph (3) or subparagraphs (A)(ii) and (B) of paragraph (4).

“(b) MONTHLY PREMIUM CHARGED.—

“(1) IN GENERAL.—

“(A) RULE FOR OTHER THAN MSA PLANS.—The monthly amount of the premium charged to an individual enrolled in a Medicare+Choice plan (other than an MSA plan) offered by a Medicare+Choice organization shall be equal to the sum of the Medicare+Choice monthly basic beneficiary premium and the Medicare+Choice monthly supplementary beneficiary premium (if any).

“(B) MSA PLANS.—The monthly amount of the premium charged to an individual enrolled in an MSA plan offered by a Medicare+Choice organization shall be equal to the Medicare+Choice monthly supplemental beneficiary premium (if any).

“(2) PREMIUM TERMINOLOGY DEFINED.—For purposes of this part:

“(A) THE MEDICARE+CHOICE MONTHLY BASIC BENEFICIARY PREMIUM.—The term ‘Medicare+Choice monthly basic beneficiary premium’ means, with respect to a Medicare+Choice plan, the amount authorized to be charged under subsection (e)(1) for the plan, or, in the case of a Medicare+Choice private fee-for-service plan, the amount filed under subsection (a)(4)(A)(ii).

“(B) MEDICARE+CHOICE MONTHLY SUPPLEMENTAL BENEFICIARY PREMIUM.—The term ‘Medicare+Choice monthly supplemental beneficiary premium’ means, with respect to a Medicare+Choice plan, the amount authorized to be charged under subsection (e)(2) for the plan or, in the case of a MSA plan or Medicare+Choice private fee-for-

service plan, the amount filed under paragraph (3)(B) or (4)(B) of subsection (a).

“(C) MEDICARE+CHOICE MONTHLY MSA PREMIUM.—The term ‘Medicare+Choice monthly MSA premium’ means, with respect to a Medicare+Choice plan, the amount of such premium filed under subsection (a)(3)(A) for the plan.

“(c) UNIFORM PREMIUM.—The Medicare+Choice monthly basic and supplemental beneficiary premium, the Medicare+Choice monthly MSA premium charged under subsection (b) of a Medicare+Choice organization under this part may not vary among individuals enrolled in the plan.

“(d) TERMS AND CONDITIONS OF IMPOSING PREMIUMS.—Each Medicare+Choice organization shall permit the payment of Medicare+Choice monthly basic and supplemental beneficiary premiums on a monthly basis, may terminate election of individuals for a Medicare+Choice plan for failure to make premium payments only in accordance with section 1851(g)(3)(B)(i), and may not provide for cash or other monetary rebates as an inducement for enrollment or otherwise.

“(e) LIMITATION ON ENROLLEE LIABILITY.—

“(1) FOR BASIC AND ADDITIONAL BENEFITS.—In no event may—

“(A) the Medicare+Choice monthly basic beneficiary premium (multiplied by 12) and the actuarial value of the deductibles, coinsurance, and copayments applicable on average to individuals enrolled under this part with a Medicare+Choice plan described in section 1851(a)(2)(A) of an organization with respect to required benefits described in section 1852(a)(1)(A) and additional benefits (if any) required under subsection (f)(1)(A) for a year, exceed

“(B) the actuarial value of the deductibles, coinsurance, and copayments that would be applicable on average to individuals entitled to benefits under part A and enrolled under part B if they were not members of a Medicare+Choice organization for the year.

“(2) FOR SUPPLEMENTAL BENEFITS.—If the Medicare+Choice organization provides to its members enrolled under this part in a Medicare+Choice plan described in section 1851(a)(2)(A) with respect to supplemental benefits described in section 1852(a)(3), the sum of the Medicare+Choice monthly supplemental beneficiary premium (multiplied by 12) charged and the actuarial value of its deductibles, coinsurance, and copayments charged with respect to such benefits may not exceed the adjusted community rate for such benefits (as defined in subsection (f)(3)).

“(3) DETERMINATION ON OTHER BASIS.—If the Secretary determines that adequate data are not available to determine the actuarial value under paragraph (1)(A) or (2), the Secretary may determine such amount with respect to all individuals in same geographic area, the State, or in the United States, eligible to enroll in the Medicare+Choice plan involved under this part or on the basis of other appropriate data.

“(4) SPECIAL RULE FOR PRIVATE FEE-FOR-SERVICE PLANS.—With respect to a Medicare+Choice private fee-for-service plan (other than a plan that is an MSA plan), in no event may—

“(A) the actuarial value of the deductibles, coinsurance, and copayments applicable on average to individuals enrolled under this part with such a plan of an organization with respect to required benefits described in section 1852(a)(1), exceed

“(B) the actuarial value of the deductibles, coinsurance, and copayments that would be applicable on average to individuals entitled to benefits under part A and enrolled under part B if they were not members of a Medicare+Choice organization for the year.

“(f) REQUIREMENT FOR ADDITIONAL BENEFITS.—

“(1) REQUIREMENT.—

“(A) IN GENERAL.—Each Medicare+Choice organization (in relation to a Medicare+Choice plan, other than an MSA plan, it offers) shall provide that if there is an excess amount (as defined in subparagraph (B)) for the plan for a contract year, subject to the succeeding provisions of this subsection, the organization shall provide to individuals such additional benefits (as the organization may specify) in a value which the Secretary determines is at least equal to the adjusted excess amount (as defined in subparagraph (C)).

“(B) EXCESS AMOUNT.—For purposes of this paragraph, the ‘excess amount’, for an organization for a plan, is the amount (if any) by which—

“(i) the average of the capitation payments made to the organization under section 1853 for the plan at the beginning of contract year, exceeds

“(ii) the actuarial value of the required benefits described in section 1852(a)(1)(A) under the plan for individuals under this part, as determined based upon an adjusted community rate described in paragraph (3) (as reduced for the actuarial value of the coinsurance, copayments, and deductibles under parts A and B).

“(C) ADJUSTED EXCESS AMOUNT.—For purposes of this paragraph, the ‘adjusted excess amount’, for an organization for a plan, is the excess amount reduced to reflect any amount withheld and reserved for the organization for the year under paragraph (2).

“(D) UNIFORM APPLICATION.—This paragraph shall be applied uniformly for all enrollees for a plan.

“(E) CONSTRUCTION.—Nothing in this subsection shall be construed as preventing a Medicare+Choice organization from providing supplemental benefits (described in section 1852(a)(3)) that are in addition to the health care benefits otherwise required to be provided under this paragraph and from imposing a premium for such supplemental benefits.

“(2) STABILIZATION FUND.—A Medicare+Choice organization may provide that a part of the value of an excess amount described in paragraph (1) be withheld and reserved in the Federal Hospital Insurance Trust Fund and in the Federal Supplementary Medical Insurance Trust Fund (in such proportions as the Secretary determines to be appropriate) by the Secretary for subsequent annual contract periods, to the extent required to stabilize and prevent undue fluctuations in the

additional benefits offered in those subsequent periods by the organization in accordance with such paragraph. Any of such value of the amount reserved which is not provided as additional benefits described in paragraph (1)(A) to individuals electing the Medicare+Choice plan of the organization in accordance with such paragraph prior to the end of such periods, shall revert for the use of such trust funds.

“(3) ADJUSTED COMMUNITY RATE.—For purposes of this subsection, subject to paragraph (4), the term ‘adjusted community rate’ for a service or services means, at the election of a Medicare+Choice organization, either—

“(A) the rate of payment for that service or services which the Secretary annually determines would apply to an individual electing a Medicare+Choice plan under this part if the rate of payment were determined under a ‘community rating system’ (as defined in section 1302(8) of the Public Health Service Act, other than subparagraph (C)), or

“(B) such portion of the weighted aggregate premium, which the Secretary annually estimates would apply to such an individual, as the Secretary annually estimates is attributable to that service or services,

but adjusted for differences between the utilization characteristics of the individuals electing coverage under this part and the utilization characteristics of the other enrollees with the plan (or, if the Secretary finds that adequate data are not available to adjust for those differences, the differences between the utilization characteristics of individuals selecting other Medicare+Choice coverage, or Medicare+Choice eligible individuals in the area, in the State, or in the United States, eligible to elect Medicare+Choice coverage under this part and the utilization characteristics of the rest of the population in the area, in the State, or in the United States, respectively).

“(4) DETERMINATION BASED ON INSUFFICIENT DATA.—For purposes of this subsection, if the Secretary finds that there is insufficient enrollment experience to determine an average of the capitation payments to be made under this part at the beginning of a contract period or to determine (in the case of a newly operated provider-sponsored organization or other new organization) the adjusted community rate for the organization, the Secretary may determine such an average based on the enrollment experience of other contracts entered into under this part and may determine such a rate using data in the general commercial marketplace.

“(g) PROHIBITION OF STATE IMPOSITION OF PREMIUM TAXES.—No State may impose a premium tax or similar tax with respect to payments to Medicare+Choice organizations under section 1853.

“ORGANIZATIONAL AND FINANCIAL REQUIREMENTS FOR MEDICARE+CHOICE ORGANIZATIONS; PROVIDER-SPONSORED ORGANIZATIONS

42 USC
1395w-25.

“SEC. 1855. (a) ORGANIZED AND LICENSED UNDER STATE LAW.—

“(1) IN GENERAL.—Subject to paragraphs (2) and (3), a Medicare+Choice organization shall be organized and licensed under State law as a risk-bearing entity eligible to offer health insurance or health benefits coverage in each State in which it offers a Medicare+Choice plan.

“(2) SPECIAL EXCEPTION FOR PROVIDER-SPONSORED ORGANIZATIONS.—

“(A) IN GENERAL.—In the case of a provider-sponsored organization that seeks to offer a Medicare+Choice plan in a State, the Secretary shall waive the requirement of paragraph (1) that the organization be licensed in that State if—

“(i) the organization files an application for such waiver with the Secretary by not later than November 1, 2002, and

“(ii) the Secretary determines, based on the application and other evidence presented to the Secretary, that any of the grounds for approval of the application described in subparagraph (B), (C), or (D) has been met.

“(B) FAILURE TO ACT ON LICENSURE APPLICATION ON A TIMELY BASIS.—The ground for approval of such a waiver application described in this subparagraph is that the State has failed to complete action on a licensing application of the organization within 90 days of the date of the State’s receipt of a substantially complete application. No period before the date of the enactment of this section shall be included in determining such 90-day period.

“(C) DENIAL OF APPLICATION BASED ON DISCRIMINATORY TREATMENT.—The ground for approval of such a waiver application described in this subparagraph is that the State has denied such a licensing application and—

“(i) the standards or review process imposed by the State as a condition of approval of the license imposes any material requirements, procedures, or standards (other than solvency requirements) to such organizations that are not generally applicable to other entities engaged in a substantially similar business, or

“(ii) the State requires the organization, as a condition of licensure, to offer any product or plan other than a Medicare+Choice plan.

“(D) DENIAL OF APPLICATION BASED ON APPLICATION OF SOLVENCY REQUIREMENTS.—With respect to waiver applications filed on or after the date of publication of solvency standards under section 1856(a), the ground for approval of such a waiver application described in this subparagraph is that the State has denied such a licensing application based (in whole or in part) on the organization’s failure to meet applicable solvency requirements and—

“(i) such requirements are not the same as the solvency standards established under section 1856(a); or

“(ii) the State has imposed as a condition of approval of the license documentation or information requirements relating to solvency or other material requirements, procedures, or standards relating to solvency that are different from the requirements, procedures, and standards applied by the Secretary under subsection (d)(2).

For purposes of this paragraph, the term ‘solvency requirements’ means requirements relating to solvency and other

matters covered under the standards established under section 1856(a).

“(E) TREATMENT OF WAIVER.—In the case of a waiver granted under this paragraph for a provider-sponsored organization with respect to a State—

“(i) LIMITATION TO STATE.—The waiver shall be effective only with respect to that State and does not apply to any other State.

“(ii) LIMITATION TO 36-MONTH PERIOD.—The waiver shall be effective only for a 36-month period and may not be renewed.

“(iii) CONDITIONED ON COMPLIANCE WITH CONSUMER PROTECTION AND QUALITY STANDARDS.—The continuation of the waiver is conditioned upon the organization’s compliance with the requirements described in subparagraph (G).

“(iv) PREEMPTION OF STATE LAW.—Any provisions of law of that State which relate to the licensing of the organization and which prohibit the organization from providing coverage pursuant to a contract under this part shall be superseded.

“(F) PROMPT ACTION ON APPLICATION.—The Secretary shall grant or deny such a waiver application within 60 days after the date the Secretary determines that a substantially complete waiver application has been filed. Nothing in this section shall be construed as preventing an organization which has had such a waiver application denied from submitting a subsequent waiver application.

“(G) APPLICATION AND ENFORCEMENT OF STATE CONSUMER PROTECTION AND QUALITY STANDARDS.—

“(i) IN GENERAL.—A waiver granted under this paragraph to an organization with respect to licensing under State law is conditioned upon the organization’s compliance with all consumer protection and quality standards insofar as such standards—

“(I) would apply in the State to the organization if it were licensed under State law;

“(II) are generally applicable to other Medicare+Choice organizations and plans in the State; and

“(III) are consistent with the standards established under this part.

Such standards shall not include any standard preempted under section 1856(b)(3)(B).

“(ii) INCORPORATION INTO CONTRACT.—In the case of such a waiver granted to an organization with respect to a State, the Secretary shall incorporate the requirement that the organization (and Medicare+Choice plans it offers) comply with standards under clause (i) as part of the contract between the Secretary and the organization under section 1857.

“(iii) ENFORCEMENT.—In the case of such a waiver granted to an organization with respect to a State, the Secretary may enter into an agreement with the State under which the State agrees to provide for monitoring and enforcement activities with respect to compliance of such an organization and its

Medicare+Choice plans with such standards. Such monitoring and enforcement shall be conducted by the State in the same manner as the State enforces such standards with respect to other Medicare+Choice organizations and plans, without discrimination based on the type of organization to which the standards apply. Such an agreement shall specify or establish mechanisms by which compliance activities are undertaken, while not lengthening the time required to review and process applications for waivers under this paragraph.

“(H) REPORT.—By not later than December 31, 2001, the Secretary shall submit to the Committee on Ways and Means and the Committee on Commerce of the House of Representatives and the Committee on Finance of the Senate a report regarding whether the waiver process under this paragraph should be continued after December 31, 2002. In making such recommendation, the Secretary shall consider, among other factors, the impact of such process on beneficiaries and on the long-term solvency of the program under this title.

“(3) LICENSURE DOES NOT SUBSTITUTE FOR OR CONSTITUTE CERTIFICATION.—The fact that an organization is licensed in accordance with paragraph (1) does not deem the organization to meet other requirements imposed under this part.

“(b) ASSUMPTION OF FULL FINANCIAL RISK.—The Medicare+Choice organization shall assume full financial risk on a prospective basis for the provision of the health care services for which benefits are required to be provided under section 1852(a)(1), except that the organization—

“(1) may obtain insurance or make other arrangements for the cost of providing to any enrolled member such services the aggregate value of which exceeds such aggregate level as the Secretary specifies from time to time,

“(2) may obtain insurance or make other arrangements for the cost of such services provided to its enrolled members other than through the organization because medical necessity required their provision before they could be secured through the organization,

“(3) may obtain insurance or make other arrangements for not more than 90 percent of the amount by which its costs for any of its fiscal years exceed 115 percent of its income for such fiscal year, and

“(4) may make arrangements with physicians or other health care professionals, health care institutions, or any combination of such individuals or institutions to assume all or part of the financial risk on a prospective basis for the provision of basic health services by the physicians or other health professionals or through the institutions.

“(c) CERTIFICATION OF PROVISION AGAINST RISK OF INSOLVENCY FOR UNLICENSED PSOs.—

“(1) IN GENERAL.—Each Medicare+Choice organization that is a provider-sponsored organization, that is not licensed by a State under subsection (a), and for which a waiver application has been approved under subsection (a)(2), shall meet standards established under section 1856(a) relating to the financial solvency and capital adequacy of the organization.

“(2) CERTIFICATION PROCESS FOR SOLVENCY STANDARDS FOR PSOS.—The Secretary shall establish a process for the receipt and approval of applications of a provider-sponsored organization described in paragraph (1) for certification (and periodic recertification) of the organization as meeting such solvency standards. Under such process, the Secretary shall act upon such a certification application not later than 60 days after the date the application has been received.

“(d) PROVIDER-SPONSORED ORGANIZATION DEFINED.—

“(1) IN GENERAL.—In this part, the term ‘provider-sponsored organization’ means a public or private entity—

“(A) that is established or organized, and operated, by a health care provider, or group of affiliated health care providers,

“(B) that provides a substantial proportion (as defined by the Secretary in accordance with paragraph (2)) of the health care items and services under the contract under this part directly through the provider or affiliated group of providers, and

“(C) with respect to which the affiliated providers share, directly or indirectly, substantial financial risk with respect to the provision of such items and services and have at least a majority financial interest in the entity.

“(2) SUBSTANTIAL PROPORTION.—In defining what is a ‘substantial proportion’ for purposes of paragraph (1)(B), the Secretary—

“(A) shall take into account the need for such an organization to assume responsibility for providing—

“(i) significantly more than the majority of the items and services under the contract under this section through its own affiliated providers; and

“(ii) most of the remainder of the items and services under the contract through providers with which the organization has an agreement to provide such items and services,

in order to assure financial stability and to address the practical considerations involved in integrating the delivery of a wide range of service providers;

“(B) shall take into account the need for such an organization to provide a limited proportion of the items and services under the contract through providers that are neither affiliated with nor have an agreement with the organization; and

“(C) may allow for variation in the definition of substantial proportion among such organizations based on relevant differences among the organizations, such as their location in an urban or rural area.

“(3) AFFILIATION.—For purposes of this subsection, a provider is ‘affiliated’ with another provider if, through contract, ownership, or otherwise—

“(A) one provider, directly or indirectly, controls, is controlled by, or is under common control with the other,

“(B) both providers are part of a controlled group of corporations under section 1563 of the Internal Revenue Code of 1986,

“(C) each provider is a participant in a lawful combination under which each provider shares substantial financial risk in connection with the organization’s operations, or

“(D) both providers are part of an affiliated service group under section 414 of such Code.

“(4) CONTROL.—For purposes of paragraph (3), control is presumed to exist if one party, directly or indirectly, owns, controls, or holds the power to vote, or proxies for, not less than 51 percent of the voting rights or governance rights of another.

“(5) HEALTH CARE PROVIDER DEFINED.—In this subsection, the term ‘health care provider’ means—

“(A) any individual who is engaged in the delivery of health care services in a State and who is required by State law or regulation to be licensed or certified by the State to engage in the delivery of such services in the State, and

“(B) any entity that is engaged in the delivery of health care services in a State and that, if it is required by State law or regulation to be licensed or certified by the State to engage in the delivery of such services in the State, is so licensed.

“(6) REGULATIONS.—The Secretary shall issue regulations to carry out this subsection.

“ESTABLISHMENT OF STANDARDS

“SEC. 1856. (a) ESTABLISHMENT OF SOLVENCY STANDARDS FOR PROVIDER-SPONSORED ORGANIZATIONS.—

42 USC
1395w-26.

“(1) ESTABLISHMENT.—

(B) pursuant to an election under 1886(b)(3)(G) of such Act (42 U.S.C. 1395ww(b)(3)(G)), as added in section 4413(b), the period provided for under such section.

(3) DEADLINE FOR PAYMENTS.—Any payments owed to a hospital by reason of this subsection shall be made expeditiously, but in no event later than 1 year after the date of the enactment of this Act.

Subchapter B—Prospective Payment System for PPS-Exempt Hospitals

SEC. 4421. PROSPECTIVE PAYMENT FOR INPATIENT REHABILITATION HOSPITAL SERVICES.

(a) IN GENERAL.—Section 1886 (42 U.S.C. 1395ww) is amended by adding at the end the following new subsection:

“(j) PROSPECTIVE PAYMENT FOR INPATIENT REHABILITATION SERVICES.—

“(1) PAYMENT DURING TRANSITION PERIOD.—

“(A) IN GENERAL.—Notwithstanding section 1814(b), but subject to the provisions of section 1813, the amount of the payment with respect to the operating and capital costs of inpatient hospital services of a rehabilitation hospital or a rehabilitation unit (in this subsection referred to as a ‘rehabilitation facility’), in a cost reporting period beginning on or after October 1, 2000, and before October 1, 2002, is equal to the sum of—

“(i) the TEFRA percentage (as defined in subparagraph (C)) of the amount that would have been paid under part A with respect to such costs if this subsection did not apply, and

“(ii) the prospective payment percentage (as defined in subparagraph (C)) of the product of (I) the per unit payment rate established under this subsection for the fiscal year in which the payment unit of service occurs, and (II) the number of such payment units occurring in the cost reporting period.

“(B) FULLY IMPLEMENTED SYSTEM.—Notwithstanding section 1814(b), but subject to the provisions of section 1813, the amount of the payment with respect to the operating and capital costs of inpatient hospital services of a rehabilitation facility for a payment unit in a cost reporting period beginning on or after October 1, 2002, is equal to the per unit payment rate established under this subsection for the fiscal year in which the payment unit of service occurs.

“(C) TEFRA AND PROSPECTIVE PAYMENT PERCENTAGES SPECIFIED.—For purposes of subparagraph (A), for a cost reporting period beginning—

“(i) on or after October 1, 2000, and before October 1, 2001, the ‘TEFRA percentage’ is 66⅔ percent and the ‘prospective payment percentage’ is 33⅓ percent; and

“(ii) on or after October 1, 2001, and before October 1, 2002, the ‘TEFRA percentage’ is 33⅓ percent and the ‘prospective payment percentage’ is 66⅔ percent.

“(D) PAYMENT UNIT.—For purposes of this subsection, the term ‘payment unit’ means a discharge, day of inpatient hospital services, or other unit of payment defined by the Secretary.

“(2) PATIENT CASE MIX GROUPS.—

“(A) ESTABLISHMENT.—The Secretary shall establish—

“(i) classes of patients of rehabilitation facilities (each in this subsection referred to as a ‘case mix group’), based on such factors as the Secretary deems appropriate, which may include impairment, age, related prior hospitalization, comorbidities, and functional capability of the patient; and

“(ii) a method of classifying specific patients in rehabilitation facilities within these groups.

“(B) WEIGHTING FACTORS.—For each case mix group the Secretary shall assign an appropriate weighting which reflects the relative facility resources used with respect to patients classified within that group compared to patients classified within other groups.

“(C) ADJUSTMENTS FOR CASE MIX.—

“(i) IN GENERAL.—The Secretary shall from time to time adjust the classifications and weighting factors established under this paragraph as appropriate to reflect changes in treatment patterns, technology, case mix, number of payment units for which payment is made under this title, and other factors which may affect the relative use of resources. Such adjustments shall be made in a manner so that changes in aggregate payments under the classification system are a result of real changes and are not a result of changes in coding that are unrelated to real changes in case mix.

“(ii) ADJUSTMENT.—Insofar as the Secretary determines that such adjustments for a previous fiscal year (or estimates that such adjustments for a future fiscal year) did (or are likely to) result in a change in aggregate payments under the classification system during the fiscal year that are a result of changes in the coding or classification of patients that do not reflect real changes in case mix, the Secretary shall adjust the per payment unit payment rate for subsequent years so as to eliminate the effect of such coding or classification changes.

“(D) DATA COLLECTION.—The Secretary is authorized to require rehabilitation facilities that provide inpatient hospital services to submit such data as the Secretary deems necessary to establish and administer the prospective payment system under this subsection.

“(3) PAYMENT RATE.—

“(A) IN GENERAL.—The Secretary shall determine a prospective payment rate for each payment unit for which such rehabilitation facility is entitled to receive payment under this title. Subject to subparagraph (B), such rate for payment units occurring during a fiscal year shall be based on the average payment per payment unit under this title for inpatient operating and capital costs of rehabilitation facilities using the most recent data available (as estimated by the Secretary as of the date of establishment of the system) adjusted—

“(i) by updating such per-payment-unit amount to the fiscal year involved by the weighted average of the applicable percentage increases provided under subsection (b)(3)(B)(ii) (for cost reporting periods beginning during the fiscal year) covering the period from

the midpoint of the period for such data through the midpoint of fiscal year 2000 and by an increase factor (described in subparagraph (C)) specified by the Secretary for subsequent fiscal years up to the fiscal year involved;

“(ii) by reducing such rates by a factor equal to the proportion of payments under this subsection (as estimated by the Secretary) based on prospective payment amounts which are additional payments described in paragraph (4) (relating to outlier and related payments);

“(iii) for variations among rehabilitation facilities by area under paragraph (6);

“(iv) by the weighting factors established under paragraph (2)(B); and

“(v) by such other factors as the Secretary determines are necessary to properly reflect variations in necessary costs of treatment among rehabilitation facilities.

“(B) BUDGET NEUTRAL RATES.—The Secretary shall establish the prospective payment amounts under this subsection for payment units during fiscal years 2001 and 2002 at levels such that, in the Secretary’s estimation, the amount of total payments under this subsection for such fiscal years (including any payment adjustments pursuant to paragraphs (4) and (6)) shall be equal to 98 percent of the amount of payments that would have been made under this title during the fiscal years for operating and capital costs of rehabilitation facilities had this subsection not been enacted. In establishing such payment amounts, the Secretary shall consider the effects of the prospective payment system established under this subsection on the total number of payment units from rehabilitation facilities and other factors described in subparagraph (A).

“(C) INCREASE FACTOR.—For purposes of this subsection for payment units in each fiscal year (beginning with fiscal year 2001), the Secretary shall establish an increase factor. Such factor shall be based on an appropriate percentage increase in a market basket of goods and services comprising services for which payment is made under this subsection, which may be the market basket percentage increase described in subsection (b)(3)(B)(iii).

“(4) OUTLIER AND SPECIAL PAYMENTS.—

“(A) OUTLIERS.—

“(i) IN GENERAL.—The Secretary may provide for an additional payment to a rehabilitation facility for patients in a case mix group, based upon the patient being classified as an outlier based on an unusual length of stay, costs, or other factors specified by the Secretary.

“(ii) PAYMENT BASED ON MARGINAL COST OF CARE.—The amount of such additional payment under clause (i) shall be determined by the Secretary and shall approximate the marginal cost of care beyond the cutoff point applicable under clause (i).

“(iii) TOTAL PAYMENTS.—The total amount of the additional payments made under this subparagraph for payment units in a fiscal year may not exceed 5 percent of the total payments projected or estimated to be made based on prospective payment rates for payment units in that year.

“(B) ADJUSTMENT.—The Secretary may provide for such adjustments to the payment amounts under this subsection as the Secretary deems appropriate to take into account the unique circumstances of rehabilitation facilities located in Alaska and Hawaii.

“(5) PUBLICATION.—The Secretary shall provide for publication in the Federal Register, on or before August 1 before each fiscal year (beginning with fiscal year 2001), of the classification and weighting factors for case mix groups under paragraph (2) for such fiscal year and a description of the methodology and data used in computing the prospective payment rates under this subsection for that fiscal year.

Federal Register,
publication.

“(6) AREA WAGE ADJUSTMENT.—The Secretary shall adjust the proportion (as estimated by the Secretary from time to time) of rehabilitation facilities’ costs which are attributable to wages and wage-related costs, of the prospective payment rates computed under paragraph (3) for area differences in wage levels by a factor (established by the Secretary) reflecting the relative hospital wage level in the geographic area of the rehabilitation facility compared to the national average wage level for such facilities. Not later than October 1, 2001 (and at least every 36 months thereafter), the Secretary shall update the factor under the preceding sentence on the basis of information available to the Secretary (and updated as appropriate) of the wages and wage-related costs incurred in furnishing rehabilitation services. Any adjustments or updates made under this paragraph for a fiscal year shall be made in a manner that assures that the aggregated payments under this subsection in the fiscal year are not greater or less than those that would have been made in the year without such adjustment.

“(7) LIMITATION ON REVIEW.—There shall be no administrative or judicial review under section 1869, 1878, or otherwise of the establishment of—

“(A) case mix groups, of the methodology for the classification of patients within such groups, and of the appropriate weighting factors thereof under paragraph (2),

“(B) the prospective payment rates under paragraph (3),

“(C) outlier and special payments under paragraph (4), and

“(D) area wage adjustments under paragraph (6).”.

(b) CONFORMING AMENDMENTS.—Section 1886(b) (42 U.S.C. 1395ww(b)) is amended—

(1) in paragraph (1), by inserting “and other than a rehabilitation facility described in subsection (j)(1)” after “subsection (d)(1)(B)”, and

(2) in paragraph (3)(B)(i), by inserting “and subsection (j)” after “For purposes of subsection (d)”.

(c) EFFECTIVE DATE.—The amendments made by this section shall apply to cost reporting periods beginning on or after October

42 USC 1395
note.

1, 2000, except that the Secretary of Health and Human Services may require the submission of data under section 1886(j)(2)(D) of the Social Security Act (as added by subsection (a)) on and after the date of the enactment of this section.

42 USC 1395ww
note.

SEC. 4422. DEVELOPMENT OF PROPOSAL ON PAYMENTS FOR LONG-TERM CARE HOSPITALS.

(a) IN GENERAL.—

(1) LEGISLATIVE PROPOSAL.—The Secretary of Health and Human Services shall develop a legislative proposal for establishing a case-mix adjusted prospective payment system for payment of long-term care hospitals described in section 1886(d)(1)(B)(iv) of the Social Security Act (42 U.S.C. 1395ww(d)(1)(B)(iv)) under the medicare program. Such system shall include an adequate patient classification system that reflects the differences in patient resource use and costs among such hospitals.

(2) COLLECTION OF DATA AND EVALUATION.—In developing the legislative proposal described in paragraph (1), the Secretary—

(A) may require such long-term care hospitals to submit such information to the Secretary as the Secretary may require to develop the proposal; and

(B) shall consider several payment methodologies, including the feasibility of expanding the current diagnosis-related groups and prospective payment system established under section 1886(d) of the Social Security Act to apply to payments under the medicare program to long-term care hospitals.

(b) REPORT.—Not later than October 1, 1999, the Secretary shall submit to the appropriate committees of Congress a report that includes the legislative proposal developed under subsection (a)(1).

CHAPTER 3—PAYMENT FOR SKILLED NURSING FACILITIES

SEC. 4431. EXTENSION OF COST LIMITS.

The last sentence of section 1888(a) (42 U.S.C. 1395yy(a)) is amended by striking “subsection” the last place it appears and all that follows and inserting “subsection, except that the limits effective for cost reporting periods beginning on or after October 1, 1997, shall be based on the limits effective for cost reporting periods beginning on or after October 1, 1996.”.

SEC. 4432. PROSPECTIVE PAYMENT FOR SKILLED NURSING FACILITY SERVICES.

(a) IN GENERAL.—Section 1888 (42 U.S.C. 1395yy) is amended by adding at the end the following new subsection:

“(e) PROSPECTIVE PAYMENT.—

“(1) PAYMENT PROVISION.—Notwithstanding any other provision of this title, subject to paragraph (7), the amount of the payment for all costs (as defined in paragraph (2)(B)) of covered skilled nursing facility services (as defined in paragraph (2)(A)) for each day of such services furnished—

“(A) in a cost reporting period during the transition period (as defined in paragraph (2)(E)), is equal to the sum of—

“(i) the non-Federal percentage of the facility-specific per diem rate (computed under paragraph (3)), and

“(ii) the Federal percentage of the adjusted Federal per diem rate (determined under paragraph (4)) applicable to the facility; and

“(B) after the transition period is equal to the adjusted Federal per diem rate applicable to the facility.

“(2) DEFINITIONS.—For purposes of this subsection:

“(A) COVERED SKILLED NURSING FACILITY SERVICES.—

“(i) IN GENERAL.—The term ‘covered skilled nursing facility services’—

“(I) means post-hospital extended care services as defined in section 1861(i) for which benefits are provided under part A; and

“(II) includes all items and services (other than services described in clause (ii)) for which payment may be made under part B and which are furnished to an individual who is a resident of a skilled nursing facility during the period in which the individual is provided covered post-hospital extended care services.

“(ii) SERVICES EXCLUDED.—Services described in this clause are physicians’ services, services described by clauses (i) through (iii) of section 1861(s)(2)(K), certified nurse-midwife services, qualified psychologist services, services of a certified registered nurse anesthetist, items and services described in subparagraphs (F) and (O) of section 1861(s)(2), and, only with respect to services furnished during 1998, the transportation costs of electrocardiogram equipment for electrocardiogram test services (HCPCS Code R0076). Services described in this clause do not include any physical, occupational, or speech-language therapy services regardless of whether or not the services are furnished by, or under the supervision of, a physician or other health care professional.

“(B) ALL COSTS.—The term ‘all costs’ means routine service costs, ancillary costs, and capital-related costs of covered skilled nursing facility services, but does not include costs associated with approved educational activities.

“(C) NON-FEDERAL PERCENTAGE; FEDERAL PERCENTAGE.—For—

“(i) the first cost reporting period (as defined in subparagraph (D)) of a facility, the ‘non-Federal percentage’ is 75 percent and the ‘Federal percentage’ is 25 percent;

“(ii) the next cost reporting period of such facility, the ‘non-Federal percentage’ is 50 percent and the ‘Federal percentage’ is 50 percent; and

“(iii) the subsequent cost reporting period of such facility, the ‘non-Federal percentage’ is 25 percent and the ‘Federal percentage’ is 75 percent.

“(D) FIRST COST REPORTING PERIOD.—The term ‘first cost reporting period’ means, with respect to a skilled nursing facility, the first cost reporting period of the facility beginning on or after July 1, 1998.

“(E) TRANSITION PERIOD.—

“(i) IN GENERAL.—The term ‘transition period’ means, with respect to a skilled nursing facility, the 3 cost reporting periods of the facility beginning with the first cost reporting period.

“(ii) TREATMENT OF NEW SKILLED NURSING FACILITIES.—In the case of a skilled nursing facility that first received payment for services under this title on or after October 1, 1995, payment for such services shall be made under this subsection as if all services were furnished after the transition period.

“(3) DETERMINATION OF FACILITY SPECIFIC PER DIEM RATES.—The Secretary shall determine a facility-specific per diem rate for each skilled nursing facility not described in paragraph (2)(E)(ii) for a cost reporting period as follows:

“(A) DETERMINING BASE PAYMENTS.—The Secretary shall determine, on a per diem basis, the total of—

“(i) the allowable costs of extended care services for the facility for cost reporting periods beginning in fiscal year 1995, including costs associated with facilities described in subsection (d), with appropriate adjustments (as determined by the Secretary) to non-settled cost reports, and

“(ii) an estimate of the amounts that would be payable under part B (disregarding any applicable deductibles, coinsurance, and copayments) for covered skilled nursing facility services described in paragraph (2)(A)(i)(II) furnished during such period to an individual who is a resident of the facility, regardless of whether or not the payment was made to the facility or to another entity.

In making appropriate adjustments under clause (i), the Secretary shall take into account exceptions and shall take into account exemptions but, with respect to exemptions, only to the extent that routine costs do not exceed 150 percent of the routine cost limits otherwise applicable but for the exemption.

“(B) UPDATE TO FIRST COST REPORTING PERIOD.—

“(i) IN GENERAL.—Subject to clause (ii), the Secretary shall update the amount determined under subparagraph (A), for each cost reporting period after the cost reporting period described in subparagraph (A)(i) and up to the first cost reporting period by a factor equal to the skilled nursing facility market basket percentage increase minus 1 percentage point.

“(ii) CERTAIN DEMONSTRATION PROJECTS.—In the case of a facility participating in the Nursing Home Case-Mix and Quality Demonstration (RUGS-III), there shall be substituted for the amount described in clause (i) the RUGS-III rate received by the facility for 1997.

“(C) UPDATING TO APPLICABLE COST REPORTING PERIOD.—The Secretary shall update the amount determined under subparagraph (B) for each cost reporting period beginning with the first cost reporting period and up to and including the cost reporting period involved by a factor equal to the facility-specific update factor.

“(D) FACILITY-SPECIFIC UPDATE FACTOR.—For purposes of this paragraph, the ‘facility-specific update factor’ for cost reporting periods beginning during—

“(i) during each of fiscal years 1998 and 1999, is equal to the skilled nursing facility market basket percentage increase for such fiscal year minus 1 percentage point, and

“(ii) during each subsequent fiscal year is equal to the skilled nursing facility market basket percentage increase for such fiscal year.

“(4) FEDERAL PER DIEM RATE.—

“(A) DETERMINATION OF HISTORICAL PER DIEM FOR FACILITIES.—For each skilled nursing facility that received payments for post-hospital extended care services during a cost reporting period beginning in fiscal year 1995 and that was subject to (and not exempted from) the per diem limits referred to in paragraph (1) or (2) of subsection (a) (and facilities described in subsection (d)), the Secretary shall estimate, on a per diem basis for such cost reporting period, the total of—

“(i) the allowable costs of extended care services (excluding exceptions payments) for the facility for cost reporting periods beginning in 1995 with appropriate adjustments (as determined by the Secretary) to non-settled cost reports, and

“(ii) an estimate of the amounts that would be payable under part B (disregarding any applicable deductibles, coinsurance, and copayments) for covered skilled nursing facility services described in paragraph (2)(A)(i)(II) furnished during such period to an individual who is a resident of the facility, regardless of whether or not the payment was made to the facility or to another entity.

“(B) UPDATE TO FIRST FISCAL YEAR.—The Secretary shall update the amount determined under subparagraph (A), for each cost reporting period after the cost reporting period described in subparagraph (A)(i) and up to the first cost reporting period by a factor equal to the skilled nursing facility market basket percentage increase reduced (on an annualized basis) by 1 percentage point.

“(C) COMPUTATION OF STANDARDIZED PER DIEM RATE.—The Secretary shall standardize the amount updated under subparagraph (B) for each facility by—

“(i) adjusting for variations among facilities by area in the average facility wage level per diem, and

“(ii) adjusting for variations in case mix per diem among facilities.

“(D) COMPUTATION OF WEIGHTED AVERAGE PER DIEM RATES.—

“(i) ALL FACILITIES.—The Secretary shall compute a weighted average per diem rate for all facilities by

computing an average of the standardized amounts computed under subparagraph (C), weighted for each facility by the number of days of extended care services furnished during the cost reporting period referred to in subparagraph (A).

“(ii) FREESTANDING FACILITIES.—The Secretary shall compute a weighted average per diem rate for freestanding facilities by computing an average of the standardized amounts computed under subparagraph (C) only for such facilities, weighted for each facility by the number of days of extended care services furnished during the cost reporting period referred to in subparagraph (A).

“(iii) SEPARATE COMPUTATION.—The Secretary may compute and apply such averages separately for facilities located in urban and rural areas (as defined in section 1886(d)(2)(D)).

“(E) UPDATING.—

“(i) INITIAL PERIOD.—For the initial period beginning on July 1, 1998, and ending on September 30, 1999, the Secretary shall compute for skilled nursing facilities an unadjusted federal per diem rate equal to the average of the weighted average per diem rates computed under clauses (i) and (ii) of subparagraph (D), increased by skilled nursing facility market basket percentage change for such period minus 1 percentage point.

“(ii) SUBSEQUENT FISCAL YEARS.—The Secretary shall compute an unadjusted federal per diem rate equal to the federal per diem rate computed under this subparagraph—

“(I) for fiscal year 2000, the rate computed for the initial period described in clause (i), increased by the skilled nursing facility market basket percentage change for the initial period minus 1 percentage point;

“(II) for each of fiscal years 2001 and 2002, the rate computed for the previous fiscal year increased by the skilled nursing facility market basket percentage change for the fiscal year involved minus 1 percentage point; and

“(III) for each subsequent fiscal year, the rate computed for the previous fiscal year increased by the skilled nursing facility market basket percentage change for the fiscal year involved.

“(F) ADJUSTMENT FOR CASE MIX CREEP.—Insofar as the Secretary determines that the adjustments under subparagraph (G)(i) for a previous fiscal year (or estimates that such adjustments for a future fiscal year) did (or are likely to) result in a change in aggregate payments under this subsection during the fiscal year that are a result of changes in the coding or classification of residents that do not reflect real changes in case mix, the Secretary may adjust unadjusted Federal per diem rates for subsequent fiscal years so as to eliminate the effect of such coding or classification changes.

“(G) DETERMINATION OF FEDERAL RATE.—The Secretary shall compute for each skilled nursing facility for each fiscal year (beginning with the initial period described in subparagraph (E)(i)) an adjusted Federal per diem rate equal to the unadjusted Federal per diem rate determined under subparagraph (E), as adjusted under subparagraph (F), and as further adjusted as follows:

“(i) ADJUSTMENT FOR CASE MIX.—The Secretary shall provide for an appropriate adjustment to account for case mix. Such adjustment shall be based on a resident classification system, established by the Secretary, that accounts for the relative resource utilization of different patient types. The case mix adjustment shall be based on resident assessment data and other data that the Secretary considers appropriate.

“(ii) ADJUSTMENT FOR GEOGRAPHIC VARIATIONS IN LABOR COSTS.—The Secretary shall adjust the portion of such per diem rate attributable to wages and wage-related costs for the area in which the facility is located compared to the national average of such costs using an appropriate wage index as determined by the Secretary. Such adjustment shall be done in a manner that does not result in aggregate payments under this subsection that are greater or less than those that would otherwise be made if such adjustment had not been made.

“(H) PUBLICATION OF INFORMATION ON PER DIEM RATES.—The Secretary shall provide for publication in the Federal Register, before May 1, 1998 (with respect to fiscal period described in subparagraph (E)(i)) and before the August 1 preceding each succeeding fiscal year (with respect to that succeeding fiscal year), of—

Federal Register,
publication.

“(i) the unadjusted Federal per diem rates to be applied to days of covered skilled nursing facility services furnished during the fiscal year,

“(ii) the case mix classification system to be applied under subparagraph (G)(i) with respect to such services during the fiscal year, and

“(iii) the factors to be applied in making the area wage adjustment under subparagraph (G)(ii) with respect to such services.

“(5) SKILLED NURSING FACILITY MARKET BASKET INDEX AND PERCENTAGE.—For purposes of this subsection:

“(A) SKILLED NURSING FACILITY MARKET BASKET INDEX.—The Secretary shall establish a skilled nursing facility market basket index that reflects changes over time in the prices of an appropriate mix of goods and services included in covered skilled nursing facility services.

“(B) SKILLED NURSING FACILITY MARKET BASKET PERCENTAGE.—The term ‘skilled nursing facility market basket percentage’ means, for a fiscal year or other annual period and as calculated by the Secretary, the percentage change in the skilled nursing facility market basket index (established under subparagraph (A)) from the midpoint of the prior fiscal year (or period) to the midpoint of the fiscal year (or other period) involved.

“(6) SUBMISSION OF RESIDENT ASSESSMENT DATA.—A skilled nursing facility, or a facility described in paragraph (7)(B), shall provide the Secretary, in a manner and within the timeframes prescribed by the Secretary, the resident assessment data necessary to develop and implement the rates under this subsection. For purposes of meeting such requirement, a skilled nursing facility, or a facility described in paragraph (7), may submit the resident assessment data required under section 1819(b)(3), using the standard instrument designated by the State under section 1819(e)(5).

“(7) TRANSITION FOR MEDICARE SWING BED HOSPITALS.—

“(A) IN GENERAL.—The Secretary shall determine an appropriate manner in which to apply this subsection to the facilities described in subparagraph (B), taking into account the purposes of this subsection, and shall provide that at the end of the transition period (as defined in paragraph (2)(E)) such facilities shall be paid only under this subsection. Payment shall not be made under this subsection to such facilities for cost reporting periods beginning before such date (not earlier than July 1, 1999) as the Secretary specifies.

“(B) FACILITIES DESCRIBED.—The facilities described in this subparagraph are facilities that have in effect an agreement described in section 1883, for which payment is made for the furnishing of extended care services on a reasonable cost basis under section 1814(l) (as in effect on and after such date).

“(8) LIMITATION ON REVIEW.—There shall be no administrative or judicial review under section 1869, 1878, or otherwise of—

“(A) the establishment of Federal per diem rates under paragraph (4), including the computation of the standardized per diem rates under paragraph (4)(C), adjustments and corrections for case mix under paragraphs (4)(F) and (4)(G)(i), and adjustments for variations in labor-related costs under paragraph (4)(G)(ii);

“(B) the establishment of facility specific rates before January 1, 1999, (except any determination of costs paid under part A of this title); and

“(C) the establishment of transitional amounts under paragraph (7).”.

(b) CONSOLIDATED BILLING.—

(1) FOR SNF SERVICES.—Section 1862(a) (42 U.S.C. 1395y(a)), as amended by 4319(b), is amended—

(B) by striking the period at the end and inserting the following: “, and (E) in the case of an item or service (other than services described in section 1888(e)(2)(A)(ii)) furnished to an individual who (at the time the item or service is furnished) is a resident of a skilled nursing facility or of a part of a facility that includes a skilled nursing facility (as determined under regulations), payment shall be made to the facility (without regard to whether or not the item or service was furnished by the facility, by others under arrangement with them made by the facility, under any other contracting or consulting arrangement, or otherwise).”.

(3) PAYMENT RULES.—Section 1888(e) (42 U.S.C. 1395yy(e)), as added by subsection (a), is amended by adding at the end the following:

“(9) PAYMENT FOR CERTAIN SERVICES.—In the case of an item or service furnished to a resident of a skilled nursing facility or a part of a facility that includes a skilled nursing facility (as determined under regulations) for which payment would (but for this paragraph) be made under part B in an amount determined in accordance with section 1833(a)(2)(B), the amount of the payment under such part shall be the amount provided under the fee schedule for such item or service.

“(10) REQUIRED CODING.—No payment may be made under part B for items and services (other than services described in paragraph (2)(A)(ii)) furnished to an individual who is a resident of a skilled nursing facility or of a part of a facility that includes a skilled nursing facility (as determined under regulations), unless the claim for such payment includes a code (or codes) under a uniform coding system specified by the Secretary that identifies the items or services furnished.”.

SEC. 4523. PROSPECTIVE PAYMENT SYSTEM FOR HOSPITAL OUTPATIENT DEPARTMENT SERVICES.

(a) **IN GENERAL.**—Section 1833 (42 U.S.C. 1395l) is amended by adding at the end the following:

“(t) **PROSPECTIVE PAYMENT SYSTEM FOR HOSPITAL OUTPATIENT DEPARTMENT SERVICES.**—

“(1) **AMOUNT OF PAYMENT.**—

“(A) **IN GENERAL.**—With respect to covered OPD services (as defined in subparagraph (B)) furnished during a year beginning with 1999, the amount of payment under this part shall be determined under a prospective payment system established by the Secretary in accordance with this subsection.

“(B) **DEFINITION OF COVERED OPD SERVICES.**—For purposes of this subsection, the term ‘covered OPD services’—

“(i) means hospital outpatient services designated by the Secretary;

“(ii) subject to clause (iii), includes inpatient hospital services designated by the Secretary that are covered under this part and furnished to a hospital inpatient who (I) is entitled to benefits under part A but has exhausted benefits for inpatient hospital services during a spell of illness, or (II) is not so entitled; but

“(iii) does not include any therapy services described in subsection (a)(8) or ambulance services, for which payment is made under a fee schedule described in section 1834(k) or section 1834(l).

“(2) **SYSTEM REQUIREMENTS.**—Under the payment system—

“(A) the Secretary shall develop a classification system for covered OPD services;

“(B) the Secretary may establish groups of covered OPD services, within the classification system described in subparagraph (A), so that services classified within each group are comparable clinically and with respect to the use of resources;

“(C) the Secretary shall, using data on claims from 1996 and using data from the most recent available cost reports, establish relative payment weights for covered OPD services (and any groups of such services described in subparagraph (B)) based on median hospital costs and shall determine projections of the frequency of utilization of each such service (or group of services) in 1999;

“(D) the Secretary shall determine a wage adjustment factor to adjust the portion of payment and coinsurance attributable to labor-related costs for relative differences in labor and labor-related costs across geographic regions in a budget neutral manner;

“(E) the Secretary shall establish other adjustments, in a budget neutral manner, as determined to be necessary to ensure equitable payments, such as outlier adjustments or adjustments for certain classes of hospitals; and

“(F) the Secretary shall develop a method for controlling unnecessary increases in the volume of covered OPD services.

“(3) CALCULATION OF BASE AMOUNTS.—

“(A) AGGREGATE AMOUNTS THAT WOULD BE PAYABLE IF DEDUCTIBLES WERE DISREGARDED.—The Secretary shall estimate the sum of—

“(i) the total amounts that would be payable from the Trust Fund under this part for covered OPD services in 1999, determined without regard to this subsection, as though the deductible under section 1833(b) did not apply, and

“(ii) the total amounts of copayments estimated to be paid under this subsection by beneficiaries to hospitals for covered OPD services in 1999, as though the deductible under section 1833(b) did not apply.

“(B) UNADJUSTED COPAYMENT AMOUNT.—

“(i) IN GENERAL.—For purposes of this subsection, subject to clause (ii), the ‘unadjusted copayment amount’ applicable to a covered OPD service (or group of such services) is 20 percent of the national median of the charges for the service (or services within the group) furnished during 1996, updated to 1999 using the Secretary’s estimate of charge growth during the period.

“(ii) ADJUSTED TO BE 20 PERCENT WHEN FULLY PHASED IN.—If the pre-deductible payment percentage for a covered OPD service (or group of such services) furnished in a year would be equal to or exceed 80 percent, then the unadjusted copayment amount shall be 20 percent of amount determined under subparagraph (D).

“(iii) RULES FOR NEW SERVICES.—The Secretary shall establish rules for establishment of an unadjusted copayment amount for a covered OPD service not furnished during 1996, based upon its classification within a group of such services.

“(C) CALCULATION OF CONVERSION FACTORS.—

“(i) FOR 1999.—

“(I) IN GENERAL.—The Secretary shall establish a 1999 conversion factor for determining the medicare OPD fee schedule amounts for each covered OPD service (or group of such services) furnished in 1999. Such conversion factor shall be established on the basis of the weights and frequencies described in paragraph (2)(C) and in such a manner that the sum for all services and groups of the products (described in subclause (II) for each such service or group) equals the total projected amount described in subparagraph (A).

“(II) PRODUCT DESCRIBED.—The Secretary shall determine for each service or group the product of the medicare OPD fee schedule amounts (taking into account appropriate adjustments described in paragraphs (2)(D) and (2)(E)) and the estimated frequencies for such service or group.

“(ii) SUBSEQUENT YEARS.—Subject to paragraph (8)(B), the Secretary shall establish a conversion factor for covered OPD services furnished in subsequent years in an amount equal to the conversion factor established under this subparagraph and applicable to such services furnished in the previous year increased by the OPD fee schedule increase factor specified under clause (iii) for the year involved.

“(iii) OPD FEE SCHEDULE INCREASE FACTOR.—For purposes of this subparagraph, the ‘OPD fee schedule increase factor’ for services furnished in a year is equal to the market basket percentage increase applicable under section 1886(b)(3)(B)(iii) to hospital discharges occurring during the fiscal year ending in such year, reduced by 1 percentage point for such factor for services furnished in each of 2000, 2001, and 2002. In applying the previous sentence for years beginning with 2000, the Secretary may substitute for the market basket percentage increase an annual percentage increase that is computed and applied with respect to covered OPD services furnished in a year in the same manner as the market basket percentage increase is determined and applied to inpatient hospital services for discharges occurring in a fiscal year.

“(D) CALCULATION OF MEDICARE OPD FEE SCHEDULE AMOUNTS.—The Secretary shall compute a medicare OPD fee schedule amount for each covered OPD service (or group of such services) furnished in a year, in an amount equal to the product of—

“(i) the conversion factor computed under subparagraph (C) for the year, and

“(ii) the relative payment weight (determined under paragraph (2)(C)) for the service or group.

“(E) PRE-DEDUCTIBLE PAYMENT PERCENTAGE.—The pre-deductible payment percentage for a covered OPD service (or group of such services) furnished in a year is equal to the ratio of—

“(i) the medicare OPD fee schedule amount established under subparagraph (D) for the year, minus the unadjusted copayment amount determined under subparagraph (B) for the service or group, to

“(ii) the medicare OPD fee schedule amount determined under subparagraph (D) for the year for such service or group.

“(4) MEDICARE PAYMENT AMOUNT.—The amount of payment made from the Trust Fund under this part for a covered OPD service (and such services classified within a group) furnished in a year is determined as follows:

“(A) FEE SCHEDULE ADJUSTMENTS.—The medicare OPD fee schedule amount (computed under paragraph (3)(D)) for the service or group and year is adjusted for relative differences in the cost of labor and other factors determined by the Secretary, as computed under paragraphs (2)(D) and (2)(E).

“(B) SUBTRACT APPLICABLE DEDUCTIBLE.—Reduce the adjusted amount determined under subparagraph (A) by

the amount of the deductible under section 1833(b), to the extent applicable.

“(C) APPLY PAYMENT PROPORTION TO REMAINDER.—The amount of payment is the amount so determined under subparagraph (B) multiplied by the pre-deductible payment percentage (as determined under paragraph (3)(E)) for the service or group and year involved.

“(5) COPAYMENT AMOUNT.—

“(A) IN GENERAL.—Except as provided in subparagraph (B), the copayment amount under this subsection is the amount by which the amount described in paragraph (4)(B) exceeds the amount of payment determined under paragraph (4)(C).

Procedures.

“(B) ELECTION TO OFFER REDUCED COPAYMENT AMOUNT.—The Secretary shall establish a procedure under which a hospital, before the beginning of a year (beginning with 1999), may elect to reduce the copayment amount otherwise established under subparagraph (A) for some or all covered OPD services to an amount that is not less than 20 percent of the medicare OPD fee schedule amount (computed under paragraph (3)(D)) for the service involved. Under such procedures, such reduced copayment amount may not be further reduced or increased during the year involved and the hospital may disseminate information on the reduction of copayment amount effected under this subparagraph.

“(C) NO IMPACT ON DEDUCTIBLES.—Nothing in this paragraph shall be construed as affecting a hospital's authority to waive the charging of a deductible under section 1833(b).

“(6) PERIODIC REVIEW AND ADJUSTMENTS COMPONENTS OF PROSPECTIVE PAYMENT SYSTEM.—

“(A) PERIODIC REVIEW.—The Secretary may periodically review and revise the groups, the relative payment weights, and the wage and other adjustments described in paragraph (2) to take into account changes in medical practice, changes in technology, the addition of new services, new cost data, and other relevant information and factors.

“(B) BUDGET NEUTRALITY ADJUSTMENT.—If the Secretary makes adjustments under subparagraph (A), then the adjustments for a year may not cause the estimated amount of expenditures under this part for the year to increase or decrease from the estimated amount of expenditures under this part that would have been made if the adjustments had not been made.

“(C) UPDATE FACTOR.—If the Secretary determines under methodologies described in paragraph (2)(F) that the volume of services paid for under this subsection increased beyond amounts established through those methodologies, the Secretary may appropriately adjust the update to the conversion factor otherwise applicable in a subsequent year.

“(7) SPECIAL RULE FOR AMBULANCE SERVICES.—The Secretary shall pay for hospital outpatient services that are ambulance services on the basis described in the matter in subsection (a)(1) preceding subparagraph (A), or, if applicable, the fee schedule established under section 1834(l).

“(8) SPECIAL RULES FOR CERTAIN HOSPITALS.—In the case of hospitals described in section 1886(d)(1)(B)(v)—

“(A) the system under this subsection shall not apply to covered OPD services furnished before January 1, 2000; and

“(B) the Secretary may establish a separate conversion factor for such services in a manner that specifically takes into account the unique costs incurred by such hospitals by virtue of their patient population and service intensity.

“(9) LIMITATION ON REVIEW.—There shall be no administrative or judicial review under section 1869, 1878, or otherwise of—

“(A) the development of the classification system under paragraph (2), including the establishment of groups and relative payment weights for covered OPD services, of wage adjustment factors, other adjustments, and methods described in paragraph (2)(F);

“(B) the calculation of base amounts under paragraph (3);

“(C) periodic adjustments made under paragraph (6); and

“(D) the establishment of a separate conversion factor under paragraph (8)(B).”.

(b) COINSURANCE.—Section 1866(a)(2)(A)(ii) (42 U.S.C. 1395cc(a)(2)(A)(ii)) is amended by adding at the end the following: “In the case of items and services for which payment is made under part B under the prospective payment system established under section 1833(t), clause (ii) of the first sentence shall be applied by substituting for 20 percent of the reasonable charge, the applicable copayment amount established under section 1833(t)(5).”.

(c) TREATMENT OF REDUCTION IN COPAYMENT AMOUNT.—Section 1128A(i)(6) (42 U.S.C. 1320a-7a(i)(6)) is amended—

(1) by striking “or” at the end of subparagraph (B),

(2) by striking the period at the end of subparagraph (C) and inserting “; or”, and

(3) by adding at the end the following new subparagraph:

“(D) a reduction in the copayment amount for covered OPD services under section 1833(t)(5)(B).”.

SEC. 4603. PROSPECTIVE PAYMENT FOR HOME HEALTH SERVICES.

(a) IN GENERAL.—Title XVIII (42 U.S.C. 1395 et seq.) (as amended by section 4801) is amended by adding at the end the following:

“PROSPECTIVE PAYMENT FOR HOME HEALTH SERVICES

42 USC 1395fff.

“SEC. 1895. (a) IN GENERAL.—Notwithstanding section 1861(v), the Secretary shall provide, for cost reporting periods beginning on or after October 1, 1999, for payments for home health services in accordance with a prospective payment system established by the Secretary under this section.

“(b) SYSTEM OF PROSPECTIVE PAYMENT FOR HOME HEALTH SERVICES.—

“(1) IN GENERAL.—The Secretary shall establish under this subsection a prospective payment system for payment for all costs of home health services. Under the system under this subsection all services covered and paid on a reasonable cost basis under the medicare home health benefit as of the date of the enactment of the this section, including medical supplies, shall be paid for on the basis of a prospective payment amount determined under this subsection and applicable to the services involved. In implementing the system, the Secretary may provide for a transition (of not longer than 4 years) during which a portion of such payment is based on agency-specific costs, but only if such transition does not result in aggregate payments under this title that exceed the aggregate payments that would be made if such a transition did not occur.

“(2) UNIT OF PAYMENT.—In defining a prospective payment amount under the system under this subsection, the Secretary shall consider an appropriate unit of service and the number, type, and duration of visits provided within that unit, potential changes in the mix of services provided within that unit and their cost, and a general system design that provides for continued access to quality services.

“(3) PAYMENT BASIS.—

“(A) INITIAL BASIS.—

“(i) IN GENERAL.—Under such system the Secretary shall provide for computation of a standard prospective payment amount (or amounts). Such amount (or amounts) shall initially be based on the most current audited cost report data available to the Secretary and shall be computed in a manner so that the total amounts payable under the system for fiscal year 2000 shall be equal to the total amount that would have been made if the system had not been in effect but if the reduction in limits described in clause (ii) had been in effect. Such amount shall be standardized in a manner that eliminates the effect of variations in relative case mix and wage levels among different home health agencies in a budget neutral manner consistent with the case mix and wage level adjustments provided under paragraph (4)(A). Under the system, the Secretary may recognize regional differences or differences based upon whether or not the services or agency are in an urbanized area.

“(ii) REDUCTION.—The reduction described in this clause is a reduction by 15 percent in the cost limits and per beneficiary limits described in section 1861(v)(1)(L), as those limits are in effect on September 30, 1999.

“(B) ANNUAL UPDATE.—

“(i) IN GENERAL.—The standard prospective payment amount (or amounts) shall be adjusted for each fiscal year (beginning with fiscal year 2001) in a prospective manner specified by the Secretary by the home health market basket percentage increase applicable to the fiscal year involved.

“(ii) HOME HEALTH MARKET BASKET PERCENTAGE INCREASE.—For purposes of this subsection, the term ‘home health market basket percentage increase’ means, with respect to a fiscal year, a percentage (estimated by the Secretary before the beginning of the fiscal year) determined and applied with respect to the mix of goods and services included in home health services in the same manner as the market basket percentage increase under section 1886(b)(3)(B)(iii) is determined and applied to the mix of goods and services comprising inpatient hospital services for the fiscal year.

“(C) ADJUSTMENT FOR OUTLIERS.—The Secretary shall reduce the standard prospective payment amount (or amounts) under this paragraph applicable to home health services furnished during a period by such proportion as will result in an aggregate reduction in payments for the period equal to the aggregate increase in payments resulting from the application of paragraph (5) (relating to outliers).

“(4) PAYMENT COMPUTATION.—

“(A) IN GENERAL.—The payment amount for a unit of home health services shall be the applicable standard prospective payment amount adjusted as follows:

“(i) CASE MIX ADJUSTMENT.—The amount shall be adjusted by an appropriate case mix adjustment factor (established under subparagraph (B)).

“(ii) AREA WAGE ADJUSTMENT.—The portion of such amount that the Secretary estimates to be attributable to wages and wage-related costs shall be adjusted for geographic differences in such costs by an area wage adjustment factor (established under subparagraph (C)) for the area in which the services are furnished or such other area as the Secretary may specify.

“(B) ESTABLISHMENT OF CASE MIX ADJUSTMENT FACTORS.—The Secretary shall establish appropriate case mix adjustment factors for home health services in a manner that explains a significant amount of the variation in cost among different units of services.

“(C) ESTABLISHMENT OF AREA WAGE ADJUSTMENT FACTORS.—The Secretary shall establish area wage adjustment factors that reflect the relative level of wages and wage-related costs applicable to the furnishing of home health services in a geographic area compared to the national average applicable level. Such factors may be the factors used by the Secretary for purposes of section 1886(d)(3)(E).

“(5) OUTLIERS.—The Secretary may provide for an addition or adjustment to the payment amount otherwise made in the case of outliers because of unusual variations in the type or amount of medically necessary care. The total amount of the additional payments or payment adjustments made under this paragraph with respect to a fiscal year may not exceed 5 percent of the total payments projected or estimated to be made based on the prospective payment system under this subsection in that year.

“(6) PRORATION OF PROSPECTIVE PAYMENT AMOUNTS.—If a beneficiary elects to transfer to, or receive services from,

another home health agency within the period covered by the prospective payment amount, the payment shall be prorated between the home health agencies involved.

“(c) REQUIREMENTS FOR PAYMENT INFORMATION.—With respect to home health services furnished on or after October 1, 1998, no claim for such a service may be paid under this title unless—

“(1) the claim has the unique identifier (provided under section 1842(r)) for the physician who prescribed the services or made the certification described in section 1814(a)(2) or 1835(a)(2)(A); and

“(2) in the case of a service visit described in paragraph (1), (2), (3), or (4) of section 1861(m), the claim contains a code (or codes) specified by the Secretary that identifies the length of time of the service visit, as measured in 15 minute increments.

“(d) LIMITATION ON REVIEW.—There shall be no administrative or judicial review under section 1869, 1878, or otherwise of—

“(1) the establishment of a transition period under subsection (b)(1);

“(2) the definition and application of payment units under subsection (b)(2);

“(3) the computation of initial standard prospective payment amounts under subsection (b)(3)(A) (including the reduction described in clause (ii) of such subsection);

“(4) the establishment of the adjustment for outliers under subsection (b)(3)(C);

“(5) the establishment of case mix and area wage adjustments under subsection (b)(4); and

“(6) the establishment of any adjustments for outliers under subsection (b)(5).”.

“(iii) acts to discriminate among enrollees on the basis of their health status or requirements for health care services, including expulsion or refusal to reenroll an individual, except as permitted by this title, or engaging in any practice that would reasonably be expected to have the effect of denying or discouraging enrollment with the organization by eligible individuals whose medical condition or history indicates a need for substantial future medical services;

“(iv) misrepresents or falsifies information that is furnished—

“(I) to the Secretary or the State under this title; or

“(II) to an enrollee, potential enrollee, or a health care provider under such title; or

“(i) to oversee the operation of the medicaid managed care organization upon a finding by the State that there is continued egregious behavior by the organization or there is a substantial risk to the health of enrollees; or

“(ii) to assure the health of the organization’s enrollees, if there is a need for temporary management while—

“(I) there is an orderly termination or reorganization of the organization; or

“(II) improvements are made to remedy the violations found under paragraph (1), except that temporary management under this subparagraph may not be terminated until the State has determined that the medicaid managed care organization has the capability to ensure that the violations shall not recur.

“(C) Permitting individuals enrolled with the managed care entity to terminate enrollment without cause, and notifying such individuals of such right to terminate enrollment.

“(3) TREATMENT OF CHRONIC SUBSTANDARD ENTITIES.—In the case of a medicaid managed care organization which has repeatedly failed to meet the requirements of section 1903(m) and this section, the State shall (regardless of what other sanctions are provided) impose the sanctions described in subparagraphs (B) and (C) of paragraph (2).

“(4) AUTHORITY TO TERMINATE CONTRACT.—

“(A) IN GENERAL.—In the case of a managed care entity which has failed to meet the requirements of this part or a contract under section 1903(m) or 1905(t)(3), the State shall have the authority to terminate such contract with the entity and to enroll such entity’s enrollees with other managed care entities (or to permit such enrollees to receive medical assistance under the State plan under this title other than through a managed care entity).

“(B) AVAILABILITY OF HEARING PRIOR TO TERMINATION OF CONTRACT.—A State may not terminate a contract with a managed care entity under subparagraph (A) unless the entity is provided with a hearing prior to the termination.

“(C) NOTICE AND RIGHT TO DISENROLL IN CASES OF TERMINATION HEARING.—A State may—

“(i) notify individuals enrolled with a managed care entity which is the subject of a hearing to terminate the entity’s contract with the State of the hearing, and

“(ii) in the case of such an entity, permit such enrollees to disenroll immediately with the entity without cause.

“(5) OTHER PROTECTIONS FOR MANAGED CARE ENTITIES AGAINST SANCTIONS IMPOSED BY STATE.—Before imposing any sanction against a managed care entity other than termination of the entity’s contract, the State shall provide the entity with notice and such other due process protections as the State may provide, except that a State may not provide a managed care entity with a pre-termination hearing before imposing the sanction described in paragraph (2)(B).”.

“(B) No person who is an owner, employee, consultant, or has a contract with the broker either has any direct or indirect financial interest with such an entity or health care provider or has been excluded from participation in the program under this title or title XVIII or debarred by any Federal agency, or subject to a civil money penalty under this Act.”.

“(i) The focus on frail elderly qualifying individuals who require the level of care provided in a nursing facility.

“(ii) The delivery of comprehensive, integrated acute and long-term care services.

“(4) SECRETARY-APPROVED COVERAGE.—Any other health benefits coverage that the Secretary determines, upon application by a State, provides appropriate coverage for the population of targeted low-income children proposed to be provided such coverage.

“(b) BENCHMARK BENEFIT PACKAGES.—The benchmark benefit packages are as follows:

“(1) FEHBP-EQUIVALENT CHILDREN’S HEALTH INSURANCE COVERAGE.—The standard Blue Cross/Blue Shield preferred provider option service benefit plan, described in and offered under section 8903(1) of title 5, United States Code.

“(B) using generally accepted actuarial principles and methodologies;

“(C) using a standardized set of utilization and price factors;

“(D) using a standardized population that is representative of privately insured children of the age of children who are expected to be covered under the State child health plan;

“(E) applying the same principles and factors in comparing the value of different coverage (or categories of services);

“(F) without taking into account any differences in coverage based on the method of delivery or means of cost control or utilization used; and

“(A) the actuarial value of the coverage under the program as of the date of the enactment of this title, or

“(B) the actuarial value described in subsection (a)(2)(B), evaluated as of the time of the modification.

“(e) COST-SHARING.—

“(1) DESCRIPTION; GENERAL CONDITIONS.—

“(A) DESCRIPTION.—A State child health plan shall include a description, consistent with this subsection, of the amount (if any) of premiums, deductibles, coinsurance,

and other cost sharing imposed. Any such charges shall be imposed pursuant to a public schedule.

“(B) PROTECTION FOR LOWER INCOME CHILDREN.—The State child health plan may only vary premiums, deductibles, coinsurance, and other cost sharing based on the family income of targeted low-income children in a manner that does not favor children from families with higher income over children from families with lower income.

“(2) NO COST SHARING ON BENEFITS FOR PREVENTIVE SERVICES.—The State child health plan may not impose deductibles, coinsurance, or other cost sharing with respect to benefits for services within the category of services described in subsection (c)(1)(D).

“(B) OTHER CHILDREN.—For children not described in subparagraph (A), subject to paragraphs (1)(B) and (2), any premiums, deductibles, cost sharing or similar charges imposed under the State child health plan may be imposed on a sliding scale related to income, except that the total annual aggregate cost-sharing with respect to all targeted low-income children in a family under this title may not exceed 5 percent of such family’s income for the year involved.

“(4) RELATION TO MEDICAID REQUIREMENTS.—Nothing in this subsection shall be construed as affecting the rules relating to the use of enrollment fees, premiums, deductions, cost sharing, and similar charges in the case of targeted low-income children who are provided child health assistance in the form of coverage under a medicaid program under section 2101(a)(2).

“(B) OTHER FEDERAL GOVERNMENTAL PROGRAMS.—Except as otherwise provided by law, no payment shall be made to a State under this section for expenditures for child health assistance provided for a targeted low-income child under its plan to the extent that payment has been made or can reasonably be expected to be made promptly (as determined in accordance with regulations) under any other federally operated or financed health care insurance program, other than an insurance program operated or financed by the Indian Health Service, as identified by the Secretary. “(5) WELFARE-TO-WORK GRANTS.—

“(A) FORMULA GRANTS.—

“(i) ENTITLEMENT.—A State shall be entitled to receive from the Secretary of Labor a grant for each fiscal year specified in subparagraph (I) of this paragraph for which the State is a welfare-to-work State, in an amount that does not exceed the lesser of—

“(I) 2 times the total of the expenditures by the State (excluding qualified State expenditures

(as defined in section 409(a)(7)(B)(i)) and any expenditure described in subclause (I), (II), or (IV) of section 409(a)(7)(B)(iv)) during the fiscal year for activities described in subparagraph (C)(i) of this paragraph; or

“(II) the allotment of the State under clause (iii) of this subparagraph for the fiscal year.

“(ii) WELFARE-TO-WORK STATE.—A State shall be considered a welfare-to-work State for a fiscal year for purposes of this paragraph if the Secretary of Labor determines that the State meets the following requirements:

“(I) The State has submitted to the Secretary of Labor and the Secretary of Health and Human Services (in the form of an addendum to the State plan submitted under section 402) a plan which—

“(aa) describes how, consistent with this subparagraph, the State will use any funds provided under this subparagraph during the fiscal year;

“(bb) specifies the formula to be used pursuant to clause (vi) to distribute funds in the State, and describes the process by which the formula was developed;

“(cc) contains evidence that the plan was developed in consultation and coordination with appropriate entities in sub-State areas;

“(dd) contains assurances by the Governor of the State that the private industry council (and any alternate agency designated by the Governor under item (ee)) for a service delivery area in the State will coordinate the expenditure of any funds provided under this subparagraph for the benefit of the service delivery area with the expenditure of the funds provided to the State under section 403(a)(1); and

“(ee) if the Governor of the State desires to have an agency other than a private industry council administer the funds provided under this subparagraph for the benefit of 1 or more service delivery areas in the State, contains an application to the Secretary of Labor for a waiver of clause (vii)(I) with respect to the area or areas in order to permit an alternate agency designated by the Governor to so administer the funds.

“(II) The State has provided to the Secretary of Labor an estimate of the amount that the State intends to expend during the fiscal year (excluding expenditures described in section 409(a)(7)(B)(iv) (other than subclause (III) thereof)) pursuant to this paragraph.

“(III) The State has agreed to negotiate in good faith with the Secretary of Health and Human Services with respect to the substance and funding of any evaluation under section 413(j),

and to cooperate with the conduct of any such evaluation.

“(IV) The State is an eligible State for the fiscal year.

“(V) The State certifies that qualified State expenditures (within the meaning of section 409(a)(7)) for the fiscal year will be not less than the applicable percentage of historic State expenditures (within the meaning of section 409(a)(7)) with respect to the fiscal year.

“(iv) AVAILABLE AMOUNT.—As used in this subparagraph, the term ‘available amount’ means, for a fiscal year, the sum of—

“(I) 75 percent of the sum of—

“(aa) the amount specified in subparagraph (I) for the fiscal year, minus the total of the amounts reserved pursuant to subparagraphs (E), (F), (G), and (H) for the fiscal year; and

“(I) the percentage represented by the number of individuals in the State whose income is less than the poverty line divided by the number of such individuals in the United States; and

“(II) the percentage represented by the number of adults who are recipients of assistance under the State program funded under this part divided by the number of adults in the United States who are recipients of assistance under any State program funded under this part.

“(vi) PROCEDURE FOR DISTRIBUTION OF FUNDS WITHIN STATES.—

“(I) ALLOCATION FORMULA.—A State to which a grant is made under this subparagraph shall devise a formula for allocating not less than 85 percent of the amount of the grant among the service delivery areas in the State, which—

“(aa) determines the amount to be allocated for the benefit of a service delivery area in proportion to the number (if any) by which the population of the area with an income that is less than the poverty line exceeds 7.5 percent of the total population of the area, relative to such number for all such areas in the State with such an excess, and accords a weight of not less than 50 percent to this factor;

“(bb) may determine the amount to be allocated for the benefit of such an area in proportion to the number of adults residing in the area who have been recipients of assistance under the State program funded under this part (whether in effect before or after the amendments made by section 103(a) of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 first applied to the State) for at least 30 months (whether or not consecutive) relative to the number of such adults residing in the State; and

“(cc) may determine the amount to be allocated for the benefit of such an area in proportion to the number of unemployed individuals residing in the area relative to the number of such individuals residing in the State.

“(III) PROJECTS TO HELP LONG-TERM RECIPIENTS OF ASSISTANCE ENTER UNSUBSIDIZED JOBS.—The Governor of a State to which a grant is made under this subparagraph may distribute not more than 15 percent of the grant funds (plus any amount required to be distributed under this subclause by reason of subclause (II)(bb)) to projects that appear likely to help long-term recipients of assistance under the State program funded under this part (whether in effect before or after the

amendments made by section 103(a) of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 first applied to the State) enter unsubsidized employment.

“(vii) ADMINISTRATION.—

“(II) ENFORCEMENT OF COORDINATION OF EXPENDITURES WITH OTHER EXPENDITURES UNDER THIS PART.—Notwithstanding subclause (I) of this clause, on a determination by the Governor of a State that a private industry council (or an alternate agency described in clause (ii)(I)(dd)) has used funds provided under this subparagraph in a manner inconsistent with the assurances described in clause (ii)(I)(dd)—

“(aa) the private industry council (or such alternate agency) shall remit the funds to the Governor; and

“(bb) the Governor shall apply to the Secretary of Labor for a waiver of subclause (I) of this clause with respect to the service delivery area or areas involved in order to permit an alternate agency designated by the Governor to administer the funds in accordance with the assurances.

“(viii) DATA TO BE USED IN DETERMINING THE NUMBER OF ADULT TANF RECIPIENTS.—For purposes of this subparagraph, the number of adult recipients of assistance under a State program funded under this part for a fiscal year shall be determined using data for the most recent 12-month period for which such data is available before the beginning of the fiscal year.

“(B) COMPETITIVE GRANTS.—

“(i) IN GENERAL.—The Secretary of Labor shall award grants in accordance with this subparagraph, in fiscal years 1998 and 1999, for projects proposed by eligible applicants, based on the following:

(1) Hmong and other Highland Lao tribal peoples were recruited, armed, trained, and funded for military operations by the United States Department of Defense, Central Intelligence Agency, Department of State, and Agency for International Development to further United States national security interests during the Vietnam conflict.

(2) Hmong and other Highland Lao tribal forces sacrificed their own lives and saved the lives of American military personnel by rescuing downed American pilots and aircrews and by engaging and successfully fighting North Vietnamese troops.

(3) Thousands of Hmong and other Highland Lao veterans who fought in special guerilla units on behalf of the United States during the Vietnam conflict, along with their families, have been lawfully admitted to the United States in recent years.

(4) The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Public Law 104-193), the new national welfare reform law, restricts certain welfare benefits for noncitizens of the United States and the exceptions for noncitizen

veterans of the Armed Forces of the United States do not extend to Hmong veterans of the Vietnam conflict era, making Hmong veterans and their families receiving certain welfare benefits subject to restrictions despite their military service on behalf of the United States.

(b) CONGRESSIONAL STATEMENT.—It is the sense of the Congress that Hmong and other Highland Lao veterans who fought on behalf of the Armed Forces of the United States during the Vietnam conflict and have lawfully been admitted to the United States for permanent residence should be considered veterans for purposes of continuing certain welfare benefits consistent with the exceptions provided other noncitizen veterans under the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

(a) **AMENDMENT.**—Section 422 of the Higher Education Act of 1965 (20 U.S.C. 1072) is amended by adding after subsection (g) the following new subsection:

“(h) **RECALL OF RESERVES; LIMITATIONS ON USE OF RESERVE FUNDS AND ASSETS.**—

“(1) **IN GENERAL.**—Notwithstanding any other provision of law, the Secretary shall, except as otherwise provided in this subsection, recall \$1,000,000,000 from the reserve funds held by guaranty agencies on September 1, 2002.

“(2) **DEPOSIT.**—Funds recalled by the Secretary under this subsection shall be deposited in the Treasury.

“(3) **REQUIRED SHARE.**—The Secretary shall require each guaranty agency to return reserve funds under paragraph (1)

based on the agency's required share of recalled reserve funds held by guaranty agencies as of September 30, 1996. For purposes of this paragraph, a guaranty agency's required share of recalled reserve funds shall be determined as follows:

"(A) The Secretary shall compute each guaranty agency's reserve ratio by dividing (i) the amount held in the agency's reserve funds as of September 30, 1996 (but reflecting later accounting or auditing adjustments approved by the Secretary), by (ii) the original principal amount of all loans for which the agency has an outstanding insurance obligation as of such date, including amounts of outstanding loans transferred to the agency from another guaranty agency.

"(B) If the reserve ratio of any guaranty agency as computed under subparagraph (A) exceeds 2.0 percent, the agency's required share shall include so much of the amounts held in the agency's reserve funds as exceed a reserve ratio of 2.0 percent.

"(C) If any additional amount is required to be recalled under paragraph (1) (after deducting the total of the required shares calculated under subparagraph (B)), such additional amount shall be obtained by imposing on each guaranty agency an equal percentage reduction in the amount of the agency's reserve funds remaining after deduction of the amount recalled under subparagraph (B), except that such percentage reduction under this subparagraph shall not result in the agency's reserve ratio being reduced below 0.58 percent. The equal percentage reduction shall be the percentage obtained by dividing—

"(i) the additional amount required to be recalled (after deducting the total of the required shares calculated under subparagraph (B)), by

"(ii) the total amount of all such agencies' reserve funds remaining (after deduction of the required shares calculated under such subparagraph).

"(D) If any additional amount is required to be recalled under paragraph (1) (after deducting the total of the required shares calculated under subparagraphs (B) and (C)), such additional amount shall be obtained by imposing on each guaranty agency with a reserve ratio (after deducting the required shares calculated under such subparagraphs) in excess of 0.58 percent an equal percentage reduction in the amount of the agency's reserve funds remaining (after such deduction) that exceed a reserve ratio of 0.58 percent. The equal percentage reduction shall be the percentage obtained by dividing—

"(i) the additional amount to be recalled under paragraph (1) (after deducting the amount recalled under subparagraphs (B) and (C)), by

"(ii) the total amount of all such agencies' reserve funds remaining (after deduction of the required shares calculated under such subparagraphs) that exceed a reserve ratio of 0.58 percent.

"(4) RESTRICTED ACCOUNTS REQUIRED.—

"(A) IN GENERAL.—Within 90 days after the beginning of each of the fiscal years 1998 through 2002, each guaranty agency shall transfer a portion of the agency's required

share determined under paragraph (3) to a restricted account established by the agency that is of a type selected by the agency with the approval of the Secretary. Funds transferred to such restricted accounts shall be invested in obligations issued or guaranteed by the United States or in other similarly low-risk securities.

“(B) REQUIREMENT.—A guaranty agency shall not use the funds in such a restricted account for any purpose without the express written permission of the Secretary, except that a guaranty agency may use the earnings from such restricted account for default reduction activities.

“(C) INSTALLMENTS.—In each of fiscal years 1998 through 2002, each guaranty agency shall transfer the agency’s required share to such restricted account in 5 equal annual installments, except that—

“(ii) a guaranty agency may transfer such required share to such account in accordance with such other payment schedules as are approved by the Secretary.

“(5) SHORTAGE.—If, on September 1, 2002, the total amount in the restricted accounts described in paragraph (4) is less than the amount the Secretary is required to recall under paragraph (1), the Secretary shall require the return of the amount of the shortage from other reserve funds held by guaranty agencies under procedures established by the Secretary. The Secretary shall first attempt to obtain the amount of such shortage from each guaranty agency that failed to transfer the agency’s required share to the agency’s restricted account in accordance with paragraph (4).

“(6) ENFORCEMENT.—

“(A) IN GENERAL.—The Secretary may take such reasonable measures, and require such information, as may be necessary to ensure that guaranty agencies comply with the requirements of this subsection.

“(B) PROHIBITION.—If the Secretary determines that a guaranty agency has failed to transfer to a restricted account any portion of the agency’s required share under this subsection, the agency may not receive any other funds under this part until the Secretary determines that the agency has so transferred the agency’s required share.

“(C) WAIVER.—The Secretary may waive the requirements of subparagraph (B) for a guaranty agency described in such subparagraph if the Secretary determines that there are extenuating circumstances beyond the control of the agency that justify such waiver.

“(i) shall be used to satisfy the agency’s required share of recalled reserve funds; and

“(ii) shall be deposited in the restricted account established by the agency under paragraph (4), without regard to whether such funds exceed the next installment required under such paragraph.

“(iii) establishing a program of placement counseling to assist high-risk borrowers in identifying employment or additional training opportunities; and

Subtitle A—District of Columbia Retirement Funds

District of
Columbia
Retirement
Protection Act of
1997.

CHAPTER 1—SHORT TITLE; FINDINGS; DEFINITIONS

SEC. 11001. SHORT TITLE.

This subtitle may be cited as the “District of Columbia Retirement Protection Act of 1997”.

SEC. 11002. FINDINGS AND DECLARATION OF POLICY.

(a) FINDINGS.—The Congress finds that—

(1) State and municipal retirement programs should be funded on an actuarially sound basis;

(2) the retirement programs for the police officers and firefighters, teachers and judges of the District of Columbia had significant unfunded liabilities totaling approximately \$1,900,000,000 when the Federal government transferred those programs to the District of Columbia, and those liabilities have since increased to nearly \$4,800,000,000, an increase which is almost entirely attributable to the accumulation of interest on the value which existed at the time of transfer;

(3) the District of Columbia has fully met its financial obligations under the District of Columbia Retirement Reform Act of 1979 (Public Law 96-122);

(4) the growth of the unfunded liabilities of the three pension funds listed above did not occur because of any action

taken or any failure to act that lay within the power of the District of Columbia government or the District of Columbia Retirement Board;

(5) the presence of the unfunded pension liability is having and will continue to have a negative impact on the District of Columbia's credit rating as it is a legal obligation and the total unfunded liability exceeds the total General Obligation debt of the District, and the costs associated with this liability are a contributing cause of the District's ongoing financial crisis;

(6) the obligations of the District associated with these pension programs in fiscal year 1997 represents nearly 10 percent of the District's revenue;

(7) the annual Federal contribution toward these costs under the District of Columbia Retirement Reform Act has remained \$52,000,000;

(8) if the unfunded pension liability situation is not resolved, in 2004 the District of Columbia would be responsible for annual costs exceeding \$800,000,000, a figure which would be impossible to meet without catastrophic impact on the District government's resources and programs;

(9) the financial resources of the District of Columbia are not adequate to discharge the unfunded liabilities of the retirement programs; and

(10) the level of benefits and funding of the current retirement programs were authorized by various Acts of Congress.

(b) POLICY.—It is the policy of this subtitle—

(1) to relieve the District of Columbia government of the responsibility for the unfunded pension liabilities transferred to it by the Federal government;

(2) for the Federal government to assume the legal responsibility for paying certain pension benefits (including certain unfunded pension liabilities which existed as of the day prior to introduction of this legislation) for the retirement plans of teachers, police, and firefighters;

(3) to provide for a responsible Federal system for payment of benefits accrued prior to the date of introduction of this legislation; and

(4) to require the establishment of replacement plans by the District of Columbia government for the current retirement plans for teachers, and police and firefighters.

(b) **TREATMENT OF SERVICE OCCURRING AFTER FREEZE DATE.**—Service after the freeze date shall not be credited for purposes of determining the amount of any Federal benefit payment. Nothing in this subsection shall be construed to affect the crediting of such service for any other purpose under the District Retirement Program.

(c) **SPECIAL RULE REGARDING DISABILITY BENEFITS.**—To the extent that any portion of a benefit payment to which an individual is entitled under a District Retirement Program is based on a determination of disability made by the District of Columbia Retirement Board or the Trustee after the freeze date, the Federal benefit payment determined with respect to the individual shall be an amount equal to the deferred retirement benefit or normal retirement benefit the individual would receive if the individual left service on the day before the commencement of disability retirement benefits.

(d) **SPECIAL RULE REGARDING CERTAIN DEATH BENEFITS.**—

(1) **IN GENERAL.**—In the case of a benefit payment to which an individual is entitled under a District Retirement Program which is payable on the death of a covered District employee or former covered District employee and which is not determined by the length of service of the employee or former employee, the Federal benefit payment determined with respect to the individual shall be equal to the pre-freeze date percentage of the amount otherwise payable.

(2) **PRE-FREEZE DATE PERCENTAGE DEFINED.**—In paragraph (1), the “pre-freeze date percentage” with respect to a covered District employee or former covered District employee is the amount (expressed as a percentage) equal to the quotient of—

(2) by amending paragraph (3) to read as follows:

adjusted to the nearest $\frac{1}{10}$ of 1 per centum.

“(B) On January 1, 1998 (or within a reasonable time thereafter), the Mayor shall determine the per centum change in the price index published for December 1997 over the price index published for June 1997. If such per centum change indicates a rise in the price index, effective March 1, 1998—
